(4) Where, upon reliable evidence, a reasonable doubt exists whether the conditions set out in paragraph (1) of this Article are fulfilled, the benefit of that reasonable doubt shall be given to the claimant.

(a) the substantive rank held by him on the date on which he was last on full pay prior to the termination of his service;

(b) where on that date he held war substantive rank, or paid temporary or paid acting rank which would then have been allowed to reckon for the purpose of calculating service retired pay or the rank element of a service pension if he were eligible for such retired pay or pension, that war substantive rank, or paid temporary or paid acting rank, as the case may be;

(c) the substantive, war substantive, paid temporary or paid acting rank held by the member on any of the following dates, namely—

(3) In the case of a member of the Naval Reserve Forces, the relevant rank shall be—

(a) the paid rank held by him, or, where pay was not in issue, the rank for which pay would have been in issue if the member had been entitled to receive pay, on the date on which he sustained the wound or injury, or on which he was first removed from duty on account of the disease, on which the claim to the award is based; or

(b) if there was no such occurrence, the highest rank (ascertained in accordance with the provisions of subparagraph (a) of this paragraph) held by him during the relevant period of service; or

(c) where the member suffered aggravation of the injury on which the claim to the award is based (being aggravation which, in the case of death, persisted until death) as a result of service after the date or period mentioned in subparagraphs (a) and (b) of this paragraph, the date of the removal from duty on account of the aggravation, or, if there was no such removal from duty, the highest rank (ascertained in accordance with the provisions of subparagraph (a) of this paragraph) held by him during such service.

(4) Where an award is payable in respect of the disablement or death of a member by reason of more than one injury, and different ranks would, under the foregoing provisions of this Article, be relevant to the different causes leading to the disablement or death—

(a) an award under Part III or IV of this Order shall be at a composite rate having regard to the disabling effect of each such cause and the relevant rank appropriate thereto; and

(b) an award under Part V of this Order shall be based upon the highest of those different relevant ranks.

(5) For the purposes of an award in respect of the death of a retired officer who has been recalled to service or otherwise taken into employment as a commissioned officer, the relevant rank shall be the rank in which he was employed, or the rank appropriate to the appointment in which he was employed, at the date on which he was last on full pay prior to the termination of his service, or at any of the dates mentioned in paragraph (2) (c) of this Article, whichever is most favourable.

(6) The provisions contained in the principal Regulations as to equivalent ranks of officers and ratings, for the purposes of retired pay, pension or like grant thereunder, and as to the classification of different categories of ratings, shall have effect for the purposes of this Order.

(7) For the purposes of any award under this Order, a Chaplain shall be treated as holding such rank as is, in the opinion of the Minister, appropriate in his case having regard to his denomination and the length of his service and the provisions made in the principal Regulations as to the grant of retired

pay, pensions, allowances or gratuities to or in respect of Chaplains of that denomination with that length of service.

(8) The foregoing provisions of this Article shall, where appropriate, apply in relation to women members of the naval forces, any reference to a rank being treated as a reference to a status equivalent to that rank.

### PART III.—AWARDS IN RESPECT OF DISABLEMENT

8. *Application of Part III.*—(1) Under this Part of this Order awards may be made in respect of the disablement of a member of the naval forces which is due to service.

(2) This Part of this Order shall have effect subject, in the case of any award which may be made under Part VI, to the provisions of that Part.

9. *General conditions of awards in respect of disablement.*—(1) An award in respect of the disablement of a member of the naval forces shall not be made to take effect before the termination of his service or, in the case of an officer on the active list, while he is in receipt of unemployed pay or half pay.

(2) The Minister may withhold or reduce an award in respect of the disablement of an officer whose service is terminated voluntarily or on account of misconduct.

(3) For the purposes of an award in respect of disablement (which may be made provisionally or upon any other basis), the degree of that disablement shall be assessed on an interim basis, unless the member's condition permits a final settlement of the extent, if any, of that disablement.

10. *Determination of degree of disablement.*—(1) Subject to the following provisions of this Order, the degree of the disablement due to service of a member of the naval forces shall be assessed by making a comparison between the condition of the member as so disabled and the condition of a normal healthy person of the same age and sex, without taking into account the earning capacity of the member in his disabled condition in his own or any other specific trade or occupation, and without taking into account the effect of any individual factors or extraneous circumstances:

Provided that, where such disablement is due to more than one injury, a composite assessment of the degree of disablement shall be made by reference to the combined effect of all such injuries.

(2) The degree of disablement assessed as aforesaid shall be certified by way of a percentage, total disablement being represented by 100 per cent. (which shall be the maximum assessment) and a lesser degree being represented by such percentage as bears to 100 per cent. the same proportion as the lesser degree of disablement bears to total disablement, so, however, that a degree of disablement of 20 per cent. or more shall be certified at a percentage which is a multiple of ten, and a degree of disablement which is less than 20 per cent. shall, except in a case to which Table 1 in the Third Schedule applies, be certified in the manner required by Table 2 or 3 in that Schedule.

(3) Where a disablement is due to an injury specified in the First Schedule or is a disablement so specified, and, in either case, has reached a settled condition, the degree of that disablement shall, in the absence of any special features, be certified for the purposes of this Article at the percentage specified in that Schedule as appropriate to that injury or to that disablement.

(4) Where a member of the naval forces has sustained a minor injury specified in Table 1 in the Third Schedule as well as some other disablement due to service, the degree of which is less than 100 per cent., and a composite assessment of the degree of the disablement from both causes is no higher than the assessment for the other disablement alone, this Article shall have effect so as to authorise an award under Article 12 in respect of the minor injury as well as an award under Article 11 or 12 in respect of the other disablement.

(5) The degree of disablement certified under this Article shall be the degree of disablement for the purpose of any award in respect thereof under this Order.

11. *Pensions for disablement.*—A member of the naval forces the degree of whose disablement is not less than 20 per cent. may be awarded retired pay or a pension at whichever of the rates set out in

the Tables in the Second Schedule is appropriate to his rank or status and the degree of his disablement.

12. *Gratuities and weekly allowances for minor disablement.*—A member of the naval forces the degree of whose disablement is less than 20 per cent. may be awarded a gratuity, or a weekly allowance with or without a terminal gratuity, in accordance with the appropriate Table in the Third Schedule.

13. *Allowances for eligible members of the family.*—(1) Where a member of the naval forces is awarded retired pay or a pension under Article 11, allowances in respect of the eligible members of the family may be awarded in accordance with the following provisions of this Article.

(2) An allowance under this Article in respect of an eligible member of the family shall be at such proportion of the rates set out in the following Table as corresponds to the degree of the disablement which may give title to that allowance:—

(3) The award, continuance and amount of any allowance in respect of a wife, husband or child who is living apart from the member shall be at the discretion of the Minister.

(4) No allowance shall be awarded in respect of a husband unless—

(a) he has been in receipt of regular and substantial support or benefit from the member throughout the period beginning (unless the Minister otherwise determines in the exceptional circumstances of any case) not less than six months prior to the termination of her service, and continuing up to the date of any award under this Order in respect of her disablement and, where the award is reviewed, up to the date of the review; and

(b) he is incapable of self-support and in need.

(5) No allowance shall be granted in respect of an unmarried dependant living as a wife unless she has in her charge a child of the member in respect of whom an allowance may be awarded under this Article.

(6) Where a woman member has a husband (whether married to her before or after the material date), no allowance shall be awarded to her in respect of any child of whom the husband is the father, or who has been legally adopted by the husband, unless the conditions set out in paragraph (4) of this Article for the award of an allowance in respect of the husband are fulfilled.

(7) Subject to the provisions of paragraph (8) of this Article, an award of an allowance under this Article shall not be made or continued in respect of a child who has attained the child's age limit.

(8) An award of an allowance under this Article may be made or continued in respect of a child who has attained the child's age limit where that child—

(a) is a student or an apprentice; or

(b) is incapable of self-support by reason of an infirmity which arose before he attained the child's age limit;

and the circumstances of the case are, in the opinion of the Minister, such as to justify the award or its continuance.

14. *Education allowances.*—(1) A member of the naval forces who is in receipt of retired pay or a

pension under Article 11 may be awarded an allowance in respect of a child (including a child to whom Article 17 (3) (e) (ii) applies) for the purpose of his education if—

(a) the child has attained the age of 5 years; and

(b) the circumstances of the family are such as to require it; and

(c) the Minister is satisfied that the type of education which the child is receiving, or is to receive, is suitable for the child.

(2) The amount of an allowance under this Article shall be determined by the Minister, but the total payments made in respect of any period of twelve months shall not exceed £80 in respect of any one child.

**15. Allowances for constant attendance.**—Where a member of the naval forces is in receipt of retired pay or a pension under Article 11 in respect of disablement the degree of which is 100 per cent., and it is shown to the satisfaction of the Minister that constant attendance on the member is necessary on account of the disablement, he may be awarded an allowance at a rate not exceeding £100 a year in the case of an officer or 20s. a week in any other case:

Provided that in an exceptional case of very severe disablement the allowance may, subject to such conditions as the Minister may determine, be increased to a rate not exceeding £104 a year in the case of an officer or 40s. a week in any other case.

**16. Allowances for wear and tear of clothing.**—

(1) Where a member of the naval forces who is in receipt of retired pay or a pension under Article 11 in respect of an amputation regularly wears an artificial limb, he may be awarded an allowance in respect of wear and tear of clothing at whichever of the following rates is applicable, namely:—

(b) where he wears a tilting-table limb or more than one artificial limb, £8 a year.

(2) In any other case in which the Minister is satisfied that as a result of the pensioned disablement there is exceptional wear and tear of the member's clothing an allowance not exceeding £8 a year may be awarded.

**17. Allowances for unemployable pensioners.**—(1) *Eligibility.* Where a member of the naval forces is in receipt of retired pay or a pension under Article 11 in respect of disablement so serious as to make him unemployable, he may be awarded allowances in accordance with such of the provisions of this Article as may be appropriate in his case:

Provided that—

(a) such a member may be deemed to be unemployable although in receipt of earnings which are, in the opinion of the Minister, unlikely to exceed £52 a year;

(b) such a member shall not be eligible for any award under this Article if he is in receipt of a retirement pension (not being contributory old age pension) under the National Insurance Act, 1946 (9 & 10 Geo. 6. c. 67), or under any legislation in Northern Ireland corresponding to that Act or under the law of any place outside the United Kingdom which, in the opinion of the Minister, is analogous to that Act.

(2) *Supplementation of retired pay or pension.* A member of the naval forces coming within paragraph (1) of this Article may be awarded an allowance, by way of supplement to his retired pay or pension, at the rate of £78 a year in the case of an officer, or 30s. a week in any other case:

Provided that, in computing the said rates, account shall be taken, to such extent as the Minister may think fit, of any of the following benefits for which the member may be eligible—

(a) sickness or disablement benefit under the law of any place outside the United Kingdom which, in the opinion of the Minister, is analogous to benefits under the National Insurance Act, 1946 (9 & 10 Geo. 6. c. 67), or under any corresponding legislation in Northern Ireland;

(b) a contributory old age pension or a widow's basic pension under the National Insurance Act, 1946 (9 & 10 Geo. 6. c. 67), or under any legislation in Northern Ireland corresponding to that Act or under the law of any place outside the United Kingdom which, in the opinion of the Minister, is analogous to that Act.

(3) *Additional allowances for dependants.* Where a member of the naval forces is awarded an allowance in accordance with paragraph (2) of this Article, there may also be awarded to that member additional allowances in accordance with the following provisions of this paragraph—

(a) Where an allowance has been awarded under Article 13 in respect of a wife, husband or unmarried dependant living as a wife, and a degree of the disablement of the member is less than 100 per cent., that allowance may be increased to the rate which would be appropriate under that Article if the degree of the disablement of the member were 100 per cent.

(b) In the case of a woman member of the naval forces, an allowance may be awarded in respect of a husband to whom she was married after the material date, at the rate and subject to the conditions which would be appropriate under Article 13 if the husband were an eligible member of the family and the degree of disablement of the woman member were 100 per cent., and any such allowance shall be treated as an allowance under (a) of the Table in Article 13 (2) for the purpose of determining the rate of any allowance for a child under Article 13 or under subparagraph (e) of this paragraph.

(c) Where an allowance has been awarded under Article 13 in respect of a wife, husband or unmarried dependant living as a wife, and the degree of the disablement of the member is 100 per cent., or where an allowance for such a person has been increased or awarded under subparagraph (a) or (b) of this paragraph, the rate of the allowance may be increased, or further increased, as the case may be, by £6 a year in the case of an officer, or 6s. a week in any other case, if the Minister thinks fit having regard to the financial circumstances of the person in respect of whom the allowance has been granted.

(d) Where the member is not in receipt of an allowance under Article 13 or under subparagraph (b) of this paragraph in respect of a wife or husband (whether married to the member before or after the material date) or unmarried dependant living as a wife, an allowance may be awarded in respect of an adult dependant at the rate of £42 a year in the case of an officer, or 16s. a week in any other case, if the Minister thinks fit having regard to the financial circumstances of the person in respect of whom the allowance is claimed:

Provided that—

(i) the member of the naval forces shall not be awarded an allowance in respect of more than one adult dependant;

(ii) where an additional allowance is awarded under this paragraph and an allowance is payable in respect of a first child under (b) (ii) of the Table in Article 13 (2), or under the said (b) (ii) as increased by subparagraph (e) (i) of this paragraph, or under subparagraph (e) (ii) of this paragraph, as the case may be, the aggregate of these allowances shall not exceed £72 a year in the case of an officer or 23s. 6d. a week in any other case.

(e) (i) Where an allowance has been awarded under Article 13 in respect of a child and the degree of disablement of the member is less than 100 per cent., that allowance may be increased to the rate which would be appropriate under that Article if the degree of the disablement of the member were 100 per cent.;

(ii) An allowance may be awarded in respect of any child, not being an eligible member of the family, who should, in the opinion of the Minister, be treated as such having regard to the child's relationship to or connection with the member and the other circumstances of the case:

Provided that any such allowance shall be at the rate and subject to the conditions which would be appropriate under Article 13 if the child were an eligible member of the family and the degree of disablement of the member were 100 per cent.

**18. Allowances for lowered standard of occupation.**

—(1) Where a member of the naval forces is in receipt of retired pay or a pension under Article 11 in respect of disablement the degree of which is less than 100 per cent. or has been granted an award under Article 12 in respect of a minor disablement and in either case the disablement is such as to render him incapable, and likely to remain permanently incapable, of following the occupation which was his regular occupation before his service and incapable of following any other occupation which is of an

equivalent standard and is suitable in his case, he may be awarded an allowance at a rate not exceeding 20s. a week, so, however, that the aggregate rate of his retired pay or pension under Article 11 together with the allowance under this Article shall not exceed the rate of award which would have been appropriate in his case under Article 11 if the degree of his disablement had been 100 per cent.

(2) This Article shall not apply to a member of the naval forces who is eligible for an allowance under Article 17 (2).

#### PART IV.—TREATMENT AND REHABILITATION.

19. *Application and interpretation of Part IV.*—Under this Part of this Order awards may be made where the disablement of a member of the naval forces is due to service and any condition applicable to an award under Part III shall, where appropriate, be applicable to an award under this Part.

20. *Treatment allowances.*—(1) A member of the naval forces may be awarded in respect of any period during which he receives approved treatment, a treatment allowance consisting of a personal allowance in respect of himself and any additional allowance which may be appropriate in his case in accordance with the following provisions of this Article:

Provided that—

(a) a treatment allowance shall be subject to such deductions or adjustments as the Minister may think appropriate having regard to all the circumstances of the case;

(b) where a member is in receipt of a treatment allowance under this Article in respect of any period, no payment shall be made in respect of that period of any award under Part III or VI except an award under Article 14, 16 or 17 (2) or, in the case of treatment other than approved institutional treatment, under Article 15.

(2) The personal allowance in respect of the member shall be awarded at the rate of retired pay or pension which would be appropriate under this Order if the degree of that member's disablement were 100 per cent.

(3) The allowance under paragraph (2) of this Article may be increased by whichever of the following amounts is appropriate, namely—

(a) if he is not eligible for any such benefit as is mentioned in paragraph (6) of this Article, 26s. a week;

(b) if he is eligible for such benefit at a lower rate than 26s. a week, the amount of the difference between that lower rate and 26s. a week;

Provided that this paragraph shall not apply to—

(i) a member who is in receipt of an allowance under Article 17 (2); or

(ii) a member who is receiving approved institutional treatment and is not entitled to an allowance under the following provisions of this Article.

(4) An additional allowance may be awarded in respect of an eligible dependant at the rate and subject to the conditions which would be appropriate under Article 13 if that dependant were an eligible member of the family and the degree of the member's disablement were 100 per cent.:

Provided that, where that eligible dependant is a wife or a husband (whether married to the member before or after the material date) or an unmarried dependant living as a wife, the rate of the additional allowance in respect of that person may be increased to the rate of £42 a year in the case of an officer, or the rate of 16s. a week in any other case, as the Minister may think fit having regard to the financial circumstances of that person.

(5) Where a member of the naval forces is not in receipt of an allowance under paragraph (4) of this Article in respect of a wife or a husband (whether married to the member before or after the material date) or an unmarried dependant living as a wife, an additional allowance may be awarded in respect of an adult dependant at the rate of £42 a year in the case of an officer, or the rate of 16s. a week in any other case, as the Minister may think fit having regard to the financial circumstances of that adult dependant:

Provided that—

(a) the member of the naval forces shall not be awarded an additional allowance in respect of more than one adult dependant;

(b) where an additional allowance is awarded under this paragraph, the aggregate of that allowance and any allowance under paragraph (4) of

this Article in respect of any child shall not exceed £72 a year in the case of an officer, or 23s. 6d. a week in any other case.

(6) The benefit referred to in paragraph (3) of this Article is personal benefit by way of injury benefit under the National Insurance (Industrial Injuries) Act, 1946 (9 & 10 Geo. 6. c. 62), sickness benefit, retirement pension or contributory old age pension under the National Insurance Act, 1946 (9 & 10 Geo. 6. c. 67), or under any legislation in Northern Ireland corresponding to that legislation, or under the law of any place outside the United Kingdom which in the opinion of the Minister is analogous to that legislation.

21. *Allowances where prolonged abstention from work is necessary following approved institutional treatment.*—(1) Where it is certified that a member of the naval forces should on completion of a course of approved institutional treatment abstain from work for a prolonged period in consequence of the condition which necessitated that treatment, he may be treated as if he were eligible throughout that period for a treatment allowance under Article 20.

(2) This Article shall not apply to a member of the naval forces who is in receipt of an allowance under Article 17 (2).

22. *Allowances for part-time treatment.*—Where a member of the naval forces receives treatment which would be approved treatment but for the fact that it involves only occasional interruptions of the member's normal employment, a treatment allowance may be awarded to the member at such rate, not exceeding 21s. in respect of any one day (subject to a maximum payment of 30s. in respect of any one week), as the Minister may think appropriate having regard to any loss of remunerative time by the member as the result of those interruptions:

Provided that the rate of a treatment allowance awarded to a member under this Article in respect of any period of a week or less shall not exceed the amount by which the weekly value of the member's existing award under Part III or Part VI (excluding any award under Article 14, 15, 16 or 17 (2)) falls short of the weekly value of the award which would have been appropriate in the case of that member under Article 20 if he had been eligible for an award under that Article.

23. *Medical expenses.*—Any necessary expenses in respect of the medical, surgical or rehabilitative treatment of a member of the naval forces not otherwise provided for may be defrayed by the Minister under such conditions and up to such amount as he may determine.

#### PART V.—AWARDS IN RESPECT OF DEATH.

24. *Application of Part V.*—(1) Under this Part of this Order awards may be made in respect of the death of a member of the naval forces which is due to service.

(2) This Part and the Schedules referred to in this Part shall have effect as if any reference to a commissioned officer included a reference to an acting sub-lieutenant and any reference to a warrant officer included a reference to a midshipman or cadet.

25. *General conditions of awards in respect of death.*—Where, after the death of a member of the naval forces, any allowance, grant or other payment out of public funds is paid for any period to or in respect of any person in continuation of any payment made during the member's lifetime in respect of his service as a member, no pension, allowance or other grant under this Part shall be paid for that period to or in respect of that person:

Provided that, where the aggregate amount of any pension, allowance or other grant which might, but for this paragraph, have been paid under this Part is in excess of the aggregate amount of the payments so made out of public funds, an amount equal to that excess may be paid.

26. *Pensions to widows.*—(1) The widow of an officer above the rank of Lieutenant-Commander or an officer of equivalent rank in the Royal Marines may be awarded a pension at whichever of the rates set out in column (3) in Table 1 in the Fourth Schedule is appropriate in her case.

- (i) where she has attained the age of 40 years; or  
(ii) where she is in receipt of an allowance awarded in respect of a child of the officer or rating under Article 32, 34 or 36, and also, where the child dies before attaining the child's age limit, during the period of thirteen weeks from the date of the child's death; or  
(iii) where she is incapable of self-support;

- (b) in any other case, at whichever of the rates specified in column (3) in Table 1 or column (3) in Table 2 in the Fourth Schedule is appropriate in her case.

(3) A widow of a member of the naval forces shall only be eligible for a pension under this Article if she was not separated from the member at the date of his death or if, being then separated from him, the separation was, in the opinion of the Minister, caused by his mental instability arising from disablement due to service.

27. *Killed in action gratuities.*—Where an officer has been killed in action or while on flying duty or while being carried on duty in aircraft under proper authority, or has in such circumstances sustained wounds or injuries from which he died within seven years of sustaining them, his widow may, if she is a widow eligible for a pension under Article 26, be awarded a gratuity in accordance with the Table in the Fifth Schedule.

28. *Pensions to widows who were separated.*—(1) The widow of a member of the naval forces, not being a widow eligible for a pension under Article 26, may be awarded a pension if—

- (a) she was entitled to periodical payments from her husband under a maintenance or separation order and was, throughout the period of six months expiring on the date of his death or such other period as the Minister may determine in the exceptional circumstances of any case, either receiving those payments or taking reasonable steps to obtain them; or

- (b) her husband was, throughout any such period as is mentioned in subparagraph (a) of this paragraph, contributing to a reasonable extent to her support.

(2) The rate of a pension awarded to a widow under this Article shall be at the discretion of the Minister, but shall not exceed—

- (a) where the conditions specified in paragraph (1) (a) of this Article are fulfilled, the rate of the payments which she was entitled to receive from her husband; or

- (b) where the conditions specified in paragraph (1) (b) of this Article are fulfilled, the average amount that her husband was contributing to her support throughout any such period as is mentioned in paragraph (1) (a) of this Article;

and shall not in either case exceed the rate of the pension under Article 26 of which she would be in receipt if she were a widow eligible for a pension under that Article.

29. *Pensions to unmarried dependants living as wives.*—(1) An unmarried dependant living as a wife of a member of the naval forces may be awarded a pension in accordance with the following provisions of this Article, if the widow of the member is not in receipt of a pension under Article 26.

(2) Where an unmarried dependant of a member has in her charge a child of the member and is in receipt of an allowance awarded in respect of that child under the following provisions of this Part, a pension may be paid to her until she ceases to have that child in her charge or to be in receipt of such allowance.

(3) The rate of a pension to the unmarried dependant of a member shall be at the discretion of the Minister but shall not exceed £95 a year where the member was an officer or 27s. 6d. a week where the member was a rating.

(4) For the purposes of this Article, an unmarried dependant of a member who has in her charge a child of the member and is in receipt of an allowance awarded in respect of that child under the following provisions of this Part shall, where the child dies before attaining the child's age limit, be treated for

the period of thirteen weeks from the date of the child's death as though she still had that child in her charge and were still in receipt of that allowance.

30. *Rent allowances to widows, and unmarried dependants living as wives, who have children.*—

(1) Where the widow of a rating is in receipt of a pension under Article 26 or 28, or an unmarried dependant living as a wife of a rating is in receipt of a pension under Article 29 and the household of the widow or unmarried dependant includes a child, the widow or unmarried dependant may be awarded an allowance in accordance with the following provisions of this Article at such weekly rate, not exceeding 15s., as the Minister may consider appropriate having regard to the amount by which her weekly rent and rates exceed 8s.

(2) An allowance under this Article to a widow in receipt of a pension under Article 28 shall not exceed the amount by which the pension, together with any allowances awarded to her under the following provisions of this Part in respect of children, falls short of the amount which her husband was, throughout any such period as is mentioned in Article 28 (1) (a), contributing, or required by a maintenance or separation order to contribute, to her support and that of her children.

(3) Where an allowance under this Article would cease by reason of the death of a child before attaining the child's age limit, the allowance shall be continued for the period of thirteen weeks from the date of the child's death.

(4) In this Article—

(a) "child" means a child of the rating who has not attained the child's age limit, or who, having attained that age limit, is a student or an apprentice or is incapable of self-support by reason of an infirmity which arose before he attained that age limit, and includes any person fulfilling those conditions who should, in the opinion of the Minister, having regard to his relationship to or connection with the rating and the other circumstances of the case, be treated as covered by the provisions of this Article;

(b) "weekly rent and rates" means such sum as the Minister may, after taking into account all relevant factors and making all necessary apportionments, consider to be the weekly amount which the widow or unmarried dependant is paying or providing either directly or indirectly in respect of rent, or the equivalent thereof, and rates for accommodation for the benefit of herself and the child;

(c) "accommodation" means living accommodation without any service or benefit not ordinarily provided by the landlord to the tenant of an unfurnished dwelling house, but may include accommodation reasonably required for the storage of furniture.

(5) This Article shall have effect as if any reference to a rating included a reference to a warrant officer, so, however, that the rate of an allowance under this Article to the widow or unmarried dependant of a warrant officer shall not exceed the amount by which the pension of which she is in receipt under this Part, together with any allowances awarded to her under the following provisions of this Part in respect of children, falls short of the pension under this Part, together with any allowances under the following provisions of this Part in respect of children, of which she would be in receipt if the warrant officer had been a sub-lieutenant.

31. *Pensions to widowers.*—(1) The widower of a woman member of the naval forces may, unless he was separated from her at the date of her death, be awarded a pension if he was dependent on her and is in pecuniary need and incapable of self-support.

(2) The rate of a pension under this Article shall be at the discretion of the Minister, but shall not exceed £95 a year where the member was an officer or 35s. a week in any other case.

32. *Allowances in respect of children under the age limit.*—(1) Where a child of a member of the naval forces has not attained the child's age limit, an allowance under this Article may be awarded in respect of that child unless a pension is awarded to that child under Article 33.

(2) Subject to the following provisions of this Article, an allowance under this Article in respect of a child shall be at the rate of £36 a year where

the member was a commissioned officer or £30 a year where the member was a warrant officer or 11s. a week in any other case.

(3) Where a child of a male member is a child to whom Article 1 (5) (e) applies an allowance under this Article in respect of that child shall be at such rate as the Minister may determine but shall not exceed £36 a year where the member was a commissioned officer, £30 a year where the member was a warrant officer or 11s. a week in any other case.

(4) Where the widower of a woman member is alive, no allowance shall be awarded under this Article in respect of any child of whom the widower is the father or who has been legally adopted by the widower unless the conditions for the award under Article 31 or 36 of a pension to the widower in respect of the death of the member are fulfilled. In this paragraph the word "widower" includes a person married to the member after the material date.

(5) Where—

(a) a child of a male member is not under the control of the child's mother or of a person who is or has been in receipt of a pension under Article 26, 28 or 29, in respect of the death of the member; or

(b) a child of a woman member is not under the control of the child's father or of a widower of the member, being a father or widower in receipt of a pension under Article 31 or 36 in respect of her death;

an allowance under this Article in respect of the child may be awarded at, or, if already awarded, increased to, a rate not exceeding—

(i) where the member was a commissioned officer, £60 a year;

(ii) where the member was a warrant officer, £45 a year if the child has not attained the age of 15 years or £52 a year if the child has attained that age; or

(iii) in any other case, 13s. 6d. a week if the child has not attained the age of 15 years or 20s. a week if the child has attained that age.

33. *Pensions to motherless or fatherless children under the age limit.*—Where a child of a male member of the naval forces is or becomes motherless, or where a woman member who has a child dies without leaving a widower (whether married to her before or after the material date) or the pensioned widower of such a woman member dies and in either case the child has not attained the child's age limit, a pension may be awarded to the child at whichever of the following rates is applicable:—

(a) where the member was a commissioned officer £60 a year;

(b) where the member was a warrant officer, £45 a year if the child has not attained the age of 15 years or £52 a year if the child has attained that age;

(c) in any other case, 13s. 6d. a week if the child has not attained the age of 15 years or 20s. a week if the child has attained that age.

Provided that, in the case of a male member, a pension under this Article to a child to whom Article 1 (5) (e) applies shall be at such rate as the Minister may determine, but shall not exceed the rate which would be appropriate under the foregoing provisions of this Article.

34. *Awards to or in respect of children over the age limit.*—(1) An allowance in respect of, or a pension to, a child of a member of the naval forces may be awarded, or an award of such an allowance or pension may be continued, subject to the following provisions of this Article, after the child has attained the child's age limit where the child—

(a) is a student or an apprentice; or

(b) is incapable of self-support by reason of an infirmity which arose before he attained the child's age limit;

and the circumstances are such, in the opinion of the Minister, as to justify the award or its continuance.

(2) Subject to paragraph (3) of this Article, an allowance or pension so awarded or continued shall be at the rate and subject to the conditions laid down in the foregoing provisions of this Part.

(3) Where a child in whose case the conditions of Article 32 (5) or 33 are fulfilled has attained the age of 18 years and is incapable of self-support by reason of an infirmity which arose before he attained the child's age limit, the allowance or pension may be awarded at, or if already awarded increased to, a rate

not exceeding £68 a year in the case of an officer's child or 26s. a week in any other case.

35. *Education allowances.*—(1) An allowance in respect of a child of a member of the naval forces may be awarded for the purpose of that child's education if—

(a) the child has attained the age of 5 years; and

(b) the circumstances of the family are such as to require it; and

(c) the Minister is satisfied that the type of education which the child is receiving or is to receive is suitable for the child.

(2) The amount of an education allowance shall be determined by the Minister, but the total payments made in respect of any period of twelve months shall not exceed £80 in respect of any one child.

36. *Awards for ineligible members of the family of unemployable pensioners.*—Where a member of the naval forces was at the date of his death in receipt of an allowance in respect of a child under Article 17 (3) (d) (ii) or in respect of a husband under Article 17 (3) (b), a pension to or an allowance in respect of the child and a pension to the husband may be awarded at the rate and subject to the conditions which would have been appropriate under the foregoing provisions of this Part if the child or husband had been an eligible member of the family.

37. *Pensions to parents.*—(1) Subject to the following provisions of this Article, the parent of a member of the naval forces may be awarded a pension if he is in pecuniary need by reason of old age, or infirmity or other adverse condition which is not merely of a temporary character:

Provided that, where the widow, unmarried dependant living as a wife, or widower of a member is in receipt of a pension under this Part, a pension shall not be awarded under this Article unless the parent was dependent on the member.

(2) In determining whether and to what extent a parent is in pecuniary need, the Minister shall take into account the extent to which the member before and during his service supported the parent, and the extent to which the member, if he had not died, would have been likely, in the opinion of the Minister, to support the parent thereafter.

(3) The rate of a pension under this Article shall be not less than £15 a year where the member was an officer, or 5s. a week in any other case, and shall not exceed—

(a) where the member was a male commissioned officer, whichever is the greater of the following rates, namely—

(i) £75 a year where there is only one eligible parent or £100 a year where there is more than one eligible parent; or

(ii) the appropriate ordinary rate of a widow's pension under the principal regulations;

(b) where the member was a woman with commissioned officer status, £75 a year where there is only one eligible parent or £100 a year where there is more than one eligible parent;

(c) where the member was a warrant officer, £60 a year where there is only one eligible parent or £85 a year where there is more than one eligible parent;

(d) in any other case, 20s. a week where there is only one eligible parent or 27s. 6d. a week where there is more than one eligible parent.

Provided that, in exceptional cases, the rate of the pension may be increased in excess of the foregoing rates by a sum not exceeding:—

(i) where the member was an officer, £20 a year;

(ii) in any other case, 7s. 6d. a week where there is only one eligible parent or 12s. 6d. a week where there is more than one eligible parent.

(4) Where an award to a parent may be made under this Article in respect of the death of two or more members of the naval forces—

(a) one pension only may be awarded under this Article in respect of the death of those members; and

(b) paragraph (2) of this Article shall have effect as if it referred to the support given to the parent by all those members.

(5) Where the conditions for the award of a pension under this Article are fulfilled in the case of more than one parent of a member, a pension may be awarded to whichever parent the Minister

may select and, so long as the award to that parent is in force, a pension shall not be awarded to any other parent of the member:

Provided that, where the parents of the member are not living together, a pension may, if the Minister thinks fit, be awarded to each of them, so, however, that the aggregate rate of the pensions shall not exceed the maximum rate at which a pension under this Article may be awarded.

38. *Pensions to other dependants.*—(1) Subject to the following provisions of this Article, any other dependant of a member of the naval forces may be awarded a pension if he was dependent on the member and is in pecuniary need and incapable of self-support:

Provided that—

(a) Not more than one dependant shall be awarded a pension under this Article in respect of the death of the member except in the case of juvenile dependants, and where an award under this Article to any dependant ceases for any reason to have effect, no award shall be made under this Article to any other person unless that person is the wife or husband of that dependant; and

(b) The decision of the Minister shall be final on any question as to which of two or more dependants who may be eligible should receive a pension under this Article.

(2) A pension awarded under this Article to an other dependant who is not a juvenile dependant shall be at such rate as the Minister may determine, but shall not exceed £54 a year where the member was an officer or 20s. a week in any other case, and shall not, in a case where a pension under Article 37 is in payment to one eligible parent of the member, exceed the maximum which, by virtue of paragraph (4) of this Article, is appropriate in such a case.

(3) A pension awarded under this Article to a juvenile dependant of a member shall be at such rate as the Minister may determine, but shall not exceed—

(a) where the member was a male commissioned officer, £26 a year for each juvenile dependant, so, however, that the aggregate rate of the pensions shall not exceed whichever is the greater of the following rates, namely—

(i) £75 a year; or

(ii) the appropriate ordinary rate of a widow's pension under the principal Regulations;

(b) where the member was a woman with commissioned officer status, £26 a year for each juvenile dependant, so, however, that the aggregate rate of the pensions shall not exceed £75 a year;

(c) where the member was a warrant officer, £20 a year for each juvenile dependant, so, however, that the aggregate rate of the pensions shall not exceed £65 a year;

(d) in any other case, 6s. a week for each juvenile dependant, so, however, that the aggregate rate of the pensions shall not exceed 20s. a week;

and shall not, in a case where a pension under Article 37 is in payment to one eligible parent of the member, exceed the maximum which, by virtue of paragraph (4) of this Article, is appropriate in such a case.

(4) Where a pension under Article 37 is in payment to one eligible parent of the member, the rate of a pension under this Article to another dependant of the member or, as the case may be, the aggregate rate of the pensions to the other dependants of the member, shall not exceed the difference between the rate of the pension of which the parent is in receipt and the maximum rate which would be appropriate in that case under paragraph (3) of Article 37 if there were two eligible parents and the case were treated as an exceptional case under the proviso to that paragraph.

39. *Remarriage of female pensioners, etc.*—(1) Any pension to or allowance in respect of a female person awarded under this Part in respect of the death of a member of the naval forces shall cease if that person marries or cohabits with some other person as his wife.

(2) Where a pension awarded under Article 26 to the widow of an officer or of a sergeant-major of the Royal Marines, or a pension awarded under Article 37 to the female parent of a member of the naval forces, ceases under paragraph (1) of this Article on her marriage, the Minister may, on the death of the husband of that marriage, restore the pension in whole or in part if the circumstances of the widow or parent are, in his opinion, such as to justify its restoration.

(3) Where a pension awarded under Article 26 or 28 to the widow of a rating (not being the widow of a sergeant-major of the Royal Marines) ceases on her marriage, a gratuity equal to one year's pension may be awarded to her.

(4) An allowance under this Part in respect of the child of a member of the naval forces shall not be affected by the cessation under this Article of a pension awarded to any other person in respect of the death of that member.

#### PART VI.—PROVISIONS FOR SPECIAL CLASSES OF DISABLED MEMBERS

##### 40. *Application and interpretation of Part VI.*—

(1) Under this Part of this Order awards may be made where a member of the naval forces suffers disablement which is due to service.

(2) Any condition applicable to an award under Part III shall, where appropriate, be applicable to an award under this Part.

(3) In this Part the following expressions have, unless the context otherwise requires, the meanings hereby respectively assigned to them:—

(a) "disablement addition on a pension basis", in relation to disablement assessed at not less than 20 per cent., means an addition by way of disablement element at the rate of £150 a year for total disablement in the case of a male officer or £125 a year for total disablement in the case of a woman officer or, in either case, at a proportionately lower rate for a lesser degree of disablement;

(b) "disablement addition on a gratuity basis", in relation to disablement assessed at less than 20 per cent., means the gratuity, or weekly allowance with or without a terminal gratuity, which would be appropriate under Article 12;

(c) "regular officer" means an officer on one of the permanent lists of the Royal Navy or Royal Marines, or a Chaplain or Instructor Officer entered under normal conditions;

(d) "regular rating" means a person who, in respect of service (otherwise than as an officer) in the Royal Navy or Royal Marines, is eligible on discharge for an award under the principal Regulations of disablement pension comprising an element in respect of service or rank or both.

41. *Regular officers with permanent commissions.*—A regular officer with a permanent commission (not being an officer to whom Article 42, 43, 44 or 45 applies) may be granted—

(a) the award other than an award at the half-pay rate for which he is eligible under the principal Regulations in respect of service, together with a disablement addition on a pension basis or, as the case may be, a disablement addition on a gratuity basis; or

(b) the appropriate award under Article 11 or 12 if and for so long as it is to his advantage; or

(c) the award for which he is eligible under the principal Regulations.

42. *Regular officers with short service commissions.*—A regular officer serving on a short service commission (not being an officer to whom Article 45 applies) may be granted the appropriate award under Article 11 or 12, in addition to any service gratuity for which he is eligible.

43. *Re-employed officers.*—(1) In this Article "re-employed officer" means an officer with previous commissioned service who has been recalled to service or otherwise taken into employment as a commissioned officer.

(2) Where a re-employed officer is in receipt of retired pay which contains no element in respect of disablement, he may be awarded—

(a) a disablement addition on a pension basis or, as the case may be, a disablement addition on a gratuity basis; or

(b) if and for so long as it is to his advantage, and in lieu of any such retired pay and disablement addition, the appropriate award under Article 11.

(3) Where a re-employed officer was awarded a gratuity in respect of his previous service or was not eligible for any award in respect of his previous service, he may be granted the appropriate award under Article 11 or 12.

(4) Subject to the provisions of this Article, where a re-employed officer is in receipt of retired pay or pension (or both) partly in respect of his previous

service and partly in respect of previous disablement, he may be granted, in lieu of the existing award, either—

(a) a pension consisting of the service element of his existing retired pay or pension (or both) and of a disablement addition on a pension basis, the degree of disablement being assessed by reference to the combined effect of all the injuries which are due to service and to his previous service; or,

(b) if and for so long as it is to his advantage, the appropriate award under Article 11, the degree of disablement being assessed as in subparagraph (a) of this paragraph.

(5) Subject to the provisions of this Article, where a re-employed officer is in receipt of an award in respect of previous disablement and the award contains no element in respect of his previous service, he may be granted, in lieu of the existing award, an award under Article 11, the degree of disablement being assessed by reference to the combined effect of all the injuries which are due to service and to his previous service:

Provided that where the existing award is in respect of disablement due to service in the 1914 World War, or is in respect of disablement due to service before the 1914 World War but is at a rate laid down for disablement due to service in the 1914 World War, he may be granted, in addition to the existing award, an award under Article 11 in respect of the additional disablement which is represented by the difference between the degree of disablement assessed by reference to the combined effect of all the injuries which are due to service and to his previous service, and the degree of disablement on which the existing award is based.

(6) Where, in the case of an officer to whom paragraph (4) or (5) of this Article applies, the disablement due to service is a minor injury specified in Table 1 in the Third Schedule, and the existing award is not increased by the re-assessment of the degree of the disablement by reference to the combined effect of all the injuries which are due to service and to his previous service, the officer may be granted, in addition to the existing award, the appropriate gratuity under Article 12.

44. *Officers with previous commissioned service in Commonwealth forces, etc.*—An officer to whom Article 43 would apply if his previous commissioned service in the forces of any part of the Commonwealth (other than the United Kingdom or the Isle of Man), or in the forces of Burma before the 4th January, 1948, were previous commissioned service for the purposes of that Article may, if and for so long as it is to his advantage, be granted—

(a) a disablement addition on a pension basis or, as the case may be, a disablement addition on a gratuity basis; or

(b) an award equal to the difference between his existing award in respect of his previous service in those forces and the award for which he would have been eligible under Article 43 if that Article had applied to him.

45. *Officers promoted from rating.*—(1) In this Article "officer promoted from rating" means an officer who was, on the 3rd September, 1939, a rating serving on a continuous service engagement or on an engagement to complete time for pension, and who was so serving immediately before being promoted to temporary rank as an officer.

(2) An officer promoted from rating may be granted—

(a) the award for which he is eligible under the principal Regulations in respect of service, together with a disablement addition on a pension basis; or

(b) the appropriate award under Article 11 or 12, if and for so long as it is to his advantage.

(3) An officer to whom the provisions of paragraph (1) of this Article apply, being an officer who, if he had not been disabled on the termination of his service, would have been eligible under the principal Regulations for a gratuity in respect of service, shall, if he ceases to be eligible for a disablement addition on a pension basis, have an option—

(a) to continue to receive retired pay in respect of service; or

(b) to receive, in lieu of such further retired pay and in final settlement, the service gratuity which might otherwise have been granted on the termination of his service, less the difference between the amount of such retired pay which has been issued

and the amount of the payment which would, over the period of such issue, have been made if a life annuity had been purchased, corresponding in value to the service gratuity and determined actuarially according to the officer's age on the date his service terminated:

Provided that—

(i) if the officer is eligible for a gratuity under Article 12, he may receive that gratuity in addition to an award under this paragraph;

(ii) where an award was made under paragraph (2) (b) of this Article as an alternative to an award under paragraph (2) (a) of this Article the provisions of this paragraph shall apply, the amount of retired pay in respect of service which has been issued being treated as the amount which would have been issued under the said paragraph (2) (a).

(4) Where an officer promoted from rating has received a service gratuity and subsequently a claim in respect of his disablement due to service is accepted, he shall have an option—

(a) to refund the service gratuity in one sum and receive the appropriate award under paragraph (2) (a) or (b) of this Article; or

(b) to retain the service gratuity and receive either—

(i) a disablement addition on a pension basis or, as the case may be, a disablement addition on a gratuity basis; or

(ii) the appropriate award under paragraph (2) (a) or (b) of this Article less the annual value of the service gratuity as a life annuity determined actuarially according to his age at the time when he exercises the option:

Provided that the option shall be exercised when acceptance of the claim in respect of disablement is notified and the exercise thereof shall be final

46. *Temporary officers with previous pension.*—(1) In this article "officer with a previous pension" means an officer who, during his service, was in receipt of a pension or similar grant in respect of service in the ranks of the Navy, Army or Air Force, and includes an officer who has, since the termination of his service, been awarded a pension or similar grant in respect of service before the 3rd September, 1939, in the Navy, Army or Air Force.

(2) Where the existing award of an officer with a previous pension contains no element in respect of disablement, he may be awarded—

(a) a disablement addition on a pension basis or, as the case may be, a disablement addition on a gratuity basis; or

(b) if and for so long as it is to his advantage, and in lieu of any such previous pension and disablement addition, the appropriate award under Article 11.

(3) Subject to the provisions of this Article, where the existing award of an officer with a previous pension contains elements in respect both of service and of disablement, he may be granted, in lieu of the existing award, either—

(a) a pension consisting of the service element of the existing award and of a disablement addition on a pension basis, the degree of disablement being assessed by reference to the combined effect of all the injuries which are due to service and to his previous service; or

(b) if and for so long as it is to his advantage, the appropriate award under Article 11, the degree of disablement being assessed as in sub-paragraph (a) of this paragraph.

(4) Subject to the provisions of this Article, where the existing award of an officer with a previous pension is in respect of disablement and contains no element in respect of service, he may be granted, in lieu of the existing award, the appropriate award under Article 11, the degree of disablement being assessed by reference to the combined effect of all the injuries which are due to service and to his previous service.

(5) Where, in the case of an officer to whom paragraph (3) or (4) of this Article applies, the disablement due to service is a minor injury specified in Table 1 in the Third Schedule, and the existing award is not increased by the re-assessment of the degree of disablement by reference to the combined effect of all the injuries which are due to service and to his previous service, the officer may be granted in addition to the existing award the appropriate gratuity under Article 12.

47. *Regular ratings.*—A regular rating (not being a rating to whom Article 48 applies) may be granted the appropriate award under Article 11 or 12, in addition to any award in respect of service or rank (or both) for which he is eligible under the principal Regulations:

48. *Ratings with previous pension.*—(1) In this Article "rating with a previous pension" means a rating who, during his service, was in receipt of a pension or similar grant in respect of service in the Navy, Army or Air Force, and includes a rating who has, since the termination of his service, been awarded a pension or similar grant in respect of service before the 3rd September, 1939, in the Navy, Army or Air Force.

(2) Where the existing award of a rating with a previous pension contains no element in respect of disablement, he may be granted, in addition to the existing award, the appropriate award under Article 11 or 12.

(3) Where the existing award of a rating with a previous pension is wholly or partly in respect of disablement, he may be granted, in addition to any service element (including any rank element) of the existing award, but in lieu of the element thereof in respect of disablement, the appropriate award under Article 11, the degree of disablement being assessed by reference to the combined effect of all the injuries which are due to service and to his previous service.

(4) Where the disablement due to service of a rating with a previous pension is a minor injury specified in Table 1 in the Third Schedule, and the existing award is not increased by the re-assessment of the degree of disablement by reference to the combined effect of all the injuries which are due to service and to his previous service, the rating may be granted in addition to the existing award the appropriate gratuity under Article 12.

49. *Commuted awards.*—Where a member of the naval forces has commuted any part of his previous award or of any element thereof, the amount commuted shall be deducted from any award made under this Order in lieu of the previous award or element.

50. *General provision relating to awards under Part VI.*—Any retired pay, pension, gratuity, disablement addition on a pension basis or disablement addition on a gratuity basis awarded under this Part shall be treated as retired pay or pension awarded under Article 11 or, as the case may be, as a gratuity awarded under Article 12, for the purpose of any reference in any other provision of this Order to retired pay, pension or gratuity awarded under those Articles, and shall be treated as retired pay or pension for the purpose of Part IV:

Provided that—

(a) any award under Article 13 in respect of an eligible member of the family shall be based upon the degree of the disablement which is due to service, so, however, that, where an allowance in respect of that eligible member is being paid as part of the existing award, the aggregate rate of the allowances in respect of that member shall not exceed the rate at which an allowance in respect of that member would be paid if all the injuries had been due to service;

(b) except for the purposes of an award under Article 15, the reference in this Article to retired pay awarded under this Part shall be treated as excluding retired pay awarded under this Part at the half-pay rate.

#### PART VII.—GENERAL PROVISIONS.

51. *Interpretation of Part VII.*—In this Part of this Order, except where the context otherwise requires, the expression "pension" means any retired pay, pension, allowance or other continuing benefit under this Order, and the expression "gratuity" means any gratuity under this Order.

52. *Adjustment of awards in respect of other compensation.*—(1) Where the Minister is satisfied that compensation has been or will be paid to or in respect of a person to or in respect of whom a pension or gratuity is being or may be paid or that any compensation which has been or will be paid will benefit such a person, the Minister may take the compensation into account against the pension or gratuity in such manner and to such extent as

he may think fit and may withhold or reduce the pension or gratuity accordingly.

(2) Where the Minister in any case considers that it is by reason of some act or omission by or on behalf of a person to or in respect of whom a pension or gratuity is being or may be paid that—

(a) there is no compensation to be taken into account against that pension or gratuity under paragraph (1) of this Article; or

(b) the amount of compensation so to be taken into account against that pension or gratuity is less than it would otherwise have been;

and the Minister is of the opinion that such act or omission was unreasonable, the Minister may assess the amount of the compensation which, in his opinion, would have fallen to be taken into account as aforesaid but for such act or omission, and may, for the purpose of paragraph (1) of this Article, treat the amount so assessed as if it were compensation which could be taken into account under that paragraph against that pension or gratuity.

(3) In this Article "compensation" means—

(a) any periodical or lump sum payment in respect of the disablement or death of any person, or in respect of any injury, disease or incapacity sustained or suffered by any person, being a payment—

(i) for which provision is made by or under any enactment, Order in Council (including this Order), Warrant, Order, scheme, ordinance, regulation, or other instrument; or

(ii) which is recoverable as damages at common law; or

(b) any periodical or lump sum payment which, in the opinion of the Minister, is recoverable or payable—

(i) under any enactment, scheme, ordinance, regulation or other instrument whatsoever promulgated or made in any place outside the United Kingdom; or

(ii) under the law of any such place; and is analogous to any payment falling within subparagraph (a) of this paragraph; or

(c) any periodical or lump sum payment made in settlement or composition of, or to avoid the making of, any claim to any payment falling within subparagraph (a) or (b) of this paragraph, whether liability on any such claim is or is not admitted.

53. *Pensioners admitted to institutions.*—Where any person to or in respect of whom a pension or gratuity may be or has been awarded is being maintained in an institution which is supported wholly or partly out of public funds, otherwise than for the purpose of receiving medical, surgical or rehabilitative treatment for a disablement in respect of which a pension or gratuity may be or has been awarded, the Minister may deduct from the pension or gratuity such amount in respect of the maintenance of the person in the institution as he may think fit having regard to all the circumstances of the case, and may pay the amount so deducted to that authority.

54. *Chelsea pensioners.*—Where a member of the naval forces is, by virtue of previous service in the military forces, admitted to Chelsea Hospital as an in-pensioner, his pension shall cease but may be restored in the event of his leaving that Hospital.

55. *Children whose maintenance is otherwise provided for.*—(1) A pension which may be or has been awarded to or in respect of a child may be withheld, or reduced to such an extent as the Minister may think fit, where periodical payments out of public funds are being made to or in respect of the child or the child is being maintained in the Navy, Army or Air Force or in any institution wholly or mainly supported out of public funds.

(2) A pension which may be or has been awarded to or in respect of a child of a woman member of the naval forces, or to or in respect of an illegitimate child of the wife or widow of a male member, or to or in respect of a fosterchild who is illegitimate, may be reduced by the amount of any contributions to the support of the child which are being made by, or which it would be reasonably practicable to obtain from, the father of the child, or, as the case may be, the widower of a woman member.

(3) In this Article "child" includes any person who is for the purposes of any provision of this Order to be treated as a child to or in respect of whom a pension may be or has been awarded.

**56. Payment of public claims out of pensions.**—Where the Minister is satisfied that a sum is due to the Crown, a Secretary of State, a Minister or a Government Department from a person to or in respect of whom a pension or gratuity may be or has been awarded, or that an overpayment has been made to or in respect of any such person by the Crown, a Secretary of State, a Minister or a Government Department, the Minister may deduct from the pension or gratuity in respect of that sum or over payment such amounts and at such times as he may think fit and may apply the amounts so deducted in or towards paying or repaying that sum or over payment.

**57. Administration of pensions, etc.**—(1) A pension or gratuity awarded to or in respect of any person may be administered by the Minister if that person—

(a) has not attained the age of 21 years; or

(b) is, in the opinion of the Minister, incapable of managing his own affairs by reason of mental infirmity; or

(c) is being maintained in an institution to which Article 53 applies; or

(d) is a person in whose case the award can be forfeited or has been restored under Article 58;

or if, in any other case, the Minister considers that it is in the interests of that person that it should be so administered.

(2) A pension or gratuity which is being administered under this Article may, as to the whole or such part thereof as the Minister thinks fit and at such times as he thinks fit, be applied for the benefit of the person to or in respect of whom it has been awarded or be paid to any person whom the Minister considers a fit and proper person so to apply the same.

**58. Forfeiture of pensions, etc.**—(1) Where a person to or in respect of whom a pension or gratuity may be or has been awarded—

(a) is, in pursuance of a sentence or order of a Court upon his being found guilty of an offence, serving a term of imprisonment, detention, preventive detention or corrective training, or detained in a Borstal institution, approved school or remand home; or

(b) is under any enactment deported from, required to leave, or prohibited from entering the United Kingdom or the Isle of Man, or is a person whose certificate of naturalisation has been revoked; or

(c) being a person to or in respect of whom an award of a pension or gratuity may be or has been made under Part V of this Order, is, in the opinion of the Minister, unworthy of a grant from public funds;

the Minister may withhold the award of the pension or gratuity or, if it has been awarded, may direct that it shall be forfeited as from such date (including any past date) as he may think fit.

(2) The Minister may, upon such terms and as from such date (including any past date) as he thinks fit, restore, either in whole or in part, a pension or gratuity forfeited under this Article.

**59. Refusal of treatment.**—(1) Where it is certified that a member of the naval forces should in his own interests receive medical, surgical or rehabilitative treatment for a disablement in respect of which a pension may be or has been awarded to him, and the member refuses or neglects to receive the treatment, the Minister may, if he considers that such refusal or neglect is unreasonable, reduce any pension in respect of the member's disablement by such an amount, not exceeding one-half of any such pension, as he may think fit.

(2) For the purpose of this Article, any misconduct on the part of the member which, in the opinion of the Minister, renders it necessary for any treatment that he is receiving to be discontinued, may be treated as a refusal of the member to receive the treatment.

**60. Failure to draw pension.**—Where a person fails for a continuous period of not less than twelve months to draw his pension, the award may be cancelled and payment of any arrears may be withheld:

Provided that the Minister may, in any particular case, restore the award and pay the arrears either in whole or in part.

**61. Arrears.**—Except in so far as the Minister may otherwise direct with respect to any particular case or class of case, payment of a pension shall not be

made in respect of any period preceding the date of the application or appeal as a result of which the claim to the award of the pension, or as the case may be, to the continuance or resumption of the payment of the pension, is accepted.

**62. Payment of pensions.**—Payment of a pension under this Order may be made provisionally or upon any other basis and for such period as the Minister may think fit and, except as the Minister may direct either generally or in any particular case or class of case, a pension awarded in terms of a weekly amount may be paid weekly in advance and a pension not awarded in such terms may be paid quarterly or monthly in arrear.

**63. Review of awards, etc.**—(1) Where the Minister makes a final assessment of the degree or nature of the disablement of a member of the naval forces, or a final decision that there is no disablement or that the disablement has come to an end, any award under Article 11 or 12 made on the basis of that assessment, or any such final decision, shall not, subject to any decision given by a Tribunal under the Pensions Appeal Tribunals Acts, 1943 and 1949, (6 & 7 Geo. 6, c. 39 and 12 & 13 Geo. 6, c. 12), and to the provisions of this Part, be reviewed unless—

(a) in the case of a final assessment, there is a substantial increase in the degree of disablement which is due to service; or

(b) in the case of a final decision, there is a substantial degree of disablement which is due to service; or

(c) the rate of the pension or other grant has by error been fixed at a figure which is not appropriate under this Order to the assessment of the degree or nature of the disablement; or

(d) the award of the pension or other grant has been made by error; or

(e) the Minister has reason to believe that the award has been obtained by improper means.

(2) Any award under this Order (other than an award made on the basis of such a final assessment as aforesaid) may, subject to any decision given by a Tribunal under the Pensions Appeal Tribunals Acts, 1943 and 1949 (6 & 7 Geo. 6, c. 39 and 12 & 13 Geo. 6, c. 12), be reviewed at any time on any of the grounds specified in paragraph (1) of this Article, or on any other ground which, in the opinion of the Minister, having regard to the provisions of this Order, necessitates its review.

(3) On any review under this Article the Minister may continue or vary the award, or make a fresh award in place of it, or cancel it, or in the case of such a final decision as is mentioned in paragraph (1) of this Article may make an award as may be appropriate having regard to the provisions of this Order.

**64. Power to dispense with probate.**—(1) Where a person to whom any payment could have been made under this Order before his death dies before the payment is made, and the amount unpaid does not exceed £100, the amount so unpaid may be paid to the personal representative of the deceased person without probate or other proof of title, or may be paid or distributed to or among the persons appearing to the Minister to be the persons beneficially entitled to the personal estate of the deceased person, or to or among any one or more of those persons, and, in determining the persons to whom and the proportions in which the amount so unpaid shall be paid or distributed, the Minister may have regard to any payments made or expenses incurred by any such persons for or on account of the funeral of the deceased person.

(2) Where a deceased person has died intestate and he was, or any child of his was or is, illegitimate, the deceased person and any such child shall, for the purposes of this Article, be treated as legitimate.

**65. Administration of this Order.**—This Order shall be administered by the Minister or, as to any particular provision thereof which he may select, by such other person or body acting under his directions as he may direct, and except as otherwise provided by statute, the Minister shall be the sole interpreter of this Order and shall be empowered to issue such instructions with reference thereto as he may from time to time deem necessary.

**66. Transferred powers.**—Nothing contained in this Order shall prejudice or affect any power transferred to the Minister under Section 1 of the Pensions (Navy, Army, Air Force and Mercantile Marine) Act, 1939 (2 & 3 Geo. 6: c. 83).

67. *Commencement of this Order and revocation of previous Orders.*—(1) Subject to the following provisions of this Article, this Order shall be deemed to have come into operation on the 1st June, 1949, in place of the Order of the 4th June, 1946 (S.R. & O. 1946 No. 812), and the two Orders of the 21st May, 1947 which shall cease to have effect from the 1st June, 1949, in respect of any period after that date.

(2) Subject to the following provisions of this Article—

(a) where, on the 31st May, 1949, an allowance granted under Article 12 (4) of the Order of the 4th June, 1946, in respect of an unmarried dependant living as a wife of a member of the naval forces was being paid, that allowance may be continued until the conditions for the grant of an allowance under the said Article cease to be fulfilled;

(b) where an allowance has been continued by virtue of subparagraph (a) of this paragraph until the death of the member of the naval forces, an award may be made under Article 28 of the Order of the 4th June, 1946, if and for so long as the conditions for an award under that Article are fulfilled;

4. Entitlement provisions in respect of part-time service in the Naval Reserve Forces are included. (Articles 4 and 5).

6. The allowance for wear and tear of clothing caused by the use of an artificial limb has been increased. (Article 16).

7. The allowance for unemployable pensioners has been increased from 20s. to 30s. a week. (Article 17.)
