Civil Service Commission.

8th November, 1949.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

RECRUITMENT UNDER NORMAL REGULATIONS OF DRIVING AND TRAFFIC EXAMINERS IN THE MINISTRY OF TRANSPORT.

1. Candidates must have been born on or before 1st January, 1920. The Commissioners have not specified an upper age limit for this Competition. In general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service; and accordingly the Commissioners reserve the right to give weight to this factor in considering candidates for this post who are over 50 years of age.

2. (i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

3. Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) Have at least one parent who is or was at death a British subject; or

(ii) Have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. Candidates must have had a wide experience of driving over the past ten years: certain motoring offences will lead to disqualification. Candidates must know the Highway Code in detail and have a general knowledge of Road Transport Law as it affects the operation of passenger and goods vehicles. Experience in driving tuition, driving testing, conducting interviews, or writing concise and accurate reports, will be an additional advantage.

5. Successful candidates must satisfy the Commissioners as to their health and character.

6. Candidates who appear from their application forms to have the best qualifications and experience will be given a driving test. Those who pass the test will be called before a Selection Board which will recommend to the Commissioners for appointment the candidates who appear most suitable. The decision of the Commissioners will be final. The Selection Board will frame their recommendation on the candidate's record of education and experience, any recommendations that they may receive from

persons named by the candidate as having direct knowledge of their work in the past, and the personal qualities of the candidate as shown at the interview.

7. Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g. the Ministry of Education, The Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

8. Candidates selected for appointment will be required to pay a fee of 15s. before the issue of a certificate of qualification for appointment.

9. Any attempt on the part of the candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment. The Selection Board will disregard recommendations from persons who are not personally acquainted with the candidate's work.

The High Commissioner for India has, with the approval of the Secretary of State for Commonwealth Relations, appointed Mr. Frederick Arthur Jones, Assistant Superintendent, Mercantile Marine Office, Newcastle, to superintend the transfer of Lascars or other persons and to grant the Certificate required under Section 125 of the Merchant Shipping Act, 1894 (57 and 58 Vic. The fee to be paid for every Lascar, or other person in respect of whom such Certificate is applied for, is limited to three shillings and in no case is the total amount of fees in respect of one crew to exceed five pounds.
