Civil Service Commission.

22nd November, 1949.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

RECRUITMENT UNDER NORMAL REGULATIONS TO THE PATENT EXAMINER CLASS IN THE BOARD OF TRADE (PATENT OFFICE) AND THE ADMIRALTY AND PATENT OFFICER CLASS (MINISTRY OF SUPPLY).

1. *Age*.—Candidates must be at least 20 and under 25 years of age on 1st August, 1949. But—

(a) a candidate who has served or is serving on a regular (including a regular short-service) engagement in H.M. Forces may deduct the period of such service from his actual age;

(b) a candidate who has served or is serving voluntarily in H.M. Forces otherwise than on a regular or short-service engagement, or who has performed or is performing compulsory national service under the National Service Acts, may deduct the period of such service from his actual age, up to a maximum of two years;

(c) candidates who have served in any established post to which they were admitted with the Certificate of the Civil Service Commissioners, or who have served on established conditions except for sick leave and pension in a post to which such a certificate would normally apply, may deduct

from their actual age any time not exceeding two years which they have spent in such service before 1st August, 1949.

2. *Sex and Marriage*.—(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established Civil Servants and have drawn marriage gratuity (other than those who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

3. *Nationality*.—Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either:

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in His Majesty's Dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) if naturalised British subjects, they must have resided in His Majesty's Dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) if not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's Dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

Provided that a candidate will not be eligible for an appointment under the Ministry of Supply or the Admiralty unless he or she is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions, except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he or she may be admitted to appointment or competition by special permission of the Minister of Supply or the First Lord of the Admiralty, as the case may be.

4. *Qualifications*.—Each candidate must possess an honours degree in Physics, Chemistry, Electrical Engineering or Mechanical Engineering or an equivalent qualification.

A reading knowledge of one or more foreign languages will be an additional qualification.

5. *Health and Character*.—Successful candidates must satisfy the Commissioners as to their health and character.

6. *Competition*.—Those candidates who appear from their application forms to be eligible and to have the highest qualifications for appointment will be interviewed by a Selection Board, nominated by the Commissioners, on which the Board of Trade will be represented. The Selection Board will have before them the particulars of the candidates' careers and qualifications, and the reports of persons named by the candidates as having direct knowledge of their work and capabilities. The Selection Board will recommend to the Commissioners, in order of merit, those candidates whom they judge to be fitted for appointment. There will be four separate orders of merit, for chemists, physicists, electrical engineers and mechanical engineers. The candidates so selected will be summoned to an examination in English, and those who qualify in this examination will be offered appointments, in order of merit in which they were placed by the Selection Board, up to the number of vacancies available, and subject to their satisfying the Commissioners that they are eligible in all respects.

7. *Candidates trained as Teachers*.—Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

8. *Assignment.*—The Commissioners will decide to which Department each successful candidate is to be assigned. Assignment will be made in accordance with the needs of the public service, but the wishes of candidates will be respected as far as possible.

9. *Canvassing.*—Any attempt on the part of candidates to enlist support for their application through Members of Parliament or other influential persons except as referees to be named by them in their Application Forms, will disqualify them for appointment.

10. *Fee.*—Every candidate undergoing the qualifying examination in English will be required to pay a fee of 10s. on admission to the examination.

Civil Service Commission.

22nd November, 1949.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

REGULATIONS FOR THE RECRUITMENT OF YOUNG MEN WHO HAVE COMPLETED A PERIOD OF COMPULSORY NATIONAL SERVICE FOR GRADE 5 POSTS IN BRANCH B OF THE FOREIGN SERVICE.

1. *Nationality.*—(1) Every candidate must

(a) be a natural-born British subject; and

(b) have been born within the United Kingdom or within one of the self-governing Dominions of parents both of whom were also born within the United Kingdom or within one of the self-governing Dominions.

(2) No departure from this rule will be made without the special permission of the Secretary of State for Foreign Affairs, and then only in exceptional cases and in favour of candidates who are British subjects and who also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

2. *Education.*—No precise educational qualifications are prescribed, but candidates will be expected to have attained the standard of education of persons who have had whole time systematic education up to the age of at least 17 years.

3. *Service.*—Candidates must have completed before the first day of the examination a period of compulsory national service under the National Service Acts; they may not make more than two attempts in all and these must be made not later than the third examination held under these Regulations after the completion of national service. The date officially recorded as the last day of national service is normally the last day of demobilisation or release leave; candidates are not, however, precluded from competing at an examination held during their demobilisation or release leave.

4. *Health and Character.*—Successful candidates must satisfy the Civil Service Commissioners as to their health and character.

5. *Examination.*—The examination will consist of:—

(a) A written examination consisting of papers in English and Arithmetic, three General Papers, and a test of General Intelligence.

(b) An interview before a Selection Board, to which only those who obtain a certain minimum number of marks in the written examination will be summoned.

The final order of merit will be determined by the mark awarded by the Selection Board (out of a maximum of 300). This will take into account the candidate's record, his intelligence and personal qualities,

and his work in the written examination. In the event of a tie between two or more candidates the Commissioners will decide which to declare successful. Before any candidate can be appointed he will be required to establish, in an interview at the Foreign Office, that he has the ability to learn languages and is in other respects suitable for appointment to the Foreign Service.

6. *Candidates Trained as Teachers.*—Candidates who have been trained as teachers and upon whose training public money has been spent, cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

7. *Fee.*—A fee of 15s. is payable by all candidates. This must be sent with the application form, and is not returnable in any circumstances.

The Civil Service Commissioners further give notice that an Open Competitive Examination will be held under the above Regulations commencing on the 16th February, 1950. 1. *Nationality.* Candidates must be British subjects. They must also satisfy one of the following conditions:—

Of the candidates who obtain the highest marks in the written examination a certain number, to be fixed by the Commissioners, will be summoned to an interview at which the Interviewing Board will award each candidate a mark for his record and personal qualities.

The final order of merit will be determined by combining the marks for written examination and interview.

6. *Candidates trained as Teachers.* Candidates who have been trained as teachers and upon whose training public money has been spent, cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.
