FRIDAY, 16 DECEMBER, 1949

At the Court at *Buckingham Palace*, the 15th day of *December*, 1949.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 8th day of December, 1949 (N.L.7066/48) in the words following, viz.:-

"Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted (*inter alia*) that all Pay, Wages, Pensions, Bounty Money, Grants or other Allowances in the nature thereof, payable in respect of services in Your Majesty's Naval or Royal Marine Force to a person being or having been an Officer, Seaman or Marine, shall be paid in such manner and subject to such restrictions, conditions and provisions as are, from time to time, directed by Order in Council:

"And whereas with a view to the avoidance of public loss we consider it desirable that in cases where a person having been in Your Majesty's Naval or Marine Forces owes a judgment debt to the Crown, we should have power to effect recovery of such debt by deductions from any Half-pay, Retired Pay, Pension or other Allowance in the nature thereof payable to that person:

"We therefore beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to direct that any Half-pay, Retired Pay, Pension, or other Allowance in the nature thereof payable to any person having been an Officer, Seaman or Marine of Your Majesty's Naval or Marine Forces shall be liable to deductions of such amounts and at such times and for such periods as we in our direction think fit for the purpose of effecting the recovery in whole or in part of the amount of any judgment debt owing to the Crown by any such person as aforesaid.

"The Lords Commissioners of Your Majesty's Treasury have expressed their concurrence in this proposal."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

E. C. E. Leadbitter.

Civil Service Commission.

16th December, 1949.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

RECRUITMENT UNDER NORMAL REGULATIONS OF SCIENTIFIC OFFICERS IN VARIOUS GOVERNMENT DEPARTMENTS.

1. *Age.* Candidates must be at least 21 and under 28 years of age on 1st August, 1950, i.e., they must have been born on or after 2nd August, 1922, and on or before 1st August, 1929, but

(1) The maximum age limit of 28 is extended to 31 for candidates who hold a permanent appointment in the Experimental Officer Class, i.e., they must have been born on or after 2nd August, 1919, and on or before 1st August, 1929.

(2) A candidate who has served or is serving on a regular (including a regular short-service) engagement in H.M. Forces may for this purpose deduct his period of such service from his actual age.

2. *Sex and Marriage.* (i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established Civil Servants and have drawn marriage gratuity (other than those who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible for appointment under these Regulations to situations in certain Departments which render them eligible for pension and other benefits under the Superannuation Acts, unless they undertake to refund on appointment the marriage gratuity paid.

3. *Nationality.* Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is, or was at death, a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) if not qualified under (a) or (b) of this paragraph, they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

Provided that a candidate will not be eligible for an appointment under the Admiralty, War Office, Air Ministry or Ministry of Supply, unless he or she is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions, except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he or she may be admitted by special permission of the First Lord of the Admiralty, Secretary of State for War, Secretary of State for Air or Minister of Supply as the case may be.

4. *Qualification.* (i) Every candidate must have obtained a university degree in a scientific subject or in Mathematics with first or second class honours or an equivalent qualification:

Provided that the Commissioners may at their discretion admit a candidate with high professional attainments, notwithstanding that he or she may not possess the above qualification.

(ii) A candidate holding a permanent appointment in the Experimental Officer Class who was born on or before 1st August, 1922, and on or after 2nd August, 1919, and who does not fulfil the above requirements may be admitted on the recommendation of the Government Department in which he or she is serving.

(iii) But candidates sitting for their final degree examination at any time during 1950 may be admitted to the competition before the result of the examination is known. A candidate will not, however, be declared successful unless on the result of the examination he or she satisfies Regulation 4 (i) above.

5. *Application.* A candidate may make one, and only one, application under these Regulations during the year 1950.

6. *Health and Character.* Successful candidates must satisfy the Commissioners as to their health and character.

7. *Competition.* (i) The Commissioners may at their discretion summon candidates to a preliminary informal interview.

(ii) Likely candidates will be chosen, on the basis of the information available, to appear before a Selection Board appointed by the Commissioners. The Selection Board in making their recommendations to the Commissioners, and the Commissioners in making their final decision, will give weight to the candidate's capacity or potentiality for original research or development work; and they will as a rule expect this quality to be demonstrated in a candidate's record. The decision of the Commissioners will be final.

8. *Candidates trained as teachers.* Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g. the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

9. *Assignment.* It will rest with the Commissioners to determine the Department to which each

successful candidate shall be assigned. In making the assignments the Commissioners will be guided by the requirements of the public service but the wishes of the candidates will be met as far as possible.

10. *Canvassing.* Any attempt on the part of candidates to enlist support for their application through Members of Parliament or other influential persons, except as referees to be named by them in their Application Forms, will disqualify them for appointment.

11. *Fee.* A successful candidate will be required to pay a fee of £1 10s. 0d. before the issue of a certificate of qualification for appointment.

12. These regulations, which are issued by the Civil Service Commissioners with the approval of the Treasury, apply to the competition to be held during 1950. The regulations are liable to alteration for subsequent competitions, but in general they are expected to be similar, except for the governing date for age in Regulation 1; this will be the 1st August of the year in which the competition is held.

Civil Service Commission,

16th December, 1949.

But a candidate who has served or is serving on a regular (including a regular short-service) engagement in H.M. Forces, may for this purpose deduct his period of such service from his actual age.
