14th April, 1950.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

REGULATIONS FOR THE RECRUITMENT OF H.M. INSPECTORS OF FACTORIES (CLASS II), MINISTRY OF LABOUR AND NATIONAL SERVICE.

1. (i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

2. Candidates must be at least 21 and under 30 years of age on the 1st January, 1950. But

(a) a candidate who has served or is serving on a regular (including a regular short-service) engagement in H.M. Forces may deduct the period of such service from his actual age;

(b) a candidate who has served or is serving in H.M. Forces otherwise than on a regular or short-service engagement may deduct the period of such service from his actual age, up to a maximum of two years;

(c) older candidates having exceptionally suitable qualifications may be considered if they were under 34 years of age on the 1st January, 1950.

3. Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either;

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

Candidates must satisfy the Civil Service Commissioners that they have such experience and have received such systematic education, general or technical, or general and technical together, as in the opinion of the Commissioners fits them for the post. In general candidates must be university graduates. Applications will, however, be considered from candidates who expect to obtain the appropriate qualifications in the summer of 1950, but such candidates cannot be declared successful unless they then obtain the necessary qualifications. In the absence of a university degree, candidates must have comparable technical qualifications in engineering or science, but the Commissioners may dispense with this requirement in the case of a candidate who appears

to them to be exceptionally well fitted by reason of considerable works or other special practical experience.

5. Those candidates who appear from their application forms to have the best qualifications will be summoned to a short written examination in English. Two papers will be set; in one candidates will be asked to write an essay or report; in the other they will be required to show their ability to understand a passage of English prose. The Board will take into consideration the candidates' record of education and experience, any recommendation that they may receive from persons named by the candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview, and on their estimation of the above evidence they will frame their recommendations. The decision of the Commissioners will be final.

6. Successful candidates must satisfy the Civil Service Commissioners as to their health and character.

7. Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

8. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons (except as referees to be named by them in their application form) will disqualify them for appointment. The Selection Board will disregard recommendations from persons who are not personally acquainted with the candidates work.

9. An application fee of 5s. is payable by all candidates; this must be sent in with the application form and is not returnable in any circumstances. A successful candidate will be required to pay a further fee of £1 5s. 0d. being the balance of the prescribed fee of £1 10s. 0d. before the issue of a certificate of qualification for appointment.
