*Civil Service Commission.*

26th May, 1950.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

**RECRUITMENT UNDER NORMAL REGULATIONS OF ASSISTANT COMMISSIONERS IN THE NATIONAL SAVINGS COMMITTEE.**

1.—(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced,

or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

2. Candidates must be at least 25 years of age on the 1st April, 1950. But candidates at least 21 and under 25 years of age on that date may be admitted at the discretion of the Civil Service Commissioners if they have exceptionally suitable qualifications.

The Commissioners have not specified an upper age limit. In general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service; and accordingly the Commissioners reserve the right to give weight to this factor in considering candidates for these posts who are over 50 years of age.

3. Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing, or residence, or by reason of national service, that an exception may properly be made in their favour.

4. Candidates must satisfy the Civil Service Commissioners that they have received such systematic education and have gained such experience as fits them for the post. A University education and a knowledge of economics are desirable. Experience of public speaking, supervision of office procedure, and organisation of work with the public, will be an advantage.

5. Those candidates who appear from their application forms to have the best qualifications will be summoned to (a) a preliminary informal interview and (b) an interview before a Selection Board, who will recommend to the Commissioners for appointment the candidates who appear to them to possess the highest qualifications. The decision of the Commissioners will be final. The Selection Board will take into consideration a candidate's record of experience and education, any recommendations that they may receive from persons named by candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview; and on their estimation of the above evidence they will frame their decision.

6. Successful candidates must satisfy the Civil Service Commissioners as to their health and character.

7. Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

8. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons (except as referees to be named by them in their application form) will disqualify them for appointment. The Selection Board will disregard recommendations from persons who are not personally acquainted with the candidate's work.

9. A successful candidate will be required to pay a fee of £1 10s. before the issue of a certificate of qualification for appointment.
