VETERINARY OFFICERS AND RESEARCH OFFICERS
UNDER THE MINISTRY OF AGRICULTURE AND
FISHERIES.

1. Age.

Candidates must be at least 23 and under 35 years of age on 1st January, 1950. But a candidate who

has served or is serving on a regular (including a regular short service) engagement in H.M. Forces may for this purpose deduct the period of such service from his actual age.

2. Sex and Marriage.

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established Civil Servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before the 15th October, 1946, or who are widows or divorced or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible for appointment under these Regulations to the situation of Veterinary Officer unless they undertake to refund on appointment the marriage gratuity paid.

3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural born British subjects, they must either—

(i) have at least one parent who is, or was at death, a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph, they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing, or residence, or by reason of national Service, that an exception may properly be made in their favour.

4. Qualification.

(a) Candidates for appointment as Veterinary Officer must have graduated as Members of the Royal College of Veterinary Surgeons and have had at least one year's practical experience in some recognised branch of the veterinary profession after graduation.

(b) Candidates for appointment as Research Officer should normally be Members of the Royal College of Veterinary Surgeons but in exceptional cases this qualification may be dispensed with in view of the special requirements of the Ministry of Agriculture and Fisheries and the special qualifications of a candidate. Preference will be given to those candidates who have had post-graduate experience in Laboratory research work or in some other recognised branch of the Veterinary Profession.

5. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

6. Competition.

The Commissioners may summon to appear before a Selection Board all who are found to be *prima facie* eligible, or may, if they see fit, summon only those whose qualifications and experience are considered to be most suitable. The Selection Board will take into consideration the candidates' record of experience and education, any recommendation from persons named by the candidates as having direct knowledge of their work, and the personal qualities of the candidates as shown at the interview; and on their estimation of all the above facts they will frame their recommendations. The decision of the Commissioners will be final.

7. Candidates trained as Teacher.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g. the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

8. Canvassing.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons except as

referees to be named by them in their Application Forms, will disqualify them for appointment. The Selection Board will disregard recommendations from persons who are not personally acquainted with the candidates' work, whether at school, in the Forces or otherwise.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

RECRUITMENT UNDER NORMAL REGULATIONS OF VEHICLE EXAMINERS IN THE MINISTRY OF TRANSPORT.

1. Age.

Candidates must have been born on or before 1st July, 1920. The Commissioners have not specified an upper age limit for this Competition. In general, however, Government Departments require a reasonable period of service from persons newly appointed

to the Civil Service; and accordingly the Commissioners reserve the right to give weight to this factor in considering candidates for these posts who are over 50 years of age.

2. Sex and Marriage.

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established Civil Servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

They should have good practical experience of the construction and repair of both goods and public service vehicles and of the driving of such vehicles. They should know the Highway Code in detail. They must be capable of working without immediate supervision and able to write reports in a clear and concise manner.

The possession of a Higher National Certificate in Mechanical Engineering or evidence of an equivalent standard of technical education or specialist qualification will be an advantage.

5. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

6. Competition.

Candidates who appear from their application forms to have the best qualifications and experience will be called before a Selection Board consisting of representatives of the Civil Service Commissioners and of the Ministry of Transport, which will recommend to the Civil Service Commissioners for appointment the candidates who appear most suitable. The Selection Board will frame their recommendation on the candidate's record of education and experience, any recommendations that they may receive from persons named by the candidate as having direct knowledge of their work in the past, and the personal qualities of the candidate as shown at the interview. The Civil Service Commissioners may, at their discretion, require a candidate to take a practical test to satisfy them as to his technical knowledge and driving ability. The driving test will be the same test as given to applicants for a P.S.V. (all types) licence. The decision of the Civil Service Commissioners will be final.

7. Candidates trained as Teachers.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.
