CENTRAL CHANCERY OF THE ORDERS OF KNIGHTHOOD.

St. James's Palace, S.W.1.

7th July, 1950.

The KING has been graciously pleased to approve the award of the George Medal to:—

3059642 Leading Aircraftman Peter Frank ANDERSON,
Royal Air Force, Royal Air Force Station, Calshot.

During the course of salvage operations on a Sunderland aircraft at Calshot on the 23rd February, 1950, it was necessary to remove a quantity of marine markers from the half submerged hull in order to minimise the danger of fire and explosion of the damaged petrol tanks which contained 1,200 gallons of fuel. Two airmen were working on the flying boat when it suddenly burst into flames and they were blown into the water under the wing. In a matter of seconds the aircraft was ablaze from end to end. Leading Aircraftman Anderson, a coxswain, was passing the flying boat in his marine tender at the time. With complete disregard for his own safety he immediately took his tender alongside the blazing aircraft and rescued the two airmen. Had he hesitated for a moment, these airmen would have been overcome by the heat and fumes and would have perished. Leading Aircraftman Anderson must have been fully aware of the danger of the petrol tanks exploding and his wooden-hulled craft being surrounded by blazing petrol. He displayed courage and initiative in keeping with the highest traditions of the Royal Air Force.

RECRUITMENT UNDER NORMAL REGULATIONS TO THE PATENT EXAMINER CLASS IN THE BOARD OF TRADE (PATENT OFFICE) AND ADMIRALTY AND PATENT OFFICER CLASS IN THE MINISTRY OF SUPPLY.

1. Age.

Candidates must be at least 20 and under 25 years of age on 1st August, 1950. BUT—

(a) a candidate who has served or is serving on a regular (including a regular short-service)

engagement in H.M. Forces may deduct the period of such service from his actual age;

(b) a candidate who has served or is serving in H.M. Forces otherwise than on a regular or short service engagement, may deduct the period of such service from his actual age, up to a maximum of two years;

(c) candidates who have served in any established post to which they were admitted with the Certificate of the Civil Service Commissioners, or who have served on established conditions except for sick leave and pension in a post to which such a certificate would normally apply, may deduct from their actual age any time not exceeding two years which they have spent in such service before 1st August, 1950.

2. Sex and Marriage.

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established Civil Servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before the 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either:

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

Provided that a candidate will not be eligible for an appointment under the Ministry of Supply or the Admiralty unless he or she is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions, except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he or she may be admitted to competition or appointment by special permission of the Minister of Supply or the First Lord of the Admiralty, as the case may be.

4. Qualifications.

Each candidate must possess an honours degree in Physics, Chemistry, Electrical Engineering or Mechanical Engineering or an equivalent qualification; a general honours degree in subjects including physics or chemistry will be acceptable. A candidate who is sitting for his final degree examination in the summer of 1950 may be admitted to compete, but he will not be declared successful unless he obtains an Honours degree in his final degree examination.

A reading knowledge of one or more foreign languages will be an additional qualification.

5. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

6. Competition.

Those candidates who appear from their application forms to be eligible and to have the highest qualifications for appointment will be interviewed by a Selection Board, nominated by the Commissioners, on which the employing departments will be represented. The Selection Board will have before them the particulars of the candidates' careers and qualifications, and the reports of persons named by

the candidates as having direct knowledge of their work and capabilities. The Selection Board will recommend to the Commissioners, in order of merit, those candidates whom they judge to be fitted for appointment. There will be four separate orders of merit, for chemists, physicists, electrical engineers and mechanical engineers. The candidates so selected will be summoned to an examination in English, and those who qualify in this examination will be offered appointments, in order of merit in which they were placed by the Selection Board, up to the number of vacancies available, and subject to their satisfying the Commissioners that they are eligible in all respects.

7. Candidates trained as Teachers.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

8. Assignment.

The Commissioners will decide to which Department each successful candidate is to be assigned. Assignment will be made in accordance with the needs of the public service, but the wishes of candidates will be respected as far as possible.

9. Canvassing.

Any attempt on the part of candidates to enlist support for their application through Members of Parliament or other influential persons except as referees to be named by them in their Application Forms, will disqualify them for appointment.

10. Fee.

Every candidate undergoing the qualifying examination in English will be required to pay a fee of 15s. on admission to the examination.
