#### 9. Assignment.

Assignments will be made by the Civil Service Commissioners in accordance with the needs of the public service. Successful candidates who are unable to take up the appointment offered to them cannot be maintained on the waiting list or offered an alternative post, unless in exceptional circumstances and at the discretion of the Commissioners.

#### 10. Fee.

No fee is payable until the candidate is successful, but a successful candidate will pay a fee of 5s. before the issue of a certificate of qualification for appointment.

### Civil Service Commission.

6th February, 1951.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

#### RECRUITMENT UNDER NORMAL REGULATIONS OF MEDICAL OFFICERS (GENERAL SERVICE CLASS) IN GOVERNMENT DEPARTMENTS.

##### 1. Age.

Every candidate must be at least 28 years of age on the 1st December, 1950. The Commissioners have not specified an upper age limit for this competition. In general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service; and accordingly the Commissioners reserve the right to give weight to this factor when considering candidates for these posts who are over 50 years of age.

##### 2. Sex and Marriage.

(i) Both men and women may compete under these Regulations, except that in the Prison Commission some vacancies will be available for men only and some for women only.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before the 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

##### 3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is, or was at death, a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph, they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

A 2

Provided that a candidate will not be eligible for appointment to the Ministry of Supply, unless he or she is a natural born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions, except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he or she may be admitted to appointment or competition by special permission of the Minister of Supply.

#### 4. Qualification.

Every candidate must be a fully qualified and registered medical practitioner. It is desirable that candidates should have particular qualifications or experience appropriate to the special requirements of one or more of the Departments in which vacancies are likely to arise, as stated below; but all candidates should state in their applications the nature of any medical work in which they have special qualifications or experience.

*Ministry of Civil Aviation.*—Candidates should be versed in and have experience of the methods of medical examination to determine fitness for duty as an operating member of the crew of an aircraft. Experience in the making of assessments of such fitness would be an advantage. They should have a good knowledge of general aviation medicine and have experience of its administrative aspects.

*Ministry of National Insurance.*—Candidates should have had previous administrative experience in one or more of the following: industrial medicine; public health; medical boarding.

*Ministry of Pensions.*—Candidates should have held House appointments in general (preferably teaching) hospitals and possess wide clinical experience.

*Prison Commission.*—Candidates should have had psychiatric experience and have held House appointments.

*Ministry of Supply.*—Experience of industrial medicine or analogous work in the Services while not absolutely essential would be an advantage.

#### 5. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

#### 6. Competition.

The Commissioners may summon to appear before a Selection Board all who are found to be *prima facie* eligible, or may, if they see fit, summon only those whose qualifications and experience are considered to be most suitable. The Selection Board will take into consideration the candidate's record of experience and education, any recommendations from persons named by the candidates as having direct knowledge of their work, and the personal qualities of the candidates as shown at the interview; and on their estimation of all the above facts they will frame their recommendations. The decision of the Commissioners will be final.

#### 7. Candidates Trained as Teachers.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g. the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

#### 8. Assignment.

The Commissioners will decide to which Government Department each successful candidate is to be assigned. A candidate who declines to accept the post offered will have no claim to be assigned to another but will be regarded as having declined appointment. Assignments will be made in accordance with the needs of the public service, but the wishes of candidates will, where possible, be taken into account.

#### 9. Canvassing.

Any attempt on the part of the candidates to enlist support for their applications through Members of Parliament or other influential persons except as referees to be named by them in their Application Forms, will disqualify them for appointment.

#### 10. Fee.

A successful candidate will be required to pay a fee of £1 10s. before the issue of a certificate of qualification for appointment.
