Civil Service Commission,

23rd February, 1951.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury:—

RECRUITMENT TO THE NATIONAL AGRICULTURAL ADVISORY SERVICE, MINISTRY OF AGRICULTURE AND FISHERIES.

1. Age.

Candidates must on 1st August, 1951, be at least 18 years of age for appointment to Grade B, at least 20½ years of age for appointment to Grade IV(a) or Grade IV(b), at least 25 years of age for appointment to Grade III, at least 28 years of age for appointment to Grade A, and at least 31 years of age for appointment to Grade I or Grade II. Provided that a candidate under 25 years of age on 1st August, 1951 may be accepted for appointment to Grade III if he is exceptionally well qualified.

There is no upper age limit specified for this Competition, but in general, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service, and accordingly weight may be given to this factor in considering candidates for these posts who are over 50 years of age.

2. Sex and Marriage.

(i) Both men and women, including married women, may compete under these regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible for appointment under these Regulations to situations which render them eligible for pension and other benefits under the Superannuation Acts, unless they undertake to refund on appointment the marriage gratuity paid.

3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural born British subjects, they must either

(i) have at least one parent who is, or was at death, a British subject, or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown, for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may be properly made in their favour.

4. Qualification.

(a) Candidates must normally possess a University degree in agriculture, dairying, horticulture, or the appropriate natural sciences, or engineering, or a National Diploma in appropriate subjects, or a qualification accepted by the Commissioners as of equivalent academic standard. In addition candidates for general agriculture (Section III 1), horticulture (Section III 2) or husbandry (Section III 3) posts should normally have had appropriate practical experience, and for posts at Experimental Husbandry Farms and Horticulture Stations should preferably have some knowledge of experimental technique.

Applications will be entertained, exceptionally, from persons without formal qualifications, provided that they possess sufficient experience of practical farming or horticulture and, preferably, experience of advisory work. Where subjects are not covered by degree courses preference will be given to candidates with the best available academic or professional qualifications.

(b) Candidates sitting for their final examinations in the summer of 1951 may be admitted to this competition; a candidate will not, however, be appointed unless on the result of the examination he or she satisfies Regulation 4 (a) above.

(c) Ability to drive a motor car is necessary for almost all posts in the Service, and candidates are normally expected to hold a current driving licence or to show that there are no reasons to prevent them from obtaining one.

5. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

6. Competition.

Candidates who appear from their applications to have the best qualifications will be summoned to a Selection Board in London consisting of representatives of the Civil Service Commissioners and the Ministry of Agriculture and Fisheries. The Selection Board will take into consideration the candidates' record of education, training and experience, with due regard to loss of opportunity and professional knowledge by those who have served in the Forces, any recommendation that they may receive from persons named by candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the Interview. The Selection Board will recommend the grades in which successful candidates should be offered appointment. The decision of the Commissioners will be final.

The Selection Board will recommend the grade in which a successful candidate should be offered

appointment, and reserve the right to recommend a candidate to a grade other than that for which he has applied. In such circumstances, the candidate will, wherever possible, be informed before being summoned for interview.

7. Candidates Trained as Teachers.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g. the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

8. Canvassing.

Any attempt on the part of candidates to enlist support for their application through Members of Parliament or other influential persons, except as referees to be named by them on their application forms, will disqualify them for appointment.

9. Fee

A successful candidate will be required to pay the appropriate fee before the issue of a Certificate of Qualification for appointment, viz.:—

	£	s.	d.
Grade I, II or III	1	10	0
Grade IV(a) or IV(b)	1	2	6

(c) candidates who have served in any established post to which they were admitted with the Certificate of the Civil Service Commissioners, or who have served on established conditions except for sick leave and pension in a post to which such a certificate would normally apply, may deduct from their actual age any time not exceeding two years which they have spent in such service before 1st March, 1951.

2. Sex and Marriage.

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established Civil Servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.
