Privy Council Office, 22nd June, 1951.

UNIVERSITIES OF OXFORD AND CAMBRIDGE ACT, 1923.

Statutes made by Newnham College, in the University of Cambridge, on the 19th June, 1951, have been submitted for the approval of His Majesty in Council, and notice of their having been so submitted is published in accordance with the provisions of "The Universities of Oxford and Cambridge Act, 1923."

Privy Council Office,

22nd June, 1951.

Notice is hereby given that a Petition has been presented to His Majesty in Council by the Urban District Council of Solihull, in the Administrative County of Warwick, praying for the grant of a MUNICIPAL CHARTER OF INCORPORATION; and notice is hereby further given that the said petition will be taken into consideration by a Committee of the Lords of His Majesty's Most Honourable Privy Council, on or after the 7th day of August, 1951.

CENTRAL CHANCERY OF THE ORDERS OF KNIGHTHOOD.

St. James's Palace, S.W.1.

22nd June, 1951.

The KING has been graciously pleased to give orders for the following appointment to the Most Excellent Order of the British Empire:—

To be an Additional Member of the Military Division of the said Most Excellent Order:—

No. 5616124 Warrant Officer Class II Frederick Charles PHILLIPS, Corps of Royal Engineers.

On the 22nd of November 1950, a commercial ship the s.s. "Eastern Med" was loading a consignment of 900 tons, made up of 40,000 jerry-cans, of M.T. 70 at No. 3 Berth, Deep Water Berth, the Military Docks, Adabiya.

At 08.50 hours a petrol fire broke out on board the ship. During the course of Fire Fighting the vessel broke away at the forward end and drifted away from the quay due to the strong wind. W.O. II Phillips was requested to try and make fast a line to the anchor chain and then winch the ship back to the quay. By this time, the heat from the burning ship was terrific. Explosions were occurring all the time which threw jerry-cans of burning petrol some 20 feet out of the ship's hold and overside. There was serious risk of a major explosion.

W.O. II Phillips with complete disregard for his own safety and the risk of explosion carried out the request made to him. He rowed out to the ship, made fast a line to the anchor chain and brought it ashore. It was entirely due to his magnificent courage that the ship was brought back alongside the quay which allowed the fire to be fought and finally brought under control.

(i) Both men and women are eligible, provided that the number of vacancies available for women may be restricted.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before the 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

(c) If not qualified under (a) or (b) of this paragraph, they must satisfy the Commissioners that

they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

6. Candidates trained as Teachers

Candidates who have been trained as teachers and upon whose training public money has been spent, cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

7. Fee

A fee of 12s. 6d. is payable by all candidates. This must be sent with the application form, and is not returnable in any circumstances.

The Civil Service Commissioners further give notice that an Open Competition will be held under the above Regulations commencing on the 11th September, 1951.

Civil Service Commission.

22nd June, 1951.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

RECRUITMENT UNDER NORMAL REGULATIONS OF ASSISTANT KEEPERS IN THE SCOTTISH RECORD OFFICE.

1. (i) Both men and women may compete under these regulations.

(ii) Married women who have formally been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

2. Age.

(i) Candidates for the post of Assistant Keeper I must be at least 30 years of age on 1st January, 1951. The Commissioners have not specified an upper age limit for this post; in general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service; and accordingly the Commissioners reserve the right to give weight to this factor in considering any candidates for the post who are over 50 years of age.

(ii) Candidates for the post of Assistant Keeper II must be at least 22 and under 26 years of age on 1st January, 1951, with the proviso that exceptionally well qualified candidates of 26 or over may be admitted with the approval of the Commissioners. But

(a) a candidate who has served or is serving on a regular (including a regular short service) engage-

ment in H.M. Forces may deduct the period of such service from his actual age;

(b) a candidate who has served in H.M. Forces otherwise than on a regular engagement may deduct the period of such service from his actual age, up to a maximum of two years;

(c) a candidate who has served in any established post to which he was admitted with the Certificate of the Civil Service Commissioners, or who has served on established conditions except for sick leave and pension in a post to which such a certificate would normally apply, may deduct from his actual age any time not exceeding two years which he may have spent in such service.

3. Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects they must either

(i) have at least one parent who is or was at the time of death a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate Central Education authority (e.g. the Scottish Education Department, the Ministry of Education, the Ministry of Education for Northern Ireland) has been notified to the Civil Service Commissioners.

5. Candidates must possess a University degree with at least second class honours in History (preferably including Scottish History) or in Law (preferably including Scots Law); they must also have a good knowledge of Latin and some knowledge of French.

6. Candidates who appear from their application forms to have the best qualifications and experience will be required to attend before a Selection Board, who will recommend for the vacancies existing those candidates who seem most suitable. The decision of the Civil Service Commissioners will be final.

7. Any attempt on the part of candidates to enlist support for their application through Members of Parliament or other influential persons (except as referees to be named by them in their application form) will disqualify them for appointment. The Selection Board will disregard recommendations from persons who are not personally acquainted with the candidate's work, whether at school, at the University or otherwise.

8. The appointment of the selected candidates will be subject to their satisfying the Commissioners as to their eligibility in respect of age, nationality, health and character, and will not be confirmed unless and until they have passed the prescribed period of probation to the satisfaction of the Keeper of the Records of Scotland.

9. A successful candidate will be required to pay a fee of £1 10s. 0d. before the issue of a certificate of qualification for appointment.

Civil Service Commission.

22nd June, 1951.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

RECRUITMENT UNDER NORMAL REGULATIONS TO THE INFORMATION OFFICER CLASS IN THE HOME CIVIL SERVICE.

1. Age.

The Commissioners have not specified age limits for this competition. In general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service; and accordingly the Commissioners reserve the right to give weight to this factor in considering

candidates for these posts who are over 50 years of age.

2. Sex and Marriage.

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) if natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing, or residence, or by reason of national service, that an exception may properly be made in their favour.

Provided that a candidate will not be eligible for an appointment under the Admiralty, Air Ministry, or Ministry of Supply unless he or she is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions, except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he or she may be admitted to competition or appointment by special permission of the First Lord of the Admiralty, Secretary of State for Air, or Minister of Supply, as the case may be.

4. Qualifications.

All the posts call for a good standard of general education, a lively interest in current affairs, and a wide general knowledge. Knowledge of the functions of Government Departments and of procedures and conditions in H.M. Forces will be an advantage. In addition candidates are required to have experience, varying in degree according to the grading of the post, in one or more of the following fields:—

(a) General Publicity Work.

Organising ability; experience in the organisation of publicity campaigns and services; and experience—in the distribution, and (for some posts) the preparation, of publicity material.

(b) Journalism and Book-editing.

Wide experience in journalism; an understanding of news values; the capacity to assist in the planning and production of Press material of all kinds for use by the press at home and overseas together with an appreciation of the requirements of the appropriate audience. Experience in the handling of publicity or in editorial work on periodical or book publication is desirable for some posts.

(c) Exhibitions.

Organising ability and experience in exhibition work. The Senior Information Officer post is concerned with publicising the British Industries Fair and co-ordinating arrangements between Government Departments and others concerned. It requires experience of creating material in one or more media. The requirements of the other posts include either preparation of working drawings and specifications and dealing with contractors or the provision of physical exhibits, models, photographs, etc., and co-ordination of programmes of production.

(d) Documentary Films.

Organising ability combined with knowledge of, and interest in, the use of documentary films as a medium of publicity and of their production.

(e) Social Research.

The Senior Information Officer post requires first hand experience in the organisation of, and reporting on, social research with ability to handle statistical material and to devise research projects in new fields: some knowledge of the research requirements of Government Departments would be an advantage.

The Assistant Information Officer posts require experience of social research combined with special knowledge of one of the social sciences or of any of the processes employed in preparing social surveys or in handling and analysing the results of survey enquiries (i.e. coding, computing and tabulating).

(f) Preparation of Reference Material.

Education of University standard and experience in research; preparation of reference papers and/or basic information for lectures, broadcasts, and reports, dealing with political, economic, and allied subjects; knowledge of source material and ability to write factually and concisely.

(g) Illustration Research.

Experience in subject and picture research for illustration and of the selection and use of photographs for information purposes.

(h) Advertising.

Experience of poster or direct mail advertising or of general advertising agency work.

(i) Printing Processes.

Knowledge of printing processes, paper, and estimating costs for high quality printing or experience as a reader in the printing trade.

Special knowledge or experience is desirable in certain Departments as follows:—

Admiralty—background of experience in the Navy.

Colonial Office—knowledge and preferably first-hand experience of the Colonies or of the Colonial Press.

Ministry of Food—(Information Officer post) knowledge of dietetics and nutritional matters.

Ministry of Health—knowledge of legislation and policy in regard to health.

National Savings Committee—Experience in budgeting.

Scottish Home Department—knowledge of Scottish social and industrial affairs.

Ministry of Supply—knowledge of industrial journalism.

Treasury—thorough understanding of economic affairs and (for the Senior Information Officer post) preferably an academic qualification in economics.

5. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

6. Competition.

The Commissioners may summon to appear before a Selection Board all who are found to be *prima facie* eligible, or may, if they see fit, summon only those whose qualifications and experience are considered to be most suitable. The Selection Board will take into consideration the candidates' record of experience and education, any recommendation from persons named by the candidates as having direct knowledge of their work, and the personal qualities of the candidates as shown at the interview; and on their estimation of all the above facts they will frame their recommendations. The Board may recommend a candidate for a grade or type of post other than that for which he has applied. The decision of the Commissioners will be final.

7. Candidates trained as Teachers.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g. the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

8. Assignment.

The Commissioners will decide to which Government Department each successful candidate is to be

assigned. A candidate who declines to accept the post offered will have no claim to be assigned to another, but will be regarded as having declined appointment. Assignments will be made in accordance with the needs of the public service, but the wishes of candidates will, where possible, be taken into account.

9. Canvassing.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their Application Forms, will disqualify them for appointment.

10. Fee.

A successful candidate will be required to pay a fee of £1 10s. 0d. before the issue of a certificate of qualification for appointment.
