##### 5. *Health and Character.*

Successful candidates must satisfy the Commissioners as to their health and character.

##### 6. *Competition.*

The Commissioners may summon to appear before a Selection Board all who are found to be prima facie eligible, or may, if they see fit, summon only those whose qualifications and experience are considered to be most suitable. The Selection Board will take into consideration the candidates' record of education and experience, any recommendations from persons named by the candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview; and on their estimation of all the above facts they will frame their recommendations. The Selection Board will recommend for appointment to a particular grade those candidates who are eligible for more than one grade. The decision of the Commissioners will be final.
