CENTRAL CHANCERY OF THE ORDERS OF KNIGHTHOOD.

St. James's Palace, S.W.1.

7th September, 1951.

The KING has been graciously pleased to give orders for the following appointment to the Most Excellent Order of the British Empire:—

To be an Additional Member of the Military Division of the said Most Excellent Order:—

Flight Lieutenant Joseph Charles Laurier Roger LABELLE (59378), Royal Air Force, No. 224/269 Squadron.

Flight Lieutenant Labelle was the Signaller aboard an Anson aircraft which was forced to alight on very heavy seas in the Atlantic west of Tangier on the 10th March, 1951. Without warning from his captain he originated an S.O.S. message on the W/T and received an acknowledgement before the aircraft struck the water. The aircraft sank before the "J" type dinghy was fully inflated, all six occupants being swept into the sea, one becoming entangled, head

downwards, in a dinghy rope. Despite the fact that he was carrying the dinghy radio in one hand, Flight Lieutenant Labelle assisted the captain to free the entanglement, to right the dinghy and to assist into it all but one of the crew who was swept away and subsequently found drowned, only relinquishing the radio when it was taken aboard. He then played a very full part in making the dinghy seaworthy and for more than three hours, during which he was almost continuously seasick, he alternately attempted to work the radio, to bale out and to throw himself about the dinghy in order to prevent it capsizing in the 30-40 foot waves. When located by a French destroyer, he gave his captain every assistance in the hazardous operation of boarding this ship. Throughout the incident, he remained calm and efficient and lived up to the highest traditions of the Service. There is little doubt that his bravery under very trying circumstances was instrumental in the survival of five of the six occupants of the aircraft.
