(b) candidates who have served in any established post to which they were admitted with the Certificate of the Civil Service Commissioners, or who have served on established conditions except for sick leave and pension in a post to which such a Certificate would normally apply, may deduct from their actual age any time not exceeding two years which they may have spent in such service.

##### 3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either
