The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

Recruitment under Normal Regulations of Sea Transport Officer (Male) in the Ministry of Transport.

1. Age.

Candidates must be at least 35 years of age on the 1st January, 1952. The Commissioners have not specified an upper age limit for this competition. In general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service; and accordingly the Commissioners reserve the right to give weight to this factor in considering candidates for these posts who are over 50 years of age.

2. Sex.

Men only may compete under these Regulations.

3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. Qualifications.

Candidates at the date of making application must (a) possess at least a Master's Certificate of Competency and be fully experienced in liner trades, or (b) have had suitable experience in the Royal Navy and have held a rank not below that of Lieutenant Commander.

5. Competition.

Those candidates who from their applications appear most suitable will be invited to attend for interview before a Board consisting of representatives of the Civil Service Commissioners and the Ministry of Transport. The Selection Board will take into account the candidates' technical knowledge, their record and experience, any recommendations that they may receive from persons named by candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview. On their estimation of all these factors the Selection Board will frame their recommendations. The decision of the Civil Service Commissioners will be final.

6. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

7. Candidates trained as Teachers.

Candidates who have been trained as teachers and upon whose training public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g. the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

8. Canvassing.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.

9. Fee.

Each successful candidate will be required to pay a fee of £4 before the issue of a certificate of qualification for appointment.
