The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

RECRUITMENT OF SENIOR GEOLOGISTS IN THE GEOLOGICAL SURVEY OF GREAT BRITAIN UNDER THE DEPARTMENT OF SCIENTIFIC AND INDUSTRIAL RESEARCH.

1. Age.

Candidates must be at least 26 and under 31 years of age on 1st May, 1953. But a candidate who has served or is serving on a regular (including a regular short-service) engagement in H.M. Forces, may for this purpose deduct his period of such service from his actual age.

2. Sex and Marriage.

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid. Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is, or was at death, a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph, they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. Qualification.

(i) Every candidate must have obtained a university degree with first or second class honours in Geology or an equivalent qualification.

Provided that the Commissioners may at their discretion admit a candidate, with high professional attainments, notwithstanding that he or she may not possess the above qualification.

(ii) Every candidate must have had at least three years' appropriate post-graduate experience on the

mineralogical-petrological side or have been engaged in the mining industry or other approved work for a similar minimum period.

5. *Health and Character.*

Successful candidates must satisfy the Commissioners as to their health and character.

6. *Competition.*

(i) The Commissioners may at their discretion summon candidates to a preliminary informal interview.

(ii) Likely candidates will be chosen, on the basis of the information available, to appear before a Selection Board appointed by the Commissioners. The Selection Board, in making their recommendations to the Commissioners, and the Commissioners in making their final decision, will give weight to the candidate's capacity for original research or development work; and they will as a rule expect this capacity to be demonstrated in a candidate's record. The decision of the Commissioners will be final.

7. *Candidates trained as Teachers.*

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

8. *Canvassing.*

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.

9. *Fee.*

A successful candidate will be required to pay a fee of £4 before the issue of a certificate of qualification for appointment.
