Civil Service Commission, 13th April, 1954.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:-

REGULATIONS FOR THE RECRUITMENT FROM YOUNG MEN WHO HAVE COMPLETED A PERIOD OF COMPULSORY SERVICE IN H.M. FORCES TO GRADE 5 POSTS IN BRANCH B OF THE FOREIGN SERVICE.

1. Nationality.

(1) Every candidate must

(a) be a natural-born British subject; and

(b) have been born within the United Kingdom or within one of the self-governing Dominions of parents both of whom were also born within the United Kingdom or within one of the self-governing Dominions.

(2) No departure from this rule will be made without the special permission of the Secretary of State for Foreign Affairs, and then only in exceptional cases and in favour of candidates who are British subjects and who also satisfy one of the following conditions:-

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

2. Education.

No precise educational qualifications are prescribed, but candidates will be expected to have attained the standard of education of persons who have had whole-time systematic education up to the age of at least 17 years.

3. Service.

(i) Candidates must have completed before the first day of the examination a period of compulsory service in Her Majesty's Forces under the National Service Acts and normally must not have undertaken further whole-time service in Her Majesty's Forces. Provided that the Commissioners may at their discretion accept a candidate as eligible under this Regulation if, having completed a period of compulsory service in Her Majesty's Forces under the National Service Acts, he has voluntarily undertaken further whole-time service in Her Majesty's Forces, continuous with his compulsory service, for a limited period, normally not exceeding 12 months.

(ii) Candidates may not make more than two attempts in all and these must be made not later than the third examination held under these Regulations after the completion of National Service, any subsequent period of training as a result of a recall from the Reserve being disregarded. The date officially recorded as the last day of National Service is normally the last day of terminal leave; candidates are not, however, precluded from competing at an examination held during their terminal leave. For candidates admitted under the proviso to sub-paragraph (i) of this Regulation the date of completion of the further period of whole-time service will be regarded as the date of completion of compulsory service.

4. Marriage.

The approval of the Secretary of State is required before a successful candidate who is married takes up appointment.

5. Health and Character.

Successful candidates must satisfy the Civil Service Commissioners as to their health and character.

6. Examination.

The examination will consist of:—

(a) a written examination consisting of papers in English and Arithmetic, three General Papers, and a test of General Intelligence.

(b) An interview before a Selection Board, to which only those who obtain a certain minimum number of marks in the written examination will be summoned.

The final order of merit will be determined by the mark awarded by the Selection Board (out of a maximum of 300). This will take into account the candidate's record, his intelligence and personal qualities, his ability to learn languages, and his work in the written examination. In the event of a tie between two or more candidates the Commissioners will decide which to declare successful.

7. Candidates Trained as Teachers.

Candidates who have been trained as teachers and upon whose training public money has been spent, cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

8. Fee.

An application fee of 15s. is payable by all candidates. This must be sent with the application form, and is not returnable in any circumstances. A further fee of £1 5s., being the balance of the prescribed fee of £2, must be paid by each candidate on admission to the examination.

The Civil Service Commissioners further give notice that an Open Competition will be held under the above Regulations, the written examination commencing on 6th July, 1954.

No person will be admitted to the Competition from whom the Secretary of the Civil Service Commission has not received, on or before 13th May, 1954, an application on the prescribed form which may be obtained from the Secretary at once.

Civil Service Commission, 13th April, 1954.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

REGULATIONS FOR THE RECRUITMENT FROM MEN AND WOMEN WHO HAVE SERVED ON REGULAR ENGAGEMENTS WITH H.M. FORCES TO GRADE 5 POSTS IN BRANCH B OF THE FOREIGN SERVICE.

1. No candidate may compete more than twice under these or similar Regulations.

2. Age.

The Commissioners have not specified an upper age limit for this Competition. In general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service; and accordingly the Commissioners reserve the right to give weight to this factor in considering candidates for these posts who are over 50 years of age.

3. Sex and Marriage.

Both men and women are eligible, but:—

(i) Married women are not eligible. A woman member of Branch B must resign her appointment on marriage.

(ii) The approval of the Secretary of State for Foreign Affairs is required before a successful male candidate who is married takes up appointment.

4. Nationality.

(1) Every candidate must

(a) be a natural-born British subject; and

(b) have been born within the United Kingdom or within one of the self-governing Dominions of parents both of whom were also born within the United Kingdom or within one of the self-governing Dominions.

(2) No departure from this rule will be made without the special permission of the Secretary of State for Foreign Affairs, and then only in exceptional cases and in favour of candidates who are British subjects and who also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

5. Education.

No precise educational qualifications are prescribed, but candidates will be expected to have attained the standard of education of persons who have had whole-time systematic education up to the age of at least 17 years.

6. Service.

(i) All candidates must either

(a) have completed, or on 1st August, 1954, be within one year of completing, a period of not less than three years' continuous full-time service in H.M. Armed Forces of which not less than one year must have been whole-time voluntary service entered into for a fixed period (including in the case of officers a permanent commission); or

(b) have contracted to complete a fixed period of whole-time voluntary service (including in the case of officers a permanent commission) which would have qualified under (a) and been invalidated before completing that period.

(ii) No candidate will be eligible whose whole-time service ceased more than two years before 1st August, 1954.

7. Health and Character.

Successful candidates must satisfy the Civil Service Commissioners as to their health and character.

8. Examination.

The examination consists of the following:—

(a) a written qualifying examination consisting of papers in English and Arithmetic, a General Paper, and a test of General Intelligence.

(b) for candidates who pass the qualifying examination:—

an interview before the Selection Board.

The final order of merit will be determined by the mark awarded by the Selection Board (out of a maximum of 300). This will take into account the candidate's record, his intelligence and personal qualities, his ability to learn languages and his work in the written examination. In the event of a tie between two or more candidates the Commissioners will decide which to declare successful.

9. Candidates Trained as Teachers.

Candidates who have been trained as teachers and upon whose training public money has been spent, cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

10. Fee.

An application fee of 15s. is payable by all candidates. This must be sent with the application form, and is not returnable in any circumstances. A further fee of £1 5s., being the balance of the prescribed fee of £2, must be paid by each candidate on admission to the examination.

The Civil Service Commissioners further give notice that an Open Competition will be held under the above Regulations, the written examination commencing on 6th July, 1954.

No person will be admitted to the Competition from whom the Secretary of the Civil Service Commission has not received, on or before 13th May, 1954, an application on the prescribed form which may be obtained from the Secretary at once.

Civil Service Commission, 13th April, 1954.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz. :—

REGULATIONS FOR THE RECRUITMENT FROM MEN AND WOMEN WHO HAVE SERVED ON REGULAR ENGAGEMENTS WITH H.M. FORCES TO THE EXECUTIVE CLASSES (GENERAL AND DEPARTMENTAL) OF THE HOME CIVIL SERVICE.

1. No candidate may compete more than twice under these or similar Regulations.

2. *Age.*

The Commissioners have not specified an upper age limit for this competition. In general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service; and accordingly the Commissioners reserve the right to give weight to this factor in considering candidates for these posts who are over 50 years of age.

3. *Sex.*

(i) Both men and women are eligible, but women will not ordinarily be appointed to posts in the Admiralty or War Office or to the Immigration Service of the Home Office.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid. Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

4. *Nationality.*

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in Her Majesty's dominions and/or have been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

5. *Education.*

No precise educational qualifications are prescribed, but candidates will be expected to have attained the standard of education of persons who have had whole-time systematic education up to the age of at least 17 years.

6. *Service.*

(i) All candidates must either

(a) have completed, or on 1st August, 1954, be within one year of completing, a period of not less than three years' continuous full-time service in H.M. Armed Forces of which not less than one year must have been whole-time voluntary service entered into for a fixed period (including in the case of officers a permanent commission); or

(b) have contracted to complete a fixed period of whole-time voluntary service (including in the case of officers a permanent commission) which would have qualified under (a) and been invalidated before completing that period.

(ii) No candidate will be eligible whose whole-time service ceased more than two years before 1st August, 1954.

7. *Health and Character.*

Successful candidates must satisfy the Civil Service Commissioners as to their health and character.

8. *Examination.*

The examination consists of the following:—

(a) A written qualifying examination consisting of papers in English and Arithmetic, a General Paper, and a test of General Intelligence.

(b) For candidates who pass the qualifying examination:—

an interview before the Selection Board.

The final order of merit will be determined by the mark awarded by the Selection Board out of a maximum of 300. This will take into account the candidate's record, his intelligence and personal qualities, and his work in the written examination. In the event of a tie between two or more candidates the Commissioners will decide which to declare successful.

Candidates will be divided into two categories, viz., those whose whole-time service in H.M. Forces on 1st August, 1954, amounted to (a) 12 years or more, (b) less than 12 years. Vacancies will be allotted to candidates in these two categories in proportion to the number of candidates competing in each category, provided that if the number of candidates of acceptable standard in either category is insufficient the remaining vacancies may be transferred to candidates in the other category.

9. *Candidates Trained as Teachers.*

Candidates who have been trained as teachers and upon whose training public money has been spent, cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

10. *Assignment.*

The Commissioners will decide to which Department each successful candidate is to be assigned. A candidate who declines to accept the post offered will have no claim to be assigned to another, but will be regarded as having declined appointment. Assignments will be made in accordance with the needs of the public service, but the wishes of candidates will, where possible, be taken into account.

11. *Fee.*

An application fee of 15s. is payable by all candidates. This must be sent with the application form and is not returnable in any circumstances. A further fee of £1 5s. being the balance of the prescribed fee of £2 must be paid by each candidate on admission to the examination.

The Civil Service Commissioners further give notice that an Open Competition will be held under the above Regulations, the written examination commencing on 6th July, 1954.

No person will be admitted to the Competition from whom the Secretary of the Civil Service Commission has not received, on or before 13th May, 1954, an application on the prescribed form which may be obtained from the Secretary at once.

Civil Service Commission, 13th April, 1954.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz. :—

REGULATIONS FOR THE RECRUITMENT FROM YOUNG MEN WHO HAVE COMPLETED A PERIOD OF COMPULSORY SERVICE IN H.M. FORCES TO THE EXECUTIVE CLASSES (GENERAL AND DEPARTMENTAL) IN THE HOME CIVIL SERVICE.

1. *Nationality.*

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in Her Majesty's dominions and/or have been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for

at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

2. Education.

No precise educational qualifications are prescribed, but candidates will be expected to have attained the standard of education of persons who have had whole-time systematic education up to the age of at least 17 years.

3. Service.

(i) Candidates must have completed before the first day of the examination a period of compulsory service in Her Majesty's Forces under the National Service Acts and normally must not have undertaken further whole-time service in Her Majesty's Forces. Provided that the Commissioners may at their discretion accept a candidate as eligible under this Regulation if, having completed a period of compulsory service in Her Majesty's Forces under the National Service Acts, he has voluntarily undertaken further whole-time service in Her Majesty's Forces, continuous with his compulsory service, for a limited period, normally not exceeding 12 months.

(ii) Candidates may not make more than two attempts in all and these must be made not later than the third examination held under these Regulations after the completion of National Service, any subsequent period of training as a result of a recall from the Reserve being disregarded. The date officially recorded as the last day of National Service is normally the last day of terminal leave; candidates are not, however, precluded from competing at an examination held during their terminal leave. For candidates admitted under the proviso to sub-paragraph (i) of this Regulation the date of completion of the further period of whole-time service will be regarded as the date of completion of compulsory service.

4. Health and Character.

Successful candidates must satisfy the Civil Service Commissioners as to their health and character.

5. Examination.

The written examination will consist of papers in English and Arithmetic, three General Papers, and a test of General Intelligence.

Of the candidates who obtain the highest marks in the written examination a certain number, to be fixed by the Commissioners, will be summoned to an interview at which the Interviewing Board will award each candidate a mark for his record and personal qualities.

The final order of merit will be determined by combining the marks for written examination and interview.

6. Candidates Trained as Teachers.

Candidates who have been trained as teachers and upon whose training public money has been spent, cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

7. Assignment.

The Commissioners will decide to which Department each successful candidate is to be assigned. A candidate who declines to accept the post offered will have no claim to be assigned to another, but will be regarded as having declined appointment. Assignments will be made in accordance with the needs of the public service, but the wishes of candidates will, where possible, be taken into account.

The Civil Service Commissioners further give notice that an Open Competition will be held under the above Regulations, the written examination commencing on 6th July, 1954.

No person will be admitted to the Competition from whom the Secretary of the Civil Service Commission has not received, on or before 13th May, 1954, an application on the prescribed form which may be obtained from the Secretary at once.
