## ROYAL EXCHANGE ASSURANCE.

THE Court of Directors of the Corporation of the Royal Exchange Assurance hereby give notice that the Annual General Court of the said Corporation will be holden at their Head Office in the Royal Exchange, London, on Wednesday, the 26th of May next, at 11.45 in the forenoon for the transaction of ordinary business.

And they hereby give further notice that at the same place and on the same day at 12 o'clock noon or so soon thereafter as the Annual General Court shall be concluded an Extraordinary General Court of the said Corporation will be holden for the purpose of considering and, if thought fit, passing the following Resolutions.

## Resolutions.

1. That the Regulations for the internal government and management of the affairs of the Corporation be altered by the insertion of the following Regulations after Regulation 41—

41A. The Corporation may from time to time in General Court upon the recommendation of the Court of Directors increase its authorised share capital.

41B. The Corporation may in General Court upon the recommendation of the Court of Directors resolve that it is desirable to capitalise any undivided profits of the Corporation (including profits carried and standing to the credit of any reserve fund or funds or other special account and any amount standing to the credit of Share Premium Account) and accordingly that the Court of Directors be authorised and directed to appropriate the amount resolved to be capitalised to the members in the proportions in which the same would be divisible amongst them had the same been applied in paying dividends instead of being capitalised and apply the same on their behalf in paying up in full unissued shares of the Corporation of a nominal amount equal to the amount so resolved to be capitalised, such shares to be allotted and distributed credited as fully paid up to and amongst such members in the proportion aforesaid. Whenever such a Resolution as aforesaid shall have been passed the Court of Directors shall make all appropriations and applications of the undivided profits resolved to be capitalised and all allotments and issues of fully paid shares, and generally shall do all acts and things required to give effect thereto with full power to the Court of Directors to make such provision by the issue of fractional certificates or by payment in cash or otherwise as they think fit for the case of shares becoming distributable in fractions.

2. That the capital of the Corporation be and it is hereby increased from £2,000,000 to £3,000,000 by the creation of 1,000,000 shares of £1 each.

3. That it is desirable to capitalise a sum of £946,977 17s. 10d. representing as to £750,000, part of the sum standing to the credit of the General Reserve, and as to the balance of £196,977 17s. 10d., part of the sum standing to the credit of the Profit and Loss Appropriation Account, and accordingly that the said sum of £946,977 17s. 10d. be capitalised and applied on behalf of the persons who on 25th May, 1954, were holders of the Stock of the Corporation in payment in full for £946,977 17s. 10d. nominal amount of share capital of the Corporation, and that the same credited as fully paid be accordingly allotted to such persons in the proportion of one share of £1 for every £1 of Stock held by such persons respectively but so that in any case where a fraction of a share of £1 would fall to be allotted pursuant to this resolution the same shall be allotted only to the extent to which in the opinion of the Court of Directors it shall assist towards bringing the holding of the holder up to an exact multiple of £1 and that subject thereto all fractions shall be sold on the market and the net proceeds of sale distributed to the persons entitled thereto respectively.

The Transfer Books will be shut from Tuesday, the 11th day of May, to Tuesday, 25th day of May inclusive.
