## THE PUBLIC SCHOOLS ACT, 1868.

THE GOVERNING BODY OF SHREWSBURY SCHOOL having, on the 28th day of May, 1954, in virtue of the powers conferred upon them by the above-named Act, made a Statute in the terms appended hereto amending the existing Statutes of the School, the said Statute is hereby published in the London Gazette in accordance with the provisions in that behalf contained in the said Act.

And Notice is hereby given, that any person, body of persons, or body corporate, authorized in that behalf by the said Act, may, within two months after the publication of this notification, petition Her Majesty in Council to withhold Her approval from the whole or any part of the said Statute.

STATUTE made by the Governing Body of Shrewsbury School on the twenty-eighth day of May, one thousand nine hundred and fifty-four.

WE, THE GOVERNING BODY OF SHREWSBURY SCHOOL (otherwise Shrewsbury Free Grammar School) do hereby in exercise of the powers of section 7 of the Public Schools Act 1868 and all other powers enabling us in that behalf enact as follows:—

That the following amendments be made to the School Statutes (1925):—

### Amendments to Statute XIII.

(1) At the end of paragraph 2 of the Statute add the following words:—

“ Unless and until the said Reserve Fund shall be so applied the same or any part thereof not less than £100 for the time being unapplied may be invested in accordance with the provisions of paragraph 3 of this Statute ”.

(2) Immediately after paragraph 2 of the Statute insert the following new paragraph:—

“ 3. Any moneys for the time being forming part of the said Reserve Fund and available for investment in accordance with this Statute and the proceeds of the sale of any property or any other capital moneys for the time being comprised in any trust or other fund held by the Governing Body and any other moneys for the time being in the hands of the Governing Body and available for investment may be invested by them in any of the following investments (that is to say):—

(a) in any investments from time to time authorised by law for the investment of trust funds (in this Statute called “ trustee investments ”): Provided that for the purpose of such investment the proviso to sub-section (1) of section 2 of the Trustee Act 1925 shall have effect as if “ twenty ” were substituted for “ fifteen ” in paragraph (a) and “ ten ” were substituted for “ fifteen ” in paragraph (b);

(b) in any of the following investments which is certified by a member of the London Stock Exchange to be readily marketable on that Exchange, that is to say:—the debentures, debenture stocks, notes, loan stocks, securities or preference or ordinary shares or

stocks of any public company, registered in Great Britain under the Companies Act 1948 or any statutory modification thereof or incorporated by Act of Parliament or Royal Charter, which has paid dividends upon its ordinary shares or stock at a rate not less than five per cent per annum for a consecutive period of not less than five years next before the time of investment (of which fact a letter purporting to be signed by a Member of the London Stock Exchange or by a manager of a Joint Stock Bank or any branch thereof shall be sufficient evidence) such shares or stock not being to bearer or subject to any liability for calls or other payments;

(c) in any freehold land in England or any leasehold land in England held upon a lease or under-lease having not less than fifty years unexpired.

And the Governing Body may also from time to time vary any such investment

Provided that—

The Governing Body shall not at any time invest money under this Statute otherwise than in trustee investments if the total value of all the trustee investments held by them, whether for general or for specific purposes then is, or, if such investment were made, would be, less than one-half of the total value of all the investments so held by them.

For the purposes of this proviso—

(i) the expression “ investments ” does not include property occupied or held for occupation for the purposes of the School; and

(ii) the value of an investment at any time held or proposed to be acquired by the Governing Body shall, in the case of any investment quoted on the London Stock Exchange, be the middle price of the prices last quoted for that investment on that Exchange, and, in the case of any other investment, be such sum as the Governing Body, after making all such inquiries as may be reasonable in the circumstances, may determine to be the value thereof.”

(3) In the heading of the Statute delete the words “ the income ” and insert in their place the word “ moneys ”.

THE COMMON SEAL of the Governing Body of Shrewsbury School was hereunto affixed by their Order this Twenty-eighth day of May 1954.

**REGULATIONS FOR RECRUITMENT TO TECHNICAL CLASSES IN THE ADMIRALTY ON DEVELOPMENT ASSISTANT DUTIES AT THE ADMIRALTY ENGINEERING LABORATORY, WEST DRAYTON.**

**1. Age.**

Candidates must be at least 26 on 1st August, 1954. There is no upper age limit. In general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service and the Commissioners will give weight to this factor in considering candidates who are over 50 years of age.

**2. Sex.**

Men only may compete under these Regulations.

**3. Nationality.**

No person is eligible for employment in the Admiralty who is not a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions. No departure from this rule will be made without the special permission of the First Lord of the Admiralty, and then only in exceptional cases and in favour of candidates who are British subjects and who also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is, or was at death, a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph, they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

**4. Qualifications.**

Candidates must possess Ordinary National Certificate in Electrical and/or Mechanical Engineering and preferably Higher National Certificate, or produce evidence of an equivalent standard of technical education. They must also have served five years apprenticeship or its equivalent with an engineering firm giving a good comprehensive training, followed by at least 6 years adult experience, including three in a capacity requiring the qualifications referred to above.

**5. Health and Character.**

Successful candidates must satisfy the Commissioners as to their health and character.

**6. Competition.**

The Commissioners may summon to appear before a Selection Board all who are found to be prima facie eligible, or may, if they see fit, summon only those whose qualifications and experience as shown on their application forms are considered to be specially suitable for the posts available. The Selection Board will take into consideration the candidate's record of experience and education, any recommendation from persons named by the candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview; and on their estimation of all the above facts they will frame their recommendations. The decision of the Commissioners will be final.

**7. Candidates trained as Teachers.**

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority (e.g. the Ministry of Education, the Scottish Education Department, the Ministry of

Education for Northern Ireland) has been notified to the Commissioners.

**8. Canvassing.**

Any attempt on the part of candidates to enlist support for their application through Members of Parliament or other influential persons, except as referees to be named in their application forms, will disqualify them for appointment.

**9. Fee.**

A successful candidate will be required to pay a fee of £2 before the issue of a certificate of qualification for appointment.

*Civil Service Commission, 11th June, 1954.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

**REGULATIONS FOR THE RECRUITMENT OF PLANS ASSISTANTS IN H.M. LAND REGISTRY.**

**1. Age.**

Candidates must be at least 16 and under 18 years of age on 1st September, 1954.

BUT candidates who have served in any established post to which they were admitted with the certificate of the Civil Service Commissioners, or who have served on established conditions except for sick leave and pension in a post to which such a certificate would normally apply, may deduct from their actual age any time not exceeding two years which they may have spent in such service before 1st September, 1954, provided that the maximum of two years may be extended by any period of compulsory service in H.M. Forces under the National Service Acts.

**2. Sex.**

Both boys and girls are eligible.

**3. Nationality.**

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph, they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

**4. Health and Character.**

(3) Mathematics	...	...	...	...	200
(4) Drawing	...	...	...	...	200

Candidates will be arranged in order of merit according to their aggregate of marks in the examination as a whole. Even if there are unfilled vacancies, no candidate will be appointed who does not obtain an aggregate which satisfies the Civil Service Commissioners.

**6. Candidates trained as Teachers.**

Candidates who have been trained as teachers and upon whose training public money has been spent, cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

**7. Fee.**

An application fee of 7s. 6d. is payable by all candidates. This must be sent with the application form, and is not returnable in any circumstances. A

further fee of 12s. 6d., being the balance of the prescribed fee of £1, must be paid by each candidate on admission to the examination.

The Civil Service Commissioners further give notice that an Open Competition will be held under the above Regulations commencing on 14th September, 1954.

No person will be admitted to the Competition from whom the Secretary of the Civil Service Commission has not received, on or before 15th July, 1954, an application on the prescribed form which may be obtained from the Secretary at once.
