Civil Service Commission, 15th June, 1954.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:

REGULATIONS FOR THE LIMITED COMPETITION FOR RECRUITMENT TO THE CLERICAL CLASSES (GENERAL AND DEPARTMENTAL) OF THE HOME CIVIL SERVICE AND TO GRADE 6 POSTS IN BRANCH B OF THE FOREIGN SERVICE.

1. Age.

Candidates must be under 30 years of age on 1st September, 1954, provided that the Commissioners may at their discretion admit to this competition a candidate aged 30 or over on that date if

(a) the candidate has since 1st July, 1950, been recalled from the Reserve for a period of service or training with H.M. Forces, and such period ended on or after his 27th birthday;

(b) during the period of such service or training he missed one or more Limited Competitions for the Clerical Classes and Branch B (Grade 6) of

the Foreign Service for which he was in all respects eligible at the time ;

(c) he has applied to compete in the second and every subsequent Limited Competition for the Clerical Classes and Branch B (Grade 6) of the Foreign Service for which he was eligible and for which the closing date for applications fell after his return from service or training with H.M. Forces, irrespective of whether or not he applied to compete in the first such competition ; and

(d) he has not already been permitted to apply exceptionally under this proviso for admission to competitions up to the number of opportunities lost through service or training with H.M. Forces.

2. Grades eligible.

Candidates must at the time of the examination be either

(a) members of established non-industrial grades of the Civil Service within the scope of the National Whitley Council, other than the General and Departmental Clerical Classes, on scales of salary rising to not more than the maxima, for men and women respectively, of the salary scales of those classes as they were on 1st May, 1954, any retrospective adjustments of scales which may be made after that date being disregarded ; or

(b) members of an unestablished grade corresponding to an established grade covered by (a) ; or

(c) serving in the Office of the Receiver for the Metropolitan Police District, the Office of the Crown Agents for Oversea Governments and Administrations, or Trinity House, in a grade corresponding to a Civil Service grade covered by (a) or (b) above.

Clerical Assistants, temporary clerks and members of the typing grades will not be eligible to compete. In the case of an officer who on 1st May, 1954, is substantively an established member of a grade which otherwise comes within the description given in (a) above, but who has received acting promotion, it is the substantive grade on 1st May, 1954, which determines eligibility under this Regulation.

3. Length of Service.

Candidates must be at least 25 years of age and must have had not less than three years' full time service on duties proper to an adult class ; provided that

(a) candidates whose full-time adult service began on or before 31st May, 1946, are exempted from the lower age limit of 25 ;

(b) candidates who entered the Post Office as Boy Messengers or Girl Probationers before 2nd April, 1945 (whatever the date on which their full-time adult service began) are exempted from the lower age limit of 25 and also from the requirement of three years' full-time service on duties proper to an adult class.

In all cases the conditions must be satisfied by the first day of the examination, and the service must have been continuous.

4. Sex and Marriage.

(i) Both men and women are eligible.

(ii) Married women are not eligible for appointment to Branch B of the Foreign Service ; a woman member of Branch B must resign her appointment on marriage.

(iii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible for appointment to the Home Civil Service unless they undertake to refund on appointment the marriage gratuity paid. Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

(iv) The approval of the Secretary of State for Foreign Affairs is required before a successful male candidate who is married takes up appointment in Branch B of the Foreign Service.

5. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions :—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject ; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph, they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

For the Foreign Service every candidate must be a natural-born British subject, and have been born within the United Kingdom or one of the self-governing Dominions, of parents both of whom were also born within the United Kingdom or one of the self-governing Dominions.

No departure from this rule will be made without the special permission of the Secretary of State for Foreign Affairs, and then only in exceptional cases, and in favour of candidates who satisfy the conditions laid down above for the Home Civil Service.

6. Health and Character.

Successful candidates must satisfy the Civil Service Commissioners as to their health and character.

7. Examination.

The examination will be in the following subjects :—

1. English.
2. Arithmetic.
3. General Knowledge.
4. One of the following :—
Mathematics, French, German, History, Geography, Economics.

To be eligible for consideration for a post in Branch B of the Foreign Service a candidate must take either French or German as subject 4, and must reach a satisfactory standard in it.

Candidates will be arranged in order of merit according to their total marks in the examination as a whole. Even if there are unfilled vacancies, no candidate will be appointed who does not reach a standard that satisfies the Civil Service Commissioners. Not more than one-third of the vacancies to be filled from the examination will be available for persons serving as Postal and Telegraph Officers in the Post Office.

8. Candidates trained as Teachers.

Candidates who have been trained as teachers and upon whose training public money has been spent, cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

9. Assignment.

The Commissioners will decide to which Department each successful candidate is to be assigned. A candidate who declines to accept the post offered will have no claim to be assigned to another, but will be regarded as having declined appointment. Assignments will be made in accordance with the needs of the public service, but the wishes of candidates will, where possible, be taken into account.

Before a successful candidate can be assigned to Branch B of the Foreign Service he must establish, in an interview at the Foreign Office, that he is in all respects suitable for appointment to the Foreign Service.

10. Fee.

An application fee of 7s. 6d. is payable by all candidates. This must be sent with the application form, and is not returnable in any circumstances. A further fee of 12s. 6d., being the balance of the prescribed fee of 18l., must be paid by each candidate on admission to the examination.

11. The application form must be accompanied by a certificate from the authorities of the Department in which the candidate is serving in the space provided on the application form, that he (or she) satisfies the conditions laid down in Clauses 2 and 3 of these Regulations and that his (or her) service has been approved.

The Civil Service Commissioners further give notice that a Limited Competition will be held under the above Regulations commencing on 14th September, 1954.

No person will be admitted to the Competition from whom the Secretary of the Civil Service Commission has not received, on or before 15th July, 1954, an application on the prescribed form which may be obtained from the Secretary at once.

Civil Service Commission, 15th June, 1954.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

REGULATIONS FOR THE RECRUITMENT OF PSYCHOLOGISTS IN THE HOME CIVIL SERVICE.

1. Age.

(i) Candidates for appointment as Psychologists must be at least 21 and under 31 years of age on 1st June, 1954. But a candidate who has served or is serving on a regular (including a regular short-service) engagement in H.M. Forces may for this purpose deduct from his actual age the period of such service rendered before 1st June, 1954.

(ii) Candidates for appointment as Principal Psychologist must be at least 31 years of age on 1st June, 1954. No upper age limit is specified for this grade. In general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service, and accordingly, the Commissioners reserve the right to give weight to this factor in considering candidates who are over 50 years of age.

2. Sex and Marriage.

(i) Both men and women may compete under these Regulations, but the number of vacancies available for women may be restricted. Women will not be assigned to the Admiralty, and certain vacancies in other Departments may be reserved for men or for women.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid. Provided that this undertaking will not be required if the break between the first period of service (including any period of un-established service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either:—

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

Provided that a candidate will not be eligible for an appointment under the Admiralty or Air Ministry unless he is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the

United Kingdom or in one of the self-governing Dominions, except when the circumstances are such as to justify a departure from the general rule, in which case provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he may be admitted to appointment by special permission of the First Lord of the Admiralty or Secretary of State for Air, as the case may be.

4. Qualifications.

(1) Candidates must have professional qualifications or experience in Psychology as stated below:—

(a) A first or second class honours degree of a recognised University in which Psychology was taken as a main subject; or

(b) A Higher degree in Psychology; or

(c) A Bachelor of Education degree of a Scottish University or of the University of Belfast; or

(d) A post-graduate diploma in Psychology, following at least two years' systematic study; or

(e) Fellowship of the British Psychological Society; or

(f) Associateship of the British Psychological Society, provided that the applicant

(i) has obtained a first or second class honours degree of a recognised University in a subject other than Psychology; and

(ii) had for not less than three years been responsible for work in Psychology or its applications which in the opinion of the Council was evidence of an adequate knowledge of Psychology; and

(iii) was elected as an Associate of the Society after 1943.

Candidates taking the Final examinations under (a), (b), (c), (d) above in Summer 1954 may compete, but they will not be offered appointment unless they obtain the qualification concerned by 31st August, 1954.

(2) In exceptional cases candidates who do not possess any of the above qualifications may be accepted by the Commissioners at their discretion if they have at least three years' responsible professional experience.

5. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

6. Competition.

The candidates who appear from their applications to have the best qualifications and experience will be invited to interview in London before a Selection Board, which will recommend to the Civil Service Commissioners those considered most suitable for appointment. The Commissioners' decision will be final.

7. Candidates Trained as Teachers.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland), has been notified to the Commissioners.

8. Assignment.

The Commissioners will decide to which Department each successful candidate is to be assigned. Assignment will be made in accordance with the needs of the public service, but the wishes of candidates will be respected as far as possible.

9. Canvassing.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.

10. Fee.

Every successful candidate will be required to pay a fee of £4 before the issue of a certificate of qualification for appointment.
