Civil Service Commission, 16th November, 1954.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

REGULATIONS FOR THE RECRUITMENT OF AN ASSISTANT KEEPER IN THE SCIENCE MUSEUM, MINISTRY OF EDUCATION.

1. *Age.*

(i) Candidates for appointment as Assistant Keeper, Second Class, must be at least 22 and under 26 years of age on 1st November, 1954, provided that exceptionally well qualified candidates of 26 or over may be admitted with the approval of the Commissioners. But

(a) a candidate who has served or is serving on a regular (including a regular short-service) engagement in H.M. Forces may deduct from his actual age the period of such service rendered before 1st November, 1954;

(b) a candidate who has served in H.M. Forces otherwise than on a regular engagement may deduct from his actual age the period of such service rendered before 1st November, 1954, up to a maximum of two years;

(c) a candidate who has served in any established post to which he was admitted with the Certificate of the Civil Service Commissioners, or who has served on established conditions except for sick leave and pension in a post to which such a Certificate would normally apply, may deduct from his actual age any time not exceeding two years which he has spent in such service before 1st November, 1954.

(ii) Candidates for appointment as Assistant Keeper, First Class, must be at least 28 years of age on 1st November, 1954. The Commissioners have not specified an upper age limit for this post; in general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service, and accordingly the Commissioners reserve the right to give weight to this factor in considering candidates who are over 50 years of age.

2. *Sex and Marriage.*

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or who are separated from their husbands or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid. Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

3. *Nationality.*

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(i) If natural-born British subjects they must either

(a) have at least one parent who is or was at the time of death a British subject; or

(b) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(ii) If naturalised British subjects they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(iii) If not qualified under (i) or (ii) of this paragraph they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. *Qualifications.*

Candidates must have a First or Second Class Honours Degree in electrical engineering or such equivalent qualification as would be accepted by

the Commissioners, and have had about two years' experience in industry.

Knowledge of at least one modern foreign language would be an advantage.

5. *Competition.*

Those candidates who appear from their application forms to have the best qualifications and experience will be required to attend before a Selection Board which will recommend for appointment the candidate who seems most suitable. The decision of the Civil Service Commissioners will be final.

6. *Candidates trained as Teachers.*

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Civil Service Commissioners.

7. *Canvassing.*

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons (except as referees to be named by them in their application forms) will disqualify them for appointment. The Selection Board will disregard recommendations from persons who are not personally acquainted with the candidate's work.

8. *Health and Character.*

The appointment of the selected candidate will be subject to his satisfying the Commissioners as to his eligibility in respect of age, nationality, health and character.

9. *Fee.*

The successful candidate will be required to pay a fee of £4 before the issue of a Certificate of Qualification for appointment.

Civil Service Commission, 16th November, 1954.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:-

REGULATIONS FOR THE RECRUITMENT OF ASSISTANT GOVERNORS CLASS II (MEN AND WOMEN) IN THE PRISON AND BORSTAL SERVICE (ENGLAND AND WALES).

1. Candidates must be at least 21 years of age on 1st January of the year in which the competition is held. No upper age limit is specified, but in general Government Departments require a reasonable period of service from persons newly appointed to the Civil Service, and accordingly weight may be given to this factor in considering candidates for these posts who are over 50 years of age.

2. Candidates must be British subjects. They must also satisfy one of the following conditions:-

(a) If natural-born British subjects they must either

(i) have at least one parent who is or was at the time of death a British subject; or

(ii) have resided in Her Majesty's dominions, and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalized British subjects they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Civil Service Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing, or residence, or by reason of national service, that an exception may properly be made in their favour.

3. (i) Competitions will be open to either men or women, according to the vacancies to be filled.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid. Provided that this undertaking will not be required if the break between the

first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

4. Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Civil Service Commissioners.

5. In the selection of Assistant Governors the assessment of qualities of mind and character plays a big part. Candidates must have a sound educational background. University qualifications are not essential. If, however, candidates do not possess at least a school certificate or an equivalent qualification, they will be expected to show that they have made a serious attempt to supplement their education since leaving school. Candidates must be able to hold their own with all ranks and to fill a position of responsibility in which tact, judgment, and complete integrity of character are required. They should preferably have knowledge of working-class homes and conditions. A keen interest in difficult reformatory work is essential.

6. Those candidates who from their applications seem to the Civil Service Commissioners and the Prison Commissioners to be best qualified will be summoned to interview before a Selection Board consisting of representatives of the Civil Service Commissioners and the Prison Commissioners. The Board will select for the vacancies existing those candidates who appear to them to possess the highest qualifications providing they find so many suitable. Candidates are warned that, if they are selected for interview, enquiries as to character will be made of referees and employers—including the present employer. The Selection Board will take into consideration the candidates' records of experience and education, any reports that they may receive from persons named by the candidates as referees or employers, and the personal qualities of the candidates as shown at this interview; and on their estimation of all the above evidence they will frame their recommendations. The decision of the Civil Service Commissioners will be final.

7. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons (except as referees to be named by them in their application form) will disqualify them for appointment.

8. The appointment of the selected candidates will be subject to their satisfying the Civil Service Commissioners as to their eligibility in respect of age, nationality, health and character, and will not be confirmed unless and until they have passed the prescribed period of probation to the satisfaction of the Prison Commissioners.

9. A successful candidate will be required to pay a fee of £4 (men) or £3 (women) before the issue of a certificate of qualification for appointment.

Civil Service Commission, 16th November, 1954.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:-

RECRUITMENT OF VEHICLE EXAMINERS IN THE MINISTRY OF TRANSPORT AND CIVIL AVIATION.

1. *Age*

Candidates must have been born on or before 1st January, 1925. The Commissioners have not specified an upper age limit for this Competition. In general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service; and accordingly the Commissioners reserve the right to give weight to this factor in considering candidates for these posts who are over 50 years of age.

2. *Sex and Marriage*

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible

unless they undertake to refund on appointment the marriage gratuity paid.

Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

3. Nationality

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. Qualifications

Candidates must be first-class motor mechanics and have had a good comprehensive training. They must also have had a minimum of three years' practical experience beyond the apprenticeship stage with a reputable firm of motor engineers, or a public authority, or have had equivalent experience in the Armed Forces. They should have good practical experience of the construction and repair of chassis and bodies of both goods and public service vehicles, and of driving such vehicles. They should know the Highway Code in detail. They must be capable of working without immediate supervision and able to write reports in a clear and concise manner.

The possession of a Higher National Certificate in Mechanical Engineering or evidence of an equivalent standard of technical education or specialist qualification will be an advantage.

5. Health and Character

Successful candidates must satisfy the Commissioners as to their health and character.

6. Competition

Candidates who appear from their application forms to have the best qualifications and experience will be called before a Selection Board consisting of representatives of the Civil Service Commissioners and of the Ministry of Transport and Civil Aviation, which will recommend to the Civil Service Commissioners for appointment the candidates who appear most suitable. The Selection Board will frame their recommendation on the candidate's record of education and experience, any recommendations that they may receive from persons named by the candidate as having direct knowledge of their work in the past, and the personal qualities of the candidate as shown at the interview. The Civil Service Commissioners may, at their discretion, require a candidate to take a practical test to satisfy them as to his technical knowledge and driving ability. The driving test will be the same test as given to applicants for a P.S.V. (all types) licence. The decision of the Civil Service Commissioners will be final.

7. Candidates Trained as Teachers

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

8. Fee

Candidates selected for appointment will be required to pay a fee of £2 10s. before the issue of a certificate of qualification for appointment.

9. Canvassing

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.
