Tempy. Actg. Lt. J. P. I. HOPKINS transferred to Permanent R.N.V.R.—Amend seny. date to read: 1st Nov. 1954.

Civil Service Commission, 14th January, 1955.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

REGULATIONS FOR THE RECRUITMENT OF CARTOGRAPHICAL DRAUGHTSMEN IN CERTAIN GOVERNMENT DEPARTMENTS AND CARTOGRAPHICAL DRAUGHTSMEN OR SURVEYORS IN THE ORDNANCE SURVEY OFFICE.

1. Age.

SECTION I (Untrained). Candidates must be at least 16 and under 21 years of age on 1st January, 1955, i.e., they must have been born on or after 2nd January, 1934, and on or before 1st January, 1939.

But a candidate who has served or is serving in H.M. Forces may deduct from his actual age the period of such service rendered before 1st January, 1955.

SECTION II (Trained). Candidates must be at least 18 years of age on 1st January, 1955, except that candidates for vacancies in the Ordnance Survey

must be at least 21 years of age on 1st January, 1955. There is no upper age limit. In general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service and the Commissioners will give weight to this factor in considering candidates who are over 50 years of age.

2. Sex and Marriage.

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widowed or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid. Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is, or was at death, a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

Provided that a candidate will not be eligible for an appointment under the War Office or Air Ministry unless he or she is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he or she may be admitted to competition or appointment by special permission of the Secretary of State for War, or Secretary of State for Air, as the case may be.

4. Qualifications and Experience.

Every candidate must, at the time of application, either

(i) have obtained passes in English, Mathematics, and Geography in the General Certificate of Education at (0) level, or the Scottish Leaving Certificate on the lower grade, or the Senior Certificate of the Ministry of Education for Northern Ireland; or

(ii) have obtained the School Certificate with credits in English, Mathematics, and Geography; or

(iii) have obtained a Certificate regarded by the Commissioners as of equivalent or higher standard; or

(iv) produce a statement from the Scottish Education Department, or the Ministry of Education for Northern Ireland that the candidate has attained an equivalent standard;

except that

(a) for posts in the Ministry of Housing and Local Government candidates will satisfy this regulation if they have attained the standards specified in (i) to (iv) above in Geography and at least two of the following: English, Mathematics, Art, a Science subject; preference will be given to candidates who have passed in Geography at the Advanced level or its equivalent;

(b) for posts in the War Office candidates will satisfy this regulation if they have attained the standards specified in (i) to (iv) above in any three of the following: English, Mathematics, Geography, Art, a Science subject, a Modern Language.

NOTE.—Where English is specified it means the subject English Language in English Certificates and the subject English in the Scottish Certificate. In the Northern Ireland Certificates it means the subject English if the Certificate was obtained in 1951 or earlier and English Language if obtained in 1952 or later.

Where a Science subject is specified, a pass in a domestic science subject will not be accepted.

Candidates for Section I must be able and will be expected to demonstrate their aptitude for this class of draughtsmanship at a short informal test and may be required to produce specimens of work.

Candidates for Section II must have had, at the time of application, at least two years appropriate experience in a drawing office. In certain Departments, experience relevant to the special work of the Department may be required. A knowledge of, and some experience in Surveying would be an advantage for some posts, especially for surveying appointments in the Ordnance Survey.

Provided that exceptionally a candidate for Section III who does not possess the basic educational qualifications may be admitted to the competition if he or she has served satisfactorily for at least two years in a Government department and can obtain from his or her Department a Certificate of Competency.

5. Application.

A candidate may make one, and only one, application under these Regulations.

6. Health and Character.

Every successful candidate must satisfy the Commissioners as to his or her health and character.

7. Competition.

The Commissioners may summon to appear before a Selection Board all who are found to be *prima facie* eligible, or may, if they see fit, summon only those whose qualifications and experience are considered to be specially suitable for the posts for which they are being considered. Candidates so summoned may be asked to bring examples of their work to the Board. The Board will take into consideration the candidates' record of education and experience, any recommendation from persons named by the candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview; and on their estimation of all the above factors they will frame their recommendations. The decision of the Civil Service Commissioners shall be final.

8. Candidates trained as Teachers.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

9. Assignment.

Candidates will be required to state on their application forms for which Department or Departments they are competing. If a candidate is successful for more than one Department, the Commissioners will determine to which Department he shall be assigned, but his own wishes will be met as far as possible.

A candidate successful in Section I will not be assigned to a Department which can only take trained recruits.

10. Canvassing.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidate's work, whether at school or other educational institution, in the Forces, or otherwise.

11. Certificate of Qualification.

Candidates appointed under Section I will be certificated as Cartographical Draughtsmen (Untrained); candidates appointed under Section II will be certificated as Cartographical Draughtsmen (Trained) and candidates appointed to the Ordnance Survey Office

will be certificated as Cartographical Draughtsmen (Trained) or Surveyors.

12. Fee.

A successful candidate shall be required to pay a fee of £1 before the issue of a certificate of qualification for appointment.

Civil Service Commission, 14th January, 1955.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

1. Age (Open Competition)

(i) Candidates for the open competition for the posts in the basic grade of Psychologist must be at least 21 and under 31 years of age on 1st June, 1954. But a candidate who has served or is serving on a regular (including a regular short-service) engagement in H.M. Forces may for this purpose deduct from his actual age the period of such service rendered before 1st June, 1954.

Candidates for the temporary post of Senior Psychologist must be at least 27 years of age on 1st June, 1954. For this post there is no upper age limit.

Age and Service (Limited Competition)

(ii) Candidates for the limited competition for posts in the basic grade of Psychologist must be at least 21 years of age on 1st June, 1954; for the temporary post of Senior Psychologist they must be at least 27 years of age on 1st June, 1954. They must also be serving in a temporary capacity in a Government Department in the Psychologist Class on 1st October, 1954, and have had up to that date at least one year's service in the duties of that Class.

2. Sex and Marriage

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid. Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

3. Nationality

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either:—

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. Qualifications

(i) Candidates must have professional qualifications or experience in Psychology as stated below:—

(a) A first or second class honours degree of a recognised University in which Psychology was taken as a main subject; or

(b) A Higher degree in Psychology; or

(c) A Bachelor of Education degree of a Scottish University or of the University of Belfast; or

(d) A post-graduate diploma in Psychology, following at least two years' systematic study; or

(e) Fellowship of the British Psychological Society; or

(f) Associateship of the British Psychological Society, provided that the applicant

(i) has obtained a first or second class honours degree of a recognised University in a subject other than Psychology; and

(ii) had for not less than three years been responsible for work in Psychology or its applications which in the opinion of the Council was evidence of an adequate knowledge of Psychology; and

(iii) was elected as an Associate of the Society after 1943.

Candidates who expect to obtain one of these qualifications shortly after the date for the submission of applications may be considered, but they will not be offered appointment unless they obtain the qualification by the time they are expected to take up appointment.

(2) In exceptional cases candidates who do not possess any of the above qualifications may be accepted by the Commissioners at their discretion if they have at least three years' responsible professional experience.

5. Health and Character

Successful candidates must satisfy the Commissioners as to their health and character.

6. Competition

The candidates who appear from their applications to have the best qualifications and experience will be invited to interview in London before a Selection Board, which will recommend to the Civil Service Commissioners those considered most suitable for appointment. The Commissioners' decision will be final.

7. Candidates Trained as Teachers

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland), has been notified to the Commissioners.

8. Canvassing

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.

9. Fee.

Every successful candidate will be required to pay a fee of £4 before the issue of a certificate of qualification for appointment.

Civil Service Commission, 14th January, 1955.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

REGULATIONS FOR RECRUITMENT FROM CANDIDATES BETWEEN 17½ AND 19 YEARS OF AGE TO THE GENERAL AND DEPARTMENTAL EXECUTIVE CLASSES OF THE HOME CIVIL SERVICE AND GRADE 5 POSTS IN BRANCH B OF THE FOREIGN SERVICE.

Candidates must be at least 17½ and under 19 years of age (a half-year equals six calendar months) on 1st March, 1955.

2. Sex and Marriage.

(i) Both men and women are eligible, but women will not ordinarily be appointed to posts in the Admiralty or War Office or to the Immigration Service of the Home Office.

(ii) Married women are not eligible for appointment to Branch B of the Foreign Service. A woman member of Branch B of the Foreign Service must resign her appointment on marriage.

(iii) The approval of the Secretary of State for Foreign Affairs is required before a successful male candidate who is married takes up appointment in Branch B of the Foreign Service.

3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph, they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

For the Foreign Service every candidate must be a natural-born British subject, and have been born within the United Kingdom or one of the self-governing Dominions, of parents both of whom were also born within the United Kingdom or one of the self-governing Dominions.

No departure from this rule will be made without the special permission of the Secretary of State for Foreign Affairs, and then only in exceptional cases, and in favour of candidates who satisfy the conditions laid down above for the Home Civil Service.

4. Health and character.

Successful candidates must satisfy the Civil Service Commissioners as to their health and character.

5. Examination.

(a) The written examination, which must be taken by all candidates, consists of:

Compulsory subjects	Maximum marks
1. English	200
2. Arithmetic	100
3. General Knowledge	100
Optional subjects	
4. Pure Mathematics	200
5. Applied Mathematics	200

A candidate may take three optional subjects; but a candidate who takes Pure and Applied Mathematics may not take either Pure Mathematics or Applied Mathematics; and a candidate who takes Biology may not take either Botany or Zoology. A candidate taking History may take two papers only in this subject.

Candidates who wish to be assigned to Branch B of the Foreign Service must take at least one of the languages in subjects 7 to 12 and reach a satisfactory standard in it; and those who wish to be assigned to the post of Actuarial Assistant in the Government Actuary's Department must take Pure Mathematics and reach a satisfactory standard in it.

(b) The candidates who are highest in order of merit in the written examination, down to a level to be determined by the Commissioners, will be declared successful immediately on the result of that examination.

(c) Of the candidates next in order of merit in the written examination, a certain number, to be determined by the Commissioners, will be summoned to an interview, as part of the examination. The maximum mark for this interview will be 300. Posts available which have not been filled under (b) will be filled by those candidates who are highest in order of merit on their combined marks for written examination and interview, provided enough candidates reach an acceptable standard.

6. Candidates trained as teachers.

Candidates who have been trained as teachers and upon whose training public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

7. Assignment.

The Commissioners will decide to which Service or Department each successful candidate is to be assigned. Candidates declared successful under Regulation 5 (b) on the written examination will be summoned to an interview in London shortly after their results are notified to them. This interview will be to help the Commissioners to assign them to Services and Departments. Candidates who are interviewed as part of the examination, under Regulation 5 (c), will not normally be required to attend for further interview. The Commissioners however reserve the right to summon any candidate to a second interview if this seems to them necessary.

The wishes expressed by successful candidates on the preference form which they will be required to fill up, or at interview, will so far as possible be taken into account; but assignments must be made so as to fill the vacancies notified to the Commissioners in accordance with the interests of the public service. A candidate who declines to accept the post offered will have no claim to be assigned to another, and will be regarded as having declined appointment.

8. Fee.

An application fee of 15s. is payable by all candidates. This must be sent with the application form, and is not returnable in any circumstances. A further fee of £1 5s., being the balance of the prescribed fee of £2, must be paid by each candidate on admission to the examination.

The Civil Service Commissioners further give notice that an Open Competition will be held under the above Regulations, the written examination commencing on 13th April, 1955.

No person will be admitted to the Competition from whom the Secretary of the Civil Service Commission has not received, on or before 10th February, 1955, an application on the prescribed form which may be obtained from the Secretary at once.

Civil Service Commission, 14th January, 1955.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz:—

REGULATIONS FOR THE RECRUITMENT OF PLANS ASSISTANTS IN H.M. LAND REGISTRY BY SPECIAL OPEN COMPETITION.

1. Age.

Candidates must be at least 16 and under 18 years of age on 1st March, 1955.

2. Sex.

Both boys and girls are eligible.

3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph, they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. Health and Character.

Successful candidates must satisfy the Civil Service Commissioners as to their health and character.

5. Qualifications.

(i) Candidates must, by the date on which they submit their application forms, have passed in one and the same examination for the General Certificate of Education at the Ordinary level in English Language, Mathematics, and one other subject, preferably Art or Geometrical and Mechanical Drawing or Engineering Drawing or comparable subject; or

(ii) Candidates educated in Scotland should normally have passed the examination for the Scottish Leaving Certificate on the lower grade in English, Mathematics and one other subject, preferably Art (or Technical Drawing where candidates have taken Technical Subjects). Passes must have been obtained in all the subjects required at the same examination. Scottish candidates who do not hold the Scottish Leaving Certificate with the requisite number of passes may, in appropriate circumstances, offer instead a Certificate of equivalent qualification based on their results in the Scottish Leaving Certificate examination. This certificate must indicate whether or not the candidate has reached the required standard in Art or Technical Drawing. Application for certificates should be made to the Secretary, Scottish Education Department, Government Buildings, Broomhill Drive, Saughton, Edinburgh, 11; or

(iii) Candidates educated in Northern Ireland may offer passes in the appropriate subjects obtained in the Senior Certificate examination of the Northern Ireland Ministry of Education.

6. Competition.

The Commissioners may summon to appear before a Selection Board all who are found to be *prima facie* eligible, or may, if they see fit, summon only those whose qualifications are considered to be most suitable. Candidates who have not obtained a pass in Art or Geometrical and Mechanical Drawing (or comparable subjects) in the general Certificate of Education, the Scottish Leaving Certificate, or the Northern Ireland Senior Certificate examinations will be required to take an informal drawing test which will be held immediately prior to the interview. The Selection Board will recommend to the Civil Service Commissioners those candidates considered most suitable for appointment. The Commissioners' decision will be final.

7. Candidates Trained as Teachers.

Candidates who have been trained as teachers and upon whose training public money has been spent, cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

8. Fee.

A successful candidate must pay a fee of £1 before the issue of a certificate of qualification for appointment, provided that this fee will not be required from a candidate who attends the written examination of March, 1955, for Plans Assistants and pays the prescribed fee for that examination.

EXPLANATORY NOTE.

These Regulations, which are made in consequence of the National Insurance Act, 1954, increase the rates of benefit payable under certain regulations made under the National Insurance Act, 1946, in order to bring them into conformity with the higher rates of benefit payable directly under that Act by virtue of the Act of 1954. Provision is also made to increase the amount of a maternity grant payable under regulations in certain cases, for altering the requirement as to weekly earnings in the case of a female person having the care of a child, for relaxing the earnings rule in the case of a widowed mother's allowance (where the rate thereof is less than the full weekly rate), with regard to the basis on which claims in respect of additional benefit arising under the Act of 1954 are dispensed with, and for the refund of contributions (in respect of weeks commencing on or after the 6th June, 1955) to persons electing not to be qualified for retirement pension. Special provision is made in relation to the payment of additional benefit in the case of persons not residing in Great Britain. The remaining provisions are of a minor or consequential character.
