TUESDAY, 25 JANUARY, 1955

CENTRAL CHANCERY OF THE ORDERS OF KNIGHTHOOD.

St. James's Palace, S.W.1.

25th January, 1955.

The QUEEN has been graciously pleased to give orders for the following appointment to the Most Excellent Order of the British Empire:—

To be an Additional Officer of the Military Division of the said Most Excellent Order:—

Squadron Leader Nicholas John Crawford POLLOCK (102601), Royal Air Force, Headquarters (Unit), British Forces, Aden.

As intelligence officer, Squadron Leader Pollock has taken an active and outstanding part in all the major operations of the Aden Protectorate Levies since December, 1952. His participation in these operations has called for the greatest tenacity and physical endurance in most trying conditions of ambush and opposition from hostile tribesmen, and of heat, dust and lack of water. On several occasions this officer has acted as ground controller for aircraft despatched to counter the attacks of tribesmen. Working in the open has brought him under fire, often at close range, and his complete disregard for his own safety has been directly responsible for the success of many airstrikes. Squadron Leader Pollock has undertaken many arduous and dangerous missions during which he has displayed outstanding cheerfulness, willingness and gallantry.

Air Ministry, 25th January, 1955.

The QUEEN has been graciously pleased to approve the following awards in recognition of gallantry and devotion to duty:—

Bar to the Air Force Cross.

Squadron Leader Alexander Ellis HARKNESS, A.F.C. (129755), Royal Air Force.

Queen's Commendation for Valuable Service in the Air.

Flying Officer Peter Dulvey STONHAM (3127345), Royal Air Force.

On 27th September, 1954, Squadron Leader Harkness, as instructor, and Flying Officer Stonham, as pupil, were involved in a dangerous situation, caused by an explosion in the port engine of their aircraft. By the exercise of flying skill and determination of the most exceptional order, Squadron Leader Harkness, ably assisted by Flying Officer Stonham succeeded in bringing the aircraft

under control and in guiding it so as to avoid endangering the lives of the inhabitants of a nearby village. By the skill of Squadron Leader Harkness and the sustained and determined effort of both pilots, in the face of great danger and difficulty, enough height was then gained to enable them to land safely, thus saving a valuable crew and aircraft and preventing what might have been a serious accident to civilian lives and property.

Air Ministry, 25th January, 1955.

The QUEEN has been graciously pleased to give orders for the publication of the names of the under-mentioned personnel who have been commended for gallantry displayed when two 1,000 lb. bombs exploded without warning at Royal Air Force Station, Marham, on 20th September, 1954:—

Queen's Commendation for Brave Conduct.

Group Captain Oliver Russell DONALDSON, C.B.E., D.S.O., D.F.C., Royal Air Force.
