"3. *Parsonage House.* Without prejudice to the exercise before the date when the union takes effect, of the powers conferred by the Parsonages Measures,

1938 and 1947, the parsonage house at present belonging to the benefice of Greatham shall, if at that date it so belongs, be the house of residence of the incumbent of the united benefice and the parsonage house belonging to the benefice of Empshott, if at that date it so belongs, and the site and appurtenances thereof and the grounds heretofore usually occupied and enjoyed therewith shall, as soon as conveniently may be, be sold and disposed of by us at such time or times and in such manner in all respects as to us shall seem expedient, and the net proceeds of such sale or sales shall constitute and form part of the Expenses Fund of the diocese of Portsmouth established pursuant to the said Union of Benefices Measures.

"(2) The said endowment income and the said surplus and the said annual sum of £562 shall be deemed to accrue from day to day and shall when we deem that circumstances so require be apportionable accordingly.

"(3) Any moneys due to us from the incumbent of the united benefice, or, during any vacancy in the united benefice, from the sequestrators thereof, as the case may be (hereinafter called 'the incumbent or sequestrators') upon the calculation of the said surplus shall be paid by the incumbent or sequestrators to us not later than the 30th June in each year and shall be recoverable as a debt due to us.

8th February, 1955.

The Lords Commissioners of Her Majesty's Treasury announce that after the War the Netherlands Government sought the help of H.M. Government in measures being taken to secure the return to their rightful owners of Bearer Securities looted in the Netherlands during the Occupation. In the spirit of the Inter-Allied Declaration against

Acts of Dispossession of 5th January, 1943, and the Bretton Woods Act of August 1944, of which Article 6 is relevant, H.M. Government have already given the Netherlands Government some assistance by directing that, unless certain requirements as to current ownership are fulfilled, the Bank of England and other Paying Agents may not pay certain Bearer Securities at one time owned by Netherlands citizens. These directions have led to the return of some securities, but a certain number still remain outstanding, and H.M. Government have now agreed to instruct the Bank of England to register stock in their books in the name of a nominee of the Netherlands Government equivalent in amount to the looted British Government Bearer Securities still unrecovered. For their part, the Netherlands Government have indemnified H.M. Government against any loss which might arise as a result of legitimate claims.
