WHEREAS the Church Commissioners have duly prepared and laid before Her Majesty in Council a Scheme bearing date the 20th day of July, 1955, in the words and figures following, that is to say:—

"We, the Church Commissioners, acting in pursuance of the Pastoral Reorganisation Measure, 1949,

and the Union of Benefices Measures, 1923 to 1952, now humbly lay before Your Majesty in Council the following Scheme which we have prepared with the consent of the Right Reverend George, Bishop of Ripon (in witness whereof he has signed the Scheme) for effecting the division of the benefice of Wensley in the diocese of Ripon.

"SCHEME.

"Whereas the said Bishop of Ripon has forwarded to us provisional proposals pursuant to the said Pastoral Reorganisation Measure, 1949, recommending that the said benefice of Wensley should be divided into two separate benefices and that the two separate benefices so constituted should be held in plurality with other benefices in the said diocese of Ripon:

"And whereas effect can be given to the said proposals so far as they relate to the division of the said benefice of Wensley by a Scheme prepared by us and affirmed by Order of Your Majesty in Council pursuant to the said Union of Benefices Measures and in so far as they relate to the said pluralities by subsequent Orders made by the Bishop of the said diocese pursuant to the said Pastoral Reorganisation Measure:

"Now, therefore, we do humbly recommend and propose to Your Majesty as follows, that is to say:—

"1. Upon the day when any Order of Your Majesty in Council affirming this Scheme shall be published in the London Gazette, the benefice of Wensley shall be divided into two separate and distinct benefices under the names of 'The Benefice of Wensley' and 'The Benefice of Leyburn' respectively.

"2. The Benefice of Leyburn.

"(1) Upon the division taking effect, all that part of the parish of Wensley comprising the whole of the civil parish of Leyburn shall become and be a separate and distinct parish for ecclesiastical purposes under the style of 'The parish of Leyburn' and shall be assigned to the benefice of Leyburn as the parish thereof, and the church of St. Matthew, Leyburn, shall be the parish church thereof, and the table of fees at present in force for the parish of Wensley shall, pending the establishment of a table of fees for the parish of Leyburn by lawful authority, be the table of fees in force therefor.

"(2) The patron of the benefice of Wensley shall become and be the patron of the benefice of Leyburn.

"(3) Upon the division taking effect (a) a part of the endowment of the benefice of Wensley, that is to say, a capital sum of £6,101 9s. 4d. held by us, the said Church Commissioners, and producing an annual income of £190 16s. 8d. shall be held by us on behalf of the benefice of Leyburn as part of the endowment thereof and (b) all of the glebe lands belonging to the benefice of Wensley which are situate within the civil parish of Leyburn shall be assigned and annexed to the benefice of Leyburn as part of the endowment thereof.

"(4) The parish of Leyburn shall be in the archdeaconry of Richmond and in the rural deanery of Wensleydale.

"3. The Benefice of Wensley.

"(1) Upon the division taking effect, all that part of the parish of Wensley not comprised within the civil parish of Leyburn shall continue to belong to the separate benefice of Wensley.

"(2) Upon the division taking effect, the patron of the benefice of Wensley shall continue to be the patron of the separate benefice of Wensley.

"(3) Upon the division taking effect, all the endowments and property of the benefice of Wensley other than those assigned and annexed to the benefice of Leyburn by the preceding provisions of this scheme shall remain the endowments and property of the separate benefice of Wensley and the annual sum of £12 10s. 0d. which is charged on the benefice of Wensley by virtue of a Deed dated the 28th day of March, 1763, in favour of the benefice of Bolton with Redmire in the said diocese of Ripon shall continue to be charged upon the revenues of the separate benefice of Wensley.

"(4) The benefice of Wensley shall remain in the archdeaconry of Richmond and in the rural deanery of Wensleydale."

And whereas the provisions of the Union of Benefices Measures, 1923 to 1952, the Union of Benefices

Rules, 1926 and 1930, and the Pastoral Reorganisation Measure, 1949, relating to the preparation and submission of this Scheme have been duly complied with:

And whereas the said Scheme has been approved by Her Majesty in Council:

Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to affirm the said Scheme and to order that it shall be and become effectual in law immediately upon the publication of this Order in the London Gazette.

Civil Service Commission, 2nd August, 1955.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

**REGULATIONS FOR THE RECRUITMENT OF DRIVING AND
TRAFFIC EXAMINERS IN THE MINISTRY OF TRANSPORT
AND CIVIL AVIATION.**

1. Age.

Candidates must have been born on or before 1st July, 1925. There is no upper age limit, but in appointing persons in a permanent capacity Departments expect regular and effective service for a reasonable period, and the Commissioners will take this requirement into account.

2. Sex and Marriage.

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid. Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either:—

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. Qualification.

Candidates must have had a wide experience of driving including recent experience; experience in driving motor cycles will be an advantage. Certain motoring offences will lead to disqualification. *Candidates must know the Highway Code in detail.* A general knowledge of Road Transport law, as it affects the operation of commercial passenger and goods vehicles, will be an advantage. Experience in driving tuition, driving testing, conducting interviews or writing concise and accurate reports, will be an additional advantage.

5. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

6. Competition.

Candidates who appear from their application forms to have the best qualifications and experience will be given a special driving test conducted by Supervising Examiners of Driving Tests of the Ministry of Transport and Civil Aviation.

This test will call for an extremely high standard of driving competence; the standard is very much higher than that required for a learner-driver test. Its purpose is to ensure that successful candidates possess thorough knowledge of the principles of good driving and have the ability to apply them since, if successful in the Competition, they will be called upon to assess the driving competence of others.

In particular, the Examiners will look for

- (i) ability to read at a distance of 100 feet in good daylight (with the aid of glasses if worn) a motor car number plate containing six letters and figures;
- (ii) expert handling of all controls;
- (iii) detailed knowledge and application of the Highway Code and of correct road procedure;
- (iv) the ability to anticipate the actions of other road users and to take appropriate action;
- (v) sound judgment of speed and distance;
- (vi) consideration for other road users.

Those who pass the test will be called before a Selection Board which will recommend to the Commissioners for appointment the candidates who appear most suitable. The decision of the Commissioners will be final. The Selection Board will frame their recommendation on the candidate's record of education and experience, any recommendations that they may receive from persons named by the candidates as having direct knowledge of their work in the past, and the personal qualities of the candidate as shown at the interview.

7. Candidates Trained as Teachers.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g. the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

8. Canvassing.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.

9. Fee.

Every successful candidate will be required to pay a fee of £1 10s. before the issue of a certificate of qualification for appointment.
