

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

Provided that a candidate will not be eligible for an appointment under the Admiralty, War Office, Air Ministry or Ministry of Supply, unless he or she is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he or she may be admitted by special permission of the First Lord of the Admiralty, Secretary of State for War, Secretary of State for Air, or Minister of Supply, as the case may be.

5. Qualification.

Normally every candidate must be in possession of one of the undermentioned qualifications:—

(a) The Higher School Certificate with Mathematics or a science subject as a principal subject, or an equivalent qualification; or

(b) A General Certificate of Education in five subjects at the levels shown in brackets:—

(i) English Language (Ordinary)

(ii) Two mathematical or scientific subjects (Advanced)

(iii) Mathematics (Ordinary), if no mathematical subject is offered in (ii)—except in the case of candidates who offer two biological subjects (Advanced) in (ii)

(iv) A scientific subject (Ordinary) if no scientific subject is offered in (ii)

(v) Balance of one or two subjects (Ordinary) at candidate's choice.

Passes in the Intermediate B.Sc. Examination will be accepted in lieu of Advanced level passes.

To assist candidates during the change-over period they will be admitted to this competition if they already possess a School Certificate and in addition obtain passes at the General Certificate of Education examination in two mathematical or scientific subjects at Advanced level; or

(c) The Scottish Leaving Certificate with passes in five subjects, of which one must be English. Three of the passes must be on the higher grade, and two of these must be in mathematical or scientific subjects. (Passes at the Scottish Universities Preliminary Examination will be accepted as equivalent to passes in the Scottish Leaving Certificate.); or

(d) The Senior Certificate of the Ministry of Education for Northern Ireland showing passes in English Language and

(i) passes in two Science subjects* at Advanced level, in Mathematics at Ordinary level, and in one other subject; or

(ii) passes in one Science subject* at Advanced level and in two Mathematical subjects at Advanced level and in two other subjects; or

(iii) passes in three Mathematical subjects at Advanced level and in one Science subject* and in one other subject; or

(e) A statement from the Scottish Education Department or the Ministry of Education for Northern Ireland showing that they have attained a standard equivalent to that required by (a) or (b) above; or

(f) A university degree in a scientific or engineering subject or in Mathematics; or

(g) Graduate membership of any professional institution accepted by the Commissioners as appropriate (e.g. Institution of Civil Engineers, Institution of Mechanical Engineers, Institution of Electrical Engineers); or

(h) The Higher National Certificate; or

(j) The final certificate of a grouped course at the City and Guilds of London Institute in Telecommunications or metallurgy; but

(k) Candidates who are not in possession of such certificate or equivalent qualification may be admitted exceptionally by the Commissioners, at their discretion, if evidence of suitable experience on scientific research and development work can be produced; and if the candidates are certified by their Department as being worthy of consideration.

6. Application.

A candidate may submit an application if he is not yet qualified under Regulation 5 but is sitting for a qualifying examination during 1956. If he is selected for interview and found acceptable he will not be declared successful until it is known from the result of his examination that he satisfies Regulation 5.

A candidate admitted under the concession will be expected to furnish documentary evidence of the result of the examination to the Commissioners as soon as possible.

A candidate may make one and only one application under these Regulations during the year.

7. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

8. Competition.

(i) The Commissioners may at their discretion summon candidates to a preliminary informal interview.

(ii) A certain number of the candidates will be chosen on the basis of the information available, to appear before a Selection Board appointed by the Commissioners.

(iii) The decision of the Commissioners will be final.

9. Assignment.

It will rest with the Commissioners to determine the Department to which each successful candidate shall be assigned. In making the assignments the Commissioners will be guided by the requirements of the public service but the wishes of candidates will be met as far as possible.

10. Fee.

A successful candidate will be required to pay a fee of £2 before the issue of a certificate of qualification for appointment.

* The Science subjects for this purpose are (a) Physics, (b) Chemistry, (c) Botany or Biology.
