*Civil Service Commission, 17th January, 1956.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

## RECRUITMENT OF VEHICLE EXAMINERS IN THE MINISTRY OF TRANSPORT AND CIVIL AVIATION.

## 1. Age.

Candidates must have been born on or before 1st January, 1926. There is no upper age limit, but in appointing persons in a permanent capacity Departments expect regular and effective service for a reasonable period, and the Commissioners will take this requirement into account.

## 2. Sex and Marriage.

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or who separated from their husbands, or whose

husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

### 3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

### 4. Qualifications.

Candidates must be first-class motor mechanics and have had a good comprehensive training. They must also have had a minimum of three years' practical experience beyond the apprenticeship stage with a reputable firm of motor engineers, or a public authority, or have had equivalent experience in the Armed Forces. They should have good practical experience of the construction and repair of chassis and bodies of both goods and public service vehicles, and of driving such vehicles. They should know the Highway Code in detail. They must be capable of working without immediate supervision and able to write reports in a clear and concise manner.

The possession of a Higher National Certificate in Mechanical Engineering or evidence of an equivalent standard of technical education or specialist qualification will be an advantage.

### 5. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

### 6. Competition.

Candidates who appear from their application forms to have the best qualifications and experience will be called before a Selection Board consisting of representatives of the Civil Service Commissioners and of the Ministry of Transport and Civil Aviation, which will recommend to the Civil Service Commissioners for appointment the candidates who appear most suitable. The Selection Board will frame their recommendation on the candidate's record of education and experience, any recommendations that they may receive from persons named by the candidate as having direct knowledge of their work in the past, and the personal qualities of the candidate as shown at the interview. The Civil Service Commissioners may, at their discretion, require a candidate to take a practical test to satisfy them as to his technical knowledge and driving ability. The driving test will be the same test as given to applicants for a P.S.V. (all types) licence. The decision of the Civil Service Commissioners will be final.

### 7. Candidates trained as Teachers.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g. the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

### 8. Fee.

Candidates selected for appointment will be required to pay a fee of £2 10s. before the issue of a certificate of qualification for appointment.

### 9. Canvassing.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.
