12th March, 1956.

Civil Service Commission, 13th March, 1956.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

REGULATIONS FOR THE RECRUITMENT OF (1) CARTOGRAPHICAL DRAUGHTSMEN IN CERTAIN GOVERNMENT DEPARTMENTS AND (2) CARTOGRAPHICAL DRAUGHTSMEN OR SURVEYORS IN THE ORDNANCE SURVEY OFFICE.

1. Age

SECTION I (Untrained). Candidates must be at least 16 and under 21 years of age on 1st January, 1956, i.e., they must have been born on or after 2nd January, 1935, and on or before 1st January, 1940.

But a candidate who has served or is serving in H.M. Forces may deduct from his actual age the period of such service rendered before 1st January, 1956.

SECTION II (Trained). Candidates must be at least 18 years of age on 1st January, 1956, except that candidates for vacancies in the Admiralty and Ordnance Survey must be at least 21 years of age on 1st January, 1956. There is no upper age limit, but in appointing persons in a permanent capacity Departments expect regular and effective service for a reasonable period, and the Commissioners will take this requirement into account.

2. Sex and Marriage

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widowed or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid. Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

3. Nationality

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is, or was at death, a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

Provided that a candidate will not be eligible for an appointment under the Admiralty or War Office unless he or she is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he or she may be admitted to competition or appointment by special permission of the First Lord of the Admiralty or the Secretary of State for War, as the case may be.

4. Qualifications and Experience

Every candidate must at the time of application either

(a) have passed in Geography and in any two of the following subjects:—English, Mathematics, Art, a Science subject, a Modern Language in

(i) General Certificate of Education at Ordinary level or

(ii) Scottish Leaving Certificate on the Lower grade or

(iii) Senior Certificate of the Ministry of Education for Northern Ireland or

(iv) School Certificate at credit standard or

(b) produce a statement from the Scottish Education Department, or the Ministry of Education for Northern Ireland that the candidate has attained an equivalent standard.

Except that for posts in the Admiralty, Department of Health for Scotland, Directorate of Colonial Surveys and the War Department candidates will satisfy this Regulation if they have attained the standards specified in (i) to (iv) above in any three of the subjects Geography, English, Mathematics, Art, a Science subject, a Modern Language.

Preference will be given to candidates who can offer passes in any subject, but particularly in Geography, at the Advanced level or its equivalent.

NOTE.—Where English is specified it means the subject English Language in English Certificates and

the subject English in the Scottish Certificate. In the Northern Ireland Certificate it means the subject English if the Certificate was obtained in 1951 or earlier and English Language if obtained in 1952 or later.

Where a Science subject is specified, a pass in a domestic science subject will not be accepted.

Candidates will be required to produce specimens of their work, and candidates in Section I may be asked to demonstrate their aptitude for this class of draughtsmanship at a short informal test at the time of their interview.

Candidates for Section II must have had, at the time of application, at least two years appropriate experience in a drawing office. In certain Departments, experience relevant to the special work of the Department may be required. A knowledge of, and some experience in Surveying would be an advantage for some posts, especially for surveying appointments in the Ordnance Survey.

Provided that exceptionally a candidate for Section II who does not possess the basic educational qualifications may be admitted to the competition if he or she has served satisfactorily on cartographical work for at least two years in a Government Department and can obtain from his or her Department a Certificate of Competency.

5. Application.

A candidate may make one, and only one, application under these Regulations.

6. Health and Character.

Every successful candidate must satisfy the Commissioners as to his or her health and character.

7. Competition.

The Commissioners may summon to appear before a Selection Board all who are found to be *prima facie* eligible, or may, if they see fit, summon only those whose qualifications and experience are considered to be specially suitable for the posts for which they are being considered. The Board will take into consideration the candidates' record of education and experience, any recommendation from persons named by the candidates as having direct knowledge of their work in the past, the quality of the specimen work produced, and the personal qualities of the candidates as shown at the interview; and on their estimation of all the above factors they will frame their recommendations. The decision of the Civil Service Commissioners shall be final.

8. Candidates trained as teachers.

Persons upon whose training elsewhere than in England and Wales for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

9. Assignment.

Candidates will be required to state on their application forms for which Department or Departments they are competing. If a candidate is successful for more than one Department, the Commissioners will determine to which Department he shall be assigned, but his own wishes will be met as far as possible.

A candidate successful in Section I will not be assigned to a Department which can only take trained recruits.

10. Canvassing.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidate's work, whether at school or other educational institution, in the Forces, or otherwise.

11. Certificate of Qualification.

Candidates appointed under Section I will be certificated as Cartographical Draughtsmen (Untrained); candidates appointed under Section II will be certificated as Cartographical Draughtsmen (Trained) and candidates appointed to the Ordnance Survey Office will be certificated as Cartographical Draughtsmen (Trained) or Surveyors.

12. Fee.

A successful candidate shall be required to pay a fee of £1 before the issue of a certificate of qualification for appointment.
