**GENERAL REGULATIONS DATED 31ST AUGUST, 1956, MADE BY THE CIVIL SERVICE COMMISSIONERS UNDER THE CIVIL SERVICE ORDER IN COUNCIL, 1956.**

Her Majesty's Civil Service Commissioners (hereinafter called "the Commissioners") by virtue of the powers conferred on them by Article 5 of the Civil Service Order in Council, 1956, hereby make, with the approval of the Treasury and Her Majesty's Secretary of State for Foreign Affairs, the following Regulations:

**PRELIMINARY**

1. (1) These Regulations are General Regulations applicable to candidates of both sexes and to all appointments, transfers or promotions in respect of which a certificate of qualification is, by virtue of the Civil Service Order in Council, 1956, required to be issued by the Commissioners.

(2) In the application of these Regulations to the Foreign Service references to the Treasury shall be construed as references to Her Majesty's Secretary of State for Foreign Affairs.

(3) In these Regulations, unless the contrary intention appears,—

(a) words importing the masculine gender shall include females, and

(b) words in the singular shall include the plural and words in the plural shall include the singular, and

(c) the expression "Civil Service" shall mean Her Majesty's Home Civil and Foreign Services, and

(d) the expression "prescribed" shall mean prescribed by regulations made from time to time as occasion requires by the Commissioners with the approval of the Treasury for the situation or class of situations concerned, provided that, where the situation or class of situations is peculiar to one Department, the regulations shall also be agreed with the Head of that Department.

(4) References in these Regulations to any enactment shall, except in so far as the context otherwise requires, be taken as referring to that enactment as amended by or under any other enactment.

**AGE**

2. (1) Every candidate shall satisfy the Commissioners that he is within the limits of age prescribed.

(2) If no limits of age are prescribed, the candidate shall satisfy the Commissioners that his age is suitable to the duties of the situation which he seeks.

3. Except for an appointment made by open competition, the Commissioners upon the application of the Head of a Department and with the approval of the Treasury, may, if they are satisfied that there is due and sufficient cause, extend for any candidate the upper limit of age prescribed.

## HEALTH AND REGULARITY OF ATTENDANCE

4. (1) Subject to the provisions of paragraphs (2) (3) and (4) of this Regulation every candidate shall satisfy the Commissioners that his health is such as to qualify him for the situation which he seeks and that he is likely to give regular and effective service up to the normal minimum age of retirement:

Provided that in the case of a candidate who is a person

(a) already employed in a permanent capacity in the Civil Service, or

(b) employed in a permanent capacity on functions which have been transferred to the Crown and who is being admitted for employment in the Civil Service in consequence of such transfer, or

(c) employed in a permanent capacity in a situation the remuneration of which is paid out of a fund which, from its being administered by a public department, the Treasury has determined to be a public fund for the purposes of section 4 of the Superannuation Act, 1892,

the Commissioners may, at their discretion, grant a certificate of qualification on being satisfied that he is qualified in respect of age, character, knowledge and ability, and nationality without requiring evidence as to health and regularity of attendance, provided that they are also satisfied that the situation to which it is proposed to appoint him does not require a higher standard of health than the situation which he already holds.

(2) (a) In the case of a candidate whose health has been impaired by reason of service in the armed forces of the Crown during the wars which commenced on the 4th August, 1914, and the 3rd September, 1939, or in the case of a candidate who has sustained a war service injury as defined in the Personal Injuries (Civilians) Scheme (S.R. & O. 1944, No. 369) while serving as a member of a Civil Defence Organisation as defined in that Scheme and in the Personal Injuries (Civilians) Scheme (Amendment) Order (S.R. & O. 1944, No. 1099), the Commissioners may issue a certificate of qualification (hereinafter called a "Modified (War) Certificate") in favour of such candidate if the prescribed conditions as to age, character, knowledge and ability, and nationality are satisfied and if the Commissioners are satisfied that he is fit to discharge the duties of the situation which he seeks or to which he is proposed for appointment and that he is likely to render regular and effective service for 15 years, or, in the case of a candidate already serving in a temporary capacity in a situation which leads in the normal course to permanent employment, for 10 years.

(b) A Modified (War) Certificate may also be issued at the Commissioners' discretion in favour of a candidate whose health has been impaired by reason of service in the armed forces of the Crown otherwise than during the wars which commenced on the 4th August, 1914, and the 3rd September, 1939, if the conditions specified in the preceding sub-paragraph of this Regulation are fulfilled and the Commissioners are satisfied that the impairment is due to such service in a country where in their opinion, for the purposes of this Regulation, war-like operations were in progress at the time of the impairment.

(c) Where the Commissioners are unable under paragraph (2) (a) or paragraph (2) (b) of this Regulation to decide whether such a candidate is or is not likely to render effective service for 15 or 10 years as the case may be, they may, if they think fit, issue in favour of such candidate a "Special Recommendation" under which he may be employed for such period to be specified in the Recommendation as the Commissioners may, subject to any regulations made by them, think fit. At the end of the period fixed by the Recommendation the Commissioners will reconsider the case and if they are satisfied that, reckoning the period of 15 or 10 years' effective service as from the beginning of service under the Recommendation, the conditions enabling them to grant a Modified (War) Certificate are fulfilled, they shall grant such a certificate, and if not so satisfied they may either extend the period of the Recommendation or terminate it.

(3) Every candidate whom it is proposed to appoint for a limited period of five years or more or in respect of whom it is proposed to renew an appointment for a limited period for such time as will make the total period of continuous service

five years or more shall satisfy the Commissioners that he is likely to give regular and effective service for the period of years concerned, and the certificate of qualification (to be known as a "Limited Period Certificate") issued in his favour shall be valid only for the period specified in the certificate.

(4) In the case of a candidate who does not fully satisfy the Commissioners on grounds of health and regularity of attendance under paragraphs (1), (2) (a) or (2) (b) of this Regulation, they may at their discretion issue a restricted certificate of qualification (to be known as a "Restricted (Health) Certificate") in his favour if the prescribed conditions as to age, character, knowledge and ability, and nationality are satisfied and they are satisfied that he is likely to give effective and reasonably regular service for a reasonable period in the situation which he seeks or to which he is proposed for appointment.

(5) A person shall not be deemed, for the purposes of the Superannuation Acts, 1834 to 1950, to have been admitted into the Civil Service with a certificate from the Commissioners by reason only that he is employed in the Civil Service by virtue of a Special Recommendation, a Limited Period Certificate or a Restricted (Health) Certificate made or issued in his favour pursuant to the foregoing provisions of this Regulation.

## CHARACTER

5. Every candidate shall satisfy the Commissioners that his character is such as to qualify him for the situation which he seeks.

## KNOWLEDGE AND ABILITY

6. The Commissioners shall satisfy themselves that every candidate is qualified in respect of knowledge and ability to discharge the duties of the situation which he seeks.

7. Subject to the provisions of Regulations 8 and 10 hereof, the tests in respect of knowledge and ability shall be such as are prescribed.

The normal method of entry shall be by means of prescribed competitions, open to all persons of the requisite age, health, character and other qualifications prescribed who may be desirous of attending the same upon application made at the time and in the manner and subject to the payment of the fees from time to time prescribed or specified. Such competitions shall be held at such periods and for such situations or classes of situations as the Commissioners with the approval of the Treasury shall from time to time determine.

8. Where in exceptional cases no tests are prescribed for the situation or class of situations in question or where the Commissioners have in accordance with the provisions of Regulation 10 hereof dispensed with any tests the method of selection shall be such as (having regard to the nature of the duties to be performed and to any other matters which may appear to the Commissioners to be relevant) they in their discretion, after consultation with the Treasury, may think appropriate.

9. Where tests are prescribed, the regulation will lay down whether they shall be qualifying tests of candidates nominated by the Head of a Department, or competitive tests, and if competitive whether among candidates nominated by the Head of a Department or open to all persons who satisfy the conditions prescribed, and whether by written examination or by written examination and interview or by interview or otherwise.

10. Without prejudice to the provisions of Regulation 6 hereof the Commissioners may, if they think fit, dispense with or modify any tests, whether competitive or qualifying, if—

(a) the Head of the Department and the Treasury consider after enquiry in the Civil Service that for a particular situation qualifications wholly or in part professional, or otherwise peculiar and not ordinarily to be acquired in the Civil Service, are required, or

(b) the candidate concerned, having been employed in a quasi-permanent capacity on work which has proved to be of a permanent character and having given throughout a sufficient period of trial proof of fitness to perform the duties required, is put forward with the approval of the Treasury by the Head of the Department for establishment, or

(c) it has been proved to the satisfaction of the Treasury and the Commissioners that it is desirable in the interests of the public service that a person who already holds a certificate of qualification for employment in a permanent appointment in the Civil Service should be transferred or

promoted to or otherwise receive another such appointment in circumstances requiring the issue of a further certificate of qualification, or

(d) the Head of the Department or other appointing authority has satisfied the Treasury and the Commissioners that the admission of a particular candidate to a specified situation is for special and exceptional reasons justified by the needs of the public service and the proved merits of the candidate, or

(e) it has been proved to the satisfaction of the Treasury and the Commissioners that it is desirable that the candidate concerned, having been employed on functions which have been transferred to the Crown, should be admitted for employment in the Civil Service, or

(f) it has been proved to the satisfaction of the Treasury and the Commissioners that it is desirable, by reason of a shortage of qualified candidates, to admit to a particular situation a candidate who has reached an appropriate standard either in a competition for a higher situation but has failed to secure appointment to that situation or in an examination recognised by the Commissioners as indicating a standard of education appropriate to the situation in question, or

(g) it has been proved to the satisfaction of the Treasury and the Commissioners that it is desirable that a candidate already holding a pensionable situation in another Public Service should be admitted for employment in the Civil Service.

#### REINSTATEMENT AND REDUCTION

11. In any case in which the Head of a Department with the approval of the Treasury nominates a candidate for reinstatement in the Civil Service or for appointment to a situation inferior to that which he already holds, the Commissioners may dispense with any further test in respect of knowledge and ability.

#### NATIONALITY

12. (1) To be eligible for appointment to a situation (other than a situation in the Cabinet Office, Ministry of Defence, Admiralty, War Office, Air Ministry or Ministry of Supply or a situation in the Foreign Service or other situation under the Secretary of State for Foreign Affairs) a candidate must be a British subject, a British protected person or a citizen of the Irish Republic and in addition satisfy one of the following conditions:—

(a) if he was a British subject, a British protected person or a citizen of the Irish Republic at birth—

(c) if not qualified under sub-paragraph (a) or sub-paragraph (b) of this paragraph, he must satisfy the Commissioners that he is so closely connected with a country or territory within the Commonwealth either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in his favour.

(2) A candidate will not be eligible for appointment to a situation in the Cabinet Office, Ministry of Defence, Admiralty, War Office, Air Ministry or Ministry of Supply unless (i) at all times since his birth he has been either a British subject or a citizen of the Irish Republic and (ii) he was born in a country or territory which is (or then was) within the Commonwealth or in the Irish Republic and (iii) each of his parents was born in a country or

Provided that, notwithstanding that the aforesaid conditions are not satisfied, he may, by special permission of the Secretary of State, be admitted to appointment to—

(b) any other situation under the Secretary of State if the conditions specified in paragraph (1) of this Regulation are satisfied.

(4) For the purposes of this Regulation references to citizens of the Irish Republic include references to citizens of the Irish Free State or of Eire.

#### SPECIAL CERTIFICATE

13. If a class or classes of persons have been transferred to the Civil Service by or in pursuance of any Act of Parliament, without the stipulation that transfer shall be conditional upon the issue of a certificate of qualification by the Commissioners, the Commissioners may, if they think fit, confine their enquiries in respect of such persons to matters of age, health and nationality and issue certificates of qualification in favour of so many of them as are able to satisfy the Commissioners of their fitness for appointment in these respects, without concerning themselves with the candidates' fitness in respect of character or knowledge and ability.

#### FEES

14. Every candidate shall pay fees in such manner, at such times and in such amounts as the Commissioners with the approval of the Treasury have prescribed or specified by notice published in the London Gazette or shall from time to time prescribe or specify accordingly.

The Commissioners may, with the like approval and in like manner, exempt from the payment of fees such candidates or classes of candidates as they may think fit to exempt, and may cancel or vary any preceding regulations or notice or any part thereof.

## NOTICE OF SEIZURE UNDER THE CUSTOMS AND EXCISE ACT, 1952.

31st August, 1956.

To:—

DESIRE STAMPAERT,  
66-70, Rue Neuve St. Pierre,  
Gand,  
Belgium.

Pursuant to section 275 (5) of the Customs and Excise Act, 1952, and paragraph 1 of the 7th Schedule thereto, the Commissioners of Customs and Excise hereby give you notice that by virtue of the powers contained in the customs and excise Acts and enactments amending those Acts, certain goods, to wit, a consignment of jugs, vases, figures, plates, cups, lampstands, candlesticks, bowls, teapots, bottles, boxes and pepperbox packed in thirty-four cases marked DIA 3776/1-6; A.V.P. 466-475; A.V.P. 837-839; A.V.P. 859-861; A.V.P. 928-935 and D.S.T. 1-4 imported in s.s. "Goldfinch" at Free Trade Wharf, London on 9th January, 1956, and entered for home use on entry No. III 8998/24.1.56 have been seized as liable to forfeiture upon the grounds that

(1) the said goods were found not to correspond with the entry made thereof because the entry declared

(a) that the country of origin of the said goods was Belgium, and

(b) that the said goods were antiques and over 100 years old and had not been altered or adapted in any way

when in fact (a) the country of origin of the said goods was not Belgium, but was, in respect of the majority of the goods, East Germany, and in respect of the remainder of the goods, Holland, France, West Germany, England, China, Denmark, and Japan respectively, and (b) the said goods are, except for a few pieces, not antiques, and not over 100 years old or have been altered or adapted;

(2) those pieces in the said consignment which are of East German origin were imported contrary to the prohibition in force with respect thereto by virtue of the Import of Goods (Control) Order, 1954;

(3) those pieces in the said consignment not over 100 years old are goods chargeable with a duty of customs and were unshipped in the Port of London without payment of that duty;

(4) a person, namely Desire Stampaert, made documents, namely seven invoices marked invoice I, invoice II, invoice III, invoice IV, invoice V, invoice VII, and invoice IX respectively for a purpose of an assigned matter, which were untrue in a material particular because each such invoice certified that all the articles mentioned thereon were genuine antiques when in fact the articles mentioned thereon were not all genuine antiques, and the said invoices were made knowingly or recklessly;

(5) on 12th May 1956 an officer of Customs and Excise required Mrs. Josephine N. Bonn and Desire Stampaert, being the persons possessing or having control of the said goods, to furnish proof that the importation of the said goods was not unlawful by virtue of the Import of Goods (Control) Order, 1954, and such proof has not been furnished to the satisfaction of the Commissioners of Customs and Excise,

(6) those pieces in the said consignment which are antiques over 100 years old were things packed or found with other things, namely pieces not antiques over 100 years old, liable to forfeiture under the Customs Acts.

Whereby and by force of section 44(a), (b) and (e) and sections 301 (3) and 277 (1) of the Customs and Excise Act, 1952, and section 3 (1) and (3) of the Import, Export and Customs Powers (Defence) Act, 1939, the said goods are liable to forfeiture.

If you claim that the said goods are not liable to forfeiture you must within one month from the date of this notice of seizure give notice of your claim in accordance with the said Schedule to the said Act specifying the name and address of a Solicitor in England who is authorised to accept service of process and to act on your behalf. In default of such notice the said goods will be deemed to have been duly condemned as forfeited and will be liable to be disposed of in such manner as the Commissioners of Customs and Excise may direct. If you make such claim within the time aforesaid, legal proceedings will be taken for the condemnation thereof.

(Sd.) K. Bowes, Officer of Customs and Excise.
