"And whereas by Orders in Council dated the 13th August, 1920, 8th December, 1924, 25th June, 1925, 1st February, 1926, 28th September, 1944, 24th January, 1945, 20th March, 1946, 2nd April, 1947, 4th September, 1952, and 3rd June, 1954, provision is made for the increase of certain Naval pensions and other awards including awards administered by the Ministry of Pensions and National Insurance, to correspond as nearly as may be, with the benefits provided by the aforementioned Pensions (Increase) Acts:

"And whereas we now deem it expedient to make further provision for the increase of such awards to correspond, as nearly as may be, with the benefits provided, in the case of certain civil pensions, by the Pensions (Increase) Act, 1956:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction the provisions set out in the Schedules annexed hereto with effect from 1st April, 1956.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in these proposals.

"(c) men's Service pensions including elements for rank and age if assessed under regulations in force before 1st January, 1956.

"(d) pensions payable under Order in Council of 23rd May, 1952, and previous Orders relating to Riggers and Yardcraft personnel if beginning before the relevant date.

"(e) pensions payable under Order in Council of 3rd July, 1939, and previous Orders relating to European and Indian members of the Hong Kong Dockyard Police if beginning before the relevant date.

"(g) pensions payable under Order in Council of 23rd May, 1952, and previous Orders relating to certain Shipwrights if beginning before the relevant date.

"(h) Officers' and Mens' widows' 'ordinary' pensions and Childrens' 'ordinary' pensions.

"(i) Victoria Cross Annuities of £10 (with £5 for each bar) and pensions for distinguished conduct.

"(j) Meritorious Service Annuities payable to Royal Marines when the recipient is also in receipt of another pension increasable under this Schedule.

"(k) Retired Officers' Naval Pensions and Good Service Pensions.

"(l) Any award increased under Orders in Council of 13th August, 1920, or the 8th December, 1924, or which would have been increasable under those Orders but for the income limits imposed thereby.

"(m) Pensions payable under Order in Council of 11th July, 1951, and previous Orders relating to Officers of the Royal Fleet Auxiliary Service if beginning before the relevant date.

"(n) the service retired pay of Officers of the former Royal Indian Navy.

"Note: Additions to pension in respect of gallantry awards shall for the purposes of this Schedule be regarded as service elements of pension forming a part of the pension to which they are attached.

"2. An award to which this Schedule relates may be increased provided

"(a) the pensioner has attained the age of 60 years or, where the pension is a widow's pension, 40 years, or has not attained the age of 16 years; or

"(b) the pensioner was invalidated from the Naval service; or

"(c) the pensioner is a woman who has at least one dependant (as defined in Clause 8 below); or

"(d) the pensioner is permanently incapacitated by physical or mental infirmity from engaging in any regular full time employment.

"3. Except in the cases specified in Clauses 4 and 5 below, the increase admissible shall be 10 per cent. of the basic pension, as defined in Clause 6, but subject to a maximum increase of £100 a year.

"4. In the case of Officers retired pay assessed under regulations having effect from a date after 31st August, 1950, where the award takes into account service in ranks or equivalent ranks above that of Commander, the increase shall be the following percentage of the basic pension:—

"(a) Where the rate of retired pay takes into account less than 6 years service as Captain R.N.

or service as Lieutenant Colonel, Royal Marines. 7½ per cent.

"(b) Where the rate of retired pay takes into account over 6 years' service as Captain R.N. or service as Colonel, Royal Marines. 5 per cent.

"(c) Where the rate of retired pay takes into account service in a rank higher than Captain, R.N. or Colonel, Royal Marines. 2½ per cent.

"Note: For Paymasters, Barrackmasters and Quartermasters, Royal Marines, and for all Chaplains except Chaplains of the Fleet, the rate of percentage increase will, however, be determined as follows:—

"(i) If the rate of basic pension is £675 per annum or less ... .. 10 per cent.

"(ii) If the rate of basic pension is above £675 per annum ... .. 7½ per cent.

"5. In the case of family pensions awarded or assessed under regulations having effect from a date after 30th November, 1952, the increase shall be 5 per cent. of the basic pension.

"6. For the purpose of assessing the admissible increase, the basic pension shall be the pension currently in payment less any portion of the award which is an increase under any former Pensions Increase Order in Council.

"Where an Officer's retired pay has been re-assessed in respect of war service, the basic pension shall be the award as so re-assessed and currently in payment, notwithstanding that Pensions Increase may have been imputed in its calculation, but alternatively the officer may, in place of the re-assessed award, receive the retired pay and increase (including increases under former Pensions Increase Orders in Council) otherwise admissible.

"Where men's service pensions have been re-assessed in respect of 1939-45 War service the basic pension shall be the award as so re-assessed and currently in payment.

"7. Where any part of a pension is commuted after 31st March, 1956, the amount so commuted may nevertheless be included, as if it were still part of the pension, in assessing the increase permissible.

"8. The expression 'dependant' for the purpose of Clause 2 (c) shall mean a person wholly or mainly supported by the pensioner and who either:—

"(a) has not attained the age of 16 years, or who is in receipt of full time instruction at an educational establishment, or undergoing training for any trade, profession or vocation, in such circumstances that he is required to devote the whole of his time to that training for a period of not less than two years; or

"(b) immediately before the date of effect of this Order in Council qualified the pensioner for an increase of pension under former Pensions Increase Orders in Council which would otherwise have been inadmissible.

"Where an increase of pension is admissible by virtue of (b) above, the amount of the increase shall be reduced for any period by the amount by which the total income of the dependant for that period exceeds the rate of £156 a year.

"9. The grant of an increase of pension under this Schedule shall not affect entitlement to increase of pension under former Pensions Increase Orders in Council, as amended by the Second Schedule hereto, and any increase granted under this Schedule shall be disregarded in assessing the increase admissible under those Orders in Council.

#### "SCHEDULE II.

"With effect from 1st April, 1956, the provisions of former Pensions Increase Orders in Council shall be modified as follows:—

"(a) Conditions relating to the income or means of the pensioner shall cease to have effect;

"(b) The amount of increase shall be that applicable to a married pensioner, whether or not the pensioner is in fact married;

"(c) In the case of Order in Council dated 13th August, 1920, Clause 4, and the Schedule to Order in Council dated 8th December, 1924, the upper limit of the amount of a pension which may be increased by 30 per cent. shall cease to have effect, so, however, that no pension shall be increased thereunder by an amount greater than £60 a year.

"(d) In the case of the First Schedule of Order in Council dated 28th September, 1944, Clause 3, as amended by Order in Council of 2nd April, 1947, Schedule, Clause B (3), the upper limit of the amount of a pension which may be increased by £60 a year shall cease to have effect, so that the relevant increase on all pensions of £200 or more a year shall be £60.

"(e) The definition of a dependant and the rules for assessing the increase payable where the pensioner is eligible for an increase of pension solely by reason of the dependence of some other person shall be as in Clause 8 of the First Schedule hereto.

"(f) Where any part of a pension has been commuted on or after the date of effect of any former Pensions Increase Order in Council, the amount so commuted may, notwithstanding any provision to the contrary, be included as if it were still part of the pension in assessing the increase admissible under that Order in Council as now amended. For this purpose the date of effect of Pensions Increase Orders in Council dated 1920 to 1924 shall be taken as 1st April, 1920, and the date of effect of Pensions Increase Orders in Council dated 1944 to 1947 shall be taken as 1st January, 1944.

"2. Where the terms of any former Pensions Increase Orders in Council require that, for the purpose of determining the rate of increase payable severally on a pension and on some other pension drawn by the same individual, the awards shall be aggregated, the rules for such aggregation, and for the allocation of the total permissible increase between the pensions, shall be as provided in the Pensions Increase Act corresponding to that Order in Council (as amended by the Pensions Increase Act, 1956).

#### "SCHEDULE III.

##### "Special Provisions.

"The retired pay and additional retired pay granted to officers in respect of service in certain salaried appointments made under the provisions of Orders in Council dated 13th December, 1921, 26th May, 1925, and 23rd July, 1931, and subsequent amending Orders in Council, may be increased as follows:—

"(a) the retired pay earned by service on the active list shall be increased by the amount of pensions increase appropriate at the date of the officer's final retirement; the additional retired pay earned by service in the salaried appointment after being placed on the retired list shall then be added to the original retired pay, increased as above, and the whole amount treated as a civil pension dating from final retirement; but

"(b) Where the total under (a) above is wholly or partially excluded from further increase by reason of the date of final retirement or the amount of retiring salary, the minimum increase will be the amount of increase which could be given on the rate of retired pay awarded for service on the active list.

"2. In the case of the pensions specified at (d), (e), (f), (g) and (m) of Schedule I of this Order, the award may be increased only to the extent to which a corresponding award under the Superannuation Acts would have been increasable under the provisions of the Pensions (Increase) Act, 1956.

#### "SCHEDULE IV.

##### "General Provisions.

"Any general conditions attaching to the grant or continuance of a pension shall also apply to the grant or continuance of any increase to that pension.

"2. The expression 'pension' in the Schedules to this Order in Council includes any award increasable under its provisions, or under the provisions of former Pensions Increase Orders in Council.

"3. The expression 'the relevant date' in Schedule I means 1st January, 1950, where the pension is calculated on average pay and emoluments of £1,500 a year or more and 1st April, 1954, in all other cases."
