The QUEEN's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 31st day of October, 1956 (N.P. 4822/56) in the words following, viz. :—

"Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted *inter alia* that all pay, pensions, or other allowances in the nature thereof payable in respect of services in Your Majesty's Naval or Marine Force to a person being or having been an Officer, Seaman or Marine therein shall be paid in such manner and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council:

"And whereas by Orders in Council dated 29th March, 1949, and 2nd November, 1950, a system of National Service grants was instituted with effect from 1st January, 1949, whereby grants not exceeding a maximum of £3 per week may be issued in certain circumstances to the following classes of Naval and Marine personnel to assist them to provide for their dependants during their called up service:—

At the Court at Buckingham Palace, the 1st day of November, 1956.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 31st day of October, 1956 (N.P. 4521/56) in the words following, viz. :—

"Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, pensions or other allowances in the nature thereof payable in respect of services in Your Majesty's Naval or Marine Force to a person being or having been an Officer, Seaman or Marine therein, shall be paid in such manner and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council:

"And whereas by Order in Council dated the 8th day of December, 1950, and subsequent Orders in Council, certain rates of pay and allowances were laid down for Officers of Your Majesty's Naval and Marine Forces:

"And whereas we are of opinion that certain of these rates of pay and allowances require revision; and that National Service Officers on attaining the age of 21 should be eligible for the same rates of marriage allowance as regular Officers:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction the proposals contained in the Schedules annexed hereto, with effect from the 1st day of April, 1956, except where otherwise provided and in substitution for the provisions previously authorised:

“ The arrangements laid down in paragraph 4 of Schedule II of Order in Council of the 19th October, 1954, to apply, except that service addition to pay is discontinued and that the sum of 2s. 0d. a day is to be added to the total emoluments as rating in order to determine the point of entry on the scale.

“ Where the emoluments as a rating, plus 2s. 0d. a day, on the above basis, produce a total rate above the maximum of the scale for Commissioned Officer, the rate of pay assessed on rating's emoluments, plus 2s. 0d. a day, is to be retained until promoted to Senior Commissioned Officer. If, on promotion, the rate of pay in issue based on rating's emoluments does not exactly equal a point in the Senior Commissioned Officers' scale, the point of entry to the scale is to be the point immediately above. Officers will then proceed by normal increments from their point of entry to the maximum of the Senior Commissioned Officers' scale.

“ Where the operation of the scale shown in Column A above would at any incremental stage be advantageous to any Branch Officer promoted to

commissioned rank before 1st October, 1956, he is to be allowed to retain his rights to this scale with effect from 1st April, 1956. The pay of Branch Officers promoted to commissioned rank on or after 1st October, 1956, to be assessed on the scale shown in Column B above.

REGULATIONS FOR THE RECRUITMENT OF CIVILIAN CHEF INSTRUCTORS (MEN) UNDER THE AIR MINISTRY.

- Men only are eligible.
- Candidates must, on a date to be fixed for each competition, be at least 28 years of age. There is no upper age limit, but Departments expect regular and effective service for a reasonable period, and this requirement will be taken into account.
- A candidate will not be eligible for appointment unless (i) at all times since his birth he has been either a British subject or a citizen of the Irish Republic and (ii) he was born in a country or territory which is (or then was) within the Commonwealth or in the Irish Republic and (iii) each of his parents was born in a country or territory which is (or then was) within the Commonwealth or in the Irish Republic and is or was at death a British subject or a citizen of the Irish Republic and has or had been one or the other at all times from birth:

Provided that, notwithstanding that the aforesaid conditions are not satisfied, he may be admitted to

appointment by special permission of the Secretary of State for Air if he is a British subject, a British protected person or a citizen of the Irish Republic and in addition satisfies one of the following conditions:—

(a) if he was a British subject, a British protected person or a citizen of the Irish Republic at birth—

(i) at least one of his parents must be, or have been at death, a British subject, a British protected person or a citizen of the Irish Republic, or

(ii) the candidate must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and partly been so employed for at least five years out of the last eight years preceding the date of his appointment:

(b) if he was not a British subject, a British protected person or a citizen of the Irish Republic at birth, he must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and partly been so employed for at least five years out of the last eight years preceding the date of his appointment:

(c) if not qualified under sub-paragraph (a) or sub-paragraph (b) of this paragraph, he must satisfy the Commissioners that he is so closely connected with a country or territory within the Commonwealth either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in his favour.

4. Candidates must (a) have served a Kitchen Apprenticeship (3 years) in a first-class hotel or attended a full (3 year) course at the Hotel School of the London County Council, the Westminster Technical Institute, or a similar establishment approved by the Ministry of Education, or be in possession of City and Guilds of London Certificate in Advanced Cookery for Hotels and Restaurants (No. 152); or have equivalent training; (b) have been employed as a Head or Departmental Chef in a large hotel; (c) have the personality and ability to instruct students in cookery.

5. Those candidates who appear from their applications to have the best qualifications and experience will be required to take a test and will be summoned to an interview before a Selection Board, which will recommend for the vacancy the candidate who seems to be the most suitable.

6. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons will disqualify them for appointment.

7. Candidates will be appointed in an unestablished capacity subject to their satisfying the Civil Service Commissioners that they are eligible for appointment in respect of age, nationality, health and character and to the payment of a fee of 10s.

8. After a minimum qualifying period of two years' unestablished service Civilian Chef Instructors appointed under these Regulations may be considered for appointment to the established staff as and when vacancies occur thereon, if they are recommended by their Department as qualified in other respects. Those so considered will appear before a final Selection Board set up by the Civil Service Commissioners, which will recommend to the Commissioners the candidates who appear to be qualified.

9. Before a Chef Instructor is appointed to the established staff, the Civil Service Commissioners must issue a certificate of qualification; a further fee of £2 10s., being the balance of the prescribed fee of £3, is payable before the certificate of qualification can be issued.

Civil Service Commission, 9th November, 1956.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

REGULATIONS FOR THE RECRUITMENT OF CIVILIAN INSTRUCTORS (MEN) UNDER THE AIR MINISTRY.

1. Men only are eligible.

2. There are no age limits, but Departments expect regular and effective service for a reasonable period, and this requirement will be taken into account.

3. A candidate will not be eligible for appointment unless (i) at all times since his birth he has been either a British subject or a citizen of the Irish Republic and (ii) he was born in a country or territory which is (or then was) within the Commonwealth or in the Irish Republic and (iii) each of his parents was born in a country or territory which is (or then was) within the Commonwealth or in the Irish Republic and is or was at death a British subject or a citizen of the Irish Republic and has or had been one or the other at all times from birth:

Provided that, notwithstanding that the aforesaid conditions are not satisfied, he may be admitted to appointment by special permission of the Secretary of State for Air if he is a British subject, a British protected person or a citizen of the Irish Republic and in addition satisfies one of the following conditions:—

(a) if he was a British subject, a British protected person or a citizen of the Irish Republic at birth—

(i) at least one of his parents must be, or have been at death, a British subject, a British protected person or a citizen of the Irish Republic, or

(ii) the candidate must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and partly been so employed for at least five years out of the last eight years preceding the date of his appointment;

(b) if he was not a British subject, a British protected person or a citizen of the Irish Republic at birth, he must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and partly been so employed for at least five years out of the last eight years preceding the date of his appointment;

(c) if not qualified under sub-paragraph (a) or sub-paragraph (b) of this paragraph, he must satisfy the Commissioners that he is so closely connected with a country or territory within the Commonwealth either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in his favour.

4. Candidates must be (a) experienced and fully-skilled in their particular trade, craft or subject, (b) able to teach their trade, craft or subject, and (c) able to supervise the work, and maintain control, of pupils engaged in their trade, craft or subject.

Candidates should have undergone the training usual in their particular trade, craft or subject, followed by practical experience on fully-skilled work for a reasonable number of years (normally not less than five years in a craft trade). These provisions may be waived only exceptionally for individual candidates whose training in the trade, craft or subject and practical experience are comparable with the qualifications normally required. It is desirable for candidates for posts in Grade III to be in possession of an Ordinary National Certificate or City and Guilds Certificate or equivalent qualifications in the appropriate subject, where such qualifications exist.

5. Those candidates who appear from their applications to have the best qualifications and experience will be required to take a trade test and will be summoned to an interview before a Selection Board, which will recommend for the vacancy the candidate who seems to be the most suitable.

6. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons will disqualify them for appointment.

7. The necessary number of candidates will be appointed in an unestablished capacity subject to their satisfying the Civil Service Commissioners that they are eligible for appointment in respect of age, nationality, health and character and to the payment of a fee of 5s.

8. After a minimum qualifying period of two years' unestablished service Civilian Instructors appointed under these Regulations may be considered in their turn for appointment to the established staff as and when vacancies occur thereon, if they are recommended by their Department as qualified in other respects. Those so considered will appear before a final Selection Board set up by the Civil Service Commissioners, which will recommend to the Commissioners the candidates who appear to be qualified.

9. Before an Instructor is appointed to the established staff, the Civil Service Commissioners must issue a certificate of qualification; a further fee as follows is payable before the certificate of qualification can be issued:—

£1 5s., being the balance of the prescribed fee of £1 10s.

9. *Canvassing.*

Any attempt on the part of candidates to enlist support for their application through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.
