EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

Under section 669 of the Merchant Shipping Act, 1894, the Trinity House may not exercise their powers with respect to lighthouses, buoys and beacons in the island of Jersey without the consent of Her Majesty in Council. This Order gives consent to the exercise of their powers by the Trinity House for marking the Minquiers Plateau in the island of Jersey.

At the Court at Buckingham Palace, the 15th day of February, 1957.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by section 659 of the Merchant Shipping Act, 1894 (57 and 58 Vict. c. 60), (which is a section in Part XI of that Act) it is (among other things) enacted that Her Majesty may by Order

in Council fix the establishments to be maintained by each of the General Lighthouse Authorities on account of the services of lighthouses, buoys and beacons, or the annual or other sums to be paid out of the Mercantile Marine Fund in respect of those establishments:

And whereas by section 1 of the Merchant Shipping (Mercantile Marine Fund) Act, 1898 (61 & 62 Vict. c. 44), it is (among other things) provided that references in Part XI of the Merchant Shipping Act, 1894, to the Mercantile Marine Fund shall be construed as references to the General Lighthouse Fund by the now recited Act constituted:

And whereas by section 1 of the Merchant Shipping (Amendment) Act, 1920 (10 & 11 Geo. 5 c. 2), it is enacted that the power of Her Majesty, under section 659 of the Merchant Shipping Act, 1894, as amended by subsequent enactments, by Order in Council to fix the annual or other sums to be paid out of the General Lighthouse Fund in respect of the Establishment of the General Lighthouse Authorities, shall extend to fixing the annual or other sums to be paid out of that fund to members of the General Lighthouse Authority for England and Wales, and the sums so fixed shall have effect notwithstanding anything in any Act limiting the amount thereof:

And whereas by the Trinity House (Remuneration of Members) Order, 1951 (printed in the London Gazette, 20th November, 1951), the annual sum to be paid out of the General Lighthouse Fund in respect of remuneration of the active members of the Corporation of the Trinity House of Deptford Strond, being the General Lighthouse Authority for England and Wales, was fixed at £20,500 per annum:

And whereas by section 738 of the Merchant Shipping Act, 1894, it is (among other things) enacted that where Her Majesty has power under that Act or any Act thereafter to be passed amending the same, to make an Order in Council, Her Majesty may from time to time make that Order in Council and by Order in Council revoke, alter or add to any Order so made:

And whereas it is expedient that the sum so fixed as aforesaid to be paid out of the General Lighthouse Fund to the active members of the Corporation of the Trinity House of Deptford Strond should be altered in manner hereinafter appearing.

Now, therefore, Her Majesty, in exercise of the powers conferred upon Her as aforesaid and of all other powers enabling Her in that behalf and by and with the advice of Her Privy Council, doth order, and it is hereby ordered, as follows:—

1. This Order may be cited as the Trinity House (Remuneration of Members) Order, 1957, and shall come into operation on the date of publication in the London Gazette (22nd February, 1957).

2. The sum to be paid to the active members of the Trinity House of Deptford Strond, being the General Lighthouse Authority for England and

Wales, shall be £25,750 per annum in respect of any period after 1st April, 1956, in lieu of the £20,500 per annum specified in the Trinity House (Remuneration of Members) Order, 1951.

Provided that in respect of any period during which there is a vacancy among the active members, the said sum shall be reduced by an amount equal to the sum which, but for the vacancy, would have been payable during that period to the active member concerned.

3. The sum payable under the provisions of this Order shall be paid out of the General Lighthouse Fund.

4. The Interpretation Act, 1889 (52 & 53 Vict. c. 63), shall apply to the interpretation of this Order as it applies to the interpretation of an Act of Parliament.

3. Service.

(i) Candidates must have completed before the first day of the examination a period of compulsory service in Her Majesty's Forces under the National Service Acts and normally must not have undertaken further whole-time service in Her Majesty's Forces; provided that the Commissioners may at their discretion accept a candidate as eligible under this Regulation if, having completed a period of compulsory service in Her Majesty's Forces under the National Service Acts, he has voluntarily undertaken further whole-time service in Her Majesty's Forces, continuous with his compulsory service, for a limited period normally not exceeding 12 months.

(ii) Candidates may not make more than two attempts in all, and these must be made not later than the third examination held under these Regulations after the completion of National Service, any subsequent period of training as a result of a recall from the Reserve being disregarded. The date officially recorded as the last day of National Service is normally the last day of terminal leave; candidates are not, however, precluded from competing at an examination held during their terminal leave. For candidates admitted under the proviso to sub-paragraph (i) of this Regulation the date of completion of the further period of whole-time service will be regarded as the date of completion of compulsory service.

4. Health and Character.

Successful candidates must satisfy the Civil Service Commissioners on their health and character.

5. Examination.

The subjects of examination and the marks they will carry are as follows:—

(1) English (including Handwriting) ...	250
(2) Arithmetic	100
(3) General Knowledge	100
(4) Current Affairs	100
(5) Intelligence Test	100

Candidates will be arranged in order of merit according to their total mark in the whole examination. Even if there are unfilled vacancies, no candidate will be declared successful who does not reach a standard which satisfies the Civil Service Commissioners. The Commissioners' decision will be final.

6. Candidates trained as Teachers.

Candidates who have been trained as teachers, elsewhere than in England and Wales, and upon whose training public money has been spent, cannot be appointed until the consent of the appropriate central education authority (e.g., the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

7. Assignment.

The Commissioners will decide to which Department each successful candidate is to be assigned. A candidate who declines to accept the post offered will have no claim to be assigned to another, but will be regarded as having declined appointment. Assignments will be made in accordance with the needs of the public service, but the wishes of candidates will, where possible, be taken into account.

8. Fee.

An application fee of 7s. 6d. is payable by all candidates. This must be sent with the application form, and is not returnable in any circumstances. A further fee of 12s. 6d., being the balance of the prescribed fee of £1, must be paid by each candidate on admission to the examination.

The Civil Service Commissioners further give notice that an Open Competition will be held under the above Regulations, the written examination commencing on 4th June, 1957.

Applications on the prescribed form for admission to the Competition should be received by the Secretary of the Civil Service Commission on or before 4th April, 1957. Application forms may be obtained from the Secretary at once.

Provided that, notwithstanding that the aforesaid conditions are not satisfied, he may, by special permission of the Secretary of State for Foreign Affairs, be admitted to appointment if

(i) he has at all times since his birth been either a British subject or a citizen of the Irish Republic, and

(iii) he satisfies the Secretary of State that he is so closely connected with a country or territory within the Commonwealth either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in his favour.

2. Education.

No precise educational qualifications are prescribed, but candidates will be expected to have attained the standard of education of persons who have had whole-time systematic education up to the age of at least 16 years.

3. Service.

(i) Candidates must have completed before the first day of the examination a period of compulsory service in Her Majesty's Forces under the National Service Acts and normally must not have undertaken further whole-time service in Her Majesty's Forces; provided that the Commissioners may at their discretion accept a candidate as eligible under this Regulation if, having completed a period of compulsory service in Her Majesty's Forces under the National Service Acts, he has voluntarily undertaken further whole-time service in Her Majesty's Forces, continuous with his compulsory service, for a limited period normally not exceeding 12 months.

(ii) Candidates may not make more than two attempts in all, and these must be made not later than the third examination held under these Regulations after the completion of National Service, any subsequent period of training as a result of a recall from the Reserve being disregarded. The date officially recorded as the last day of National Service is normally the last day of terminal leave; candidates are not, however, precluded from competing at an examination held during their terminal leave. For candidates admitted under the proviso to subparagraph (i) of this Regulation the date of completion of the further period of whole-time service will be regarded as the date of completion of compulsory service.

4. Marriage.

The approval of the Secretary of State is required before a successful candidate who is married takes up appointment.

5. Health and Character.

Successful candidates must satisfy the Civil Service Commissioners on their health and character.

6. Examination.

The subjects of examination and the marks they will carry are as follows:—

(1) English (including Handwriting) ...	250
(2) Arithmetic	100

(4) Current Affairs	100
(5) Intelligence Test	100

Candidates will be arranged in order of merit according to their total mark in the whole examination. Even if there are unfilled vacancies, no candidate will be declared successful who does not reach a standard which satisfies the Civil Service Commissioners. The Commissioners' decision will be final.

Before any candidate can be appointed, he will be required to establish, in a Foreign Office interview, that he has the ability to learn languages and is in other respects suitable for appointment to the Foreign Service.

7. Candidates trained as Teachers.

Candidates who have been trained as teachers, elsewhere than in England and Wales, and upon whose training public money has been spent, cannot be appointed until the consent of the appropriate central education authority (e.g., the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

8. Fee.
