TUESDAY, 30 APRIL, 1957

At the Court at Windsor Castle, the 29th day of April, 1957.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Church Commissioners have duly prepared and laid before Her Majesty in Council a Scheme bearing date the 8th day of February, 1957, in the words and figures following, that is to say:—

"We, the Church Commissioners, acting in pursuance of the Pastoral Reorganisation Measure, 1949, the Union of Benefices Measures, 1923 to 1952, and the Diocesan Stipends Funds Measure, 1953, now humbly lay before Your Majesty in Council the following Scheme which we have prepared with the consent of the Right Reverend William, Bishop of Bath and Wells (in witness whereof he has signed the Scheme), for effecting the union of the benefice of Spaxton and the benefice of Charlynch both situate in the diocese of Bath and Wells,

"SCHEME.

"1. *Union of Benefices.* The benefice of Spaxton and the benefice of Charlynch shall be permanently united together and form one benefice with cure of souls under the style of 'The United Benefice of Spaxton with Charlynch', but the parishes of the said benefices shall continue in all respects distinct.

"2. *Taking effect of union.* Upon the day when any Order of Your Majesty in Council affirming this Scheme is published in the London Gazette the union shall forthwith take effect.

"3. *Parsonage House.* Upon the union taking effect the parsonage house at present belonging to the benefice of Spaxton shall be the house of residence of the incumbent of the united benefice.

"4. *Patronage.* After the union has taken effect the right of presentation to the united benefice shall be exercised by the patrons of the two benefices alternately, the patron of the benefice of Charlynch having the first presentation to the united benefice to be made after the union.

"5. *Diversion of Endowment Income.*

"(1) Subject as hereinafter provided any surplus, calculated by us for the twelve months ending on the 31st March in each year of the endowment income (calculated in accordance with the Schedule hereto) of the united benefice over and above an annual sum of £750 shall, with effect from the date upon which the union shall take effect, be paid to and be held by us, for the benefit of the diocesan stipends fund of the diocese of Bath and Wells.

"(2) The said endowment income and the said surplus and the said annual sum of £750 shall be deemed to accrue from day to day and shall when we deem that circumstances so require be apportionable accordingly.

"(3) Any moneys due to us from the incumbent of the united benefice, or, during any vacancy in the united benefice, from the sequestrators thereof, as the case may be (hereinafter called 'the incumbent or sequestrators') upon the calculation of the said surplus shall be paid by the incumbent or

sequestrators to us not later than the 30th June in each year and shall be recoverable as a debt due to us.

"(4) For the purpose of ascertaining the amounts of the said endowment income and of the said surplus, we shall have power to require production by the incumbent or sequestrators of accounts and other documents in relation thereto, and the said accounts for the twelve months to 31st March in each year (or where applicable for a part of the year ending on that date) shall be rendered annually to us within six weeks of that date in such form as we shall prescribe; and in the event of failure by the incumbent or sequestrators to produce such accounts or documents we shall have all legal remedies for enforcing production thereof.

"SCHEDULE.

"For the purpose of this Scheme the endowment income of the united benefice shall without prejudice to the power of decision vested in us by virtue of Section 18 of the Pastoral Reorganisation Measure, 1949, if any question shall arise, be computed in accordance with our Central Register of Benefice Income, that is to say, by including:—

"(1) all gross secured income payable by us and any other person or body, and

"(2) all gross income received from ground rents, chief rents or other fixed charges, other glebe rents and any letting of the parsonage house or a formally divided portion thereof,

"and by deducting therefrom:—

"(1) the rates payable on the parsonage house if occupied by the incumbent,

"(2) the rent and rates payable on any house occupied by the incumbent other than the parsonage house,

"(3) the annual assessment charged upon the incumbent under the Ecclesiastical Dilapidation Measures, 1923 to 1951, in respect of the benefice,

"(4) the rates payable on the glebe,

"(5) the cost of collecting glebe rents,

"(6) any tithe annuity, rentcharge or fee farm rent charged upon the glebe,

"(7) any other outgoings in respect of the glebe,

"(8) any charge upon the benefice income in favour of another benefice or any lay person,

"(9) any payment to a curate or lay worker out of the benefice income,

"(10) the annual payments in respect of capital and interest in respect of any mortgage of the benefice income.

"(11) any pension paid to a retired incumbent out of the benefice income,

"(12) any part of the benefice income diverted to the diocesan stipends fund pursuant to an Order under Section 12 of the Pastoral Reorganisation Measure, 1949."

And Whereas the provisions of the Union of Benefices Measures, 1923 to 1952, the Union of Benefices Rules, 1926 and 1930, and the Pastoral Reorganisation Measure, 1949, relating to the preparation and submission of this Scheme have been duly complied with:

And Whereas the said Scheme has been approved by Her Majesty in Council:

Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to affirm the said Scheme and to order that it shall be and become effectual in law immediately upon the publication of this Order in the London Gazette.

#### *Civil Service Commission.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

#### *REGULATIONS FOR THE RECRUITMENT OF MEDICAL OFFICERS IN GOVERNMENT DEPARTMENTS.*

1. Both men and women may compete, except that in the Prison Commission the vacancies are for men only.

##### *2. Age.*

Candidates must be at least 28 years of age on 1st May, 1957. There is no upper age limit, but in appointing persons in a permanent capacity Departments expect regular and effective service for a reasonable period, and the Commissioners will take this requirement into account.

##### *3. Nationality.*

To be eligible for appointment a candidate must be a British subject, a British protected person or a citizen of the Irish Republic and in addition satisfy one of the following conditions:—

(a) if he was a British subject, a British protected person or a citizen of the Irish Republic at birth—

(i) at least one of his parents must be, or have been at death, a British subject, a British protected person or a citizen of the Irish Republic, or

(ii) the candidate must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and partly been so employed for at least five years out of the last eight years preceding the date of his appointment;

(b) if he was not a British subject, a British protected person or a citizen of the Irish Republic at birth, he must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and

partly been so employed for at least five years out of the last eight years preceding the date of his appointment:

(c) if not qualified under sub-paragraph (a) or sub-paragraph (b) of this paragraph, he must satisfy the Commissioners that he is so closely connected with a country or territory within the Commonwealth either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in his favour.

#### 4. Qualifications.

Candidates must be fully qualified and registered medical practitioners, and should have the particular qualifications or experience appropriate to the Department or Departments for which they wish to be considered. While the minimum age of recruitment is in general 28, candidates for certain posts should have had longer experience as a qualified and registered medical practitioner than it is possible to have at the minimum age.

##### Group (a).

**Ministry of Health.** Candidates must have held an appointment in the Public Health Service or have had other comparable administrative experience. It is desirable that they should hold a Diploma of Public Health.

##### Group (b).

**Ministry of Health and Welsh Board of Health.** Candidates must have had a wide experience of general practice. Experience in medical boarding or occupational health would be an advantage. For the post in the Welsh Board of Health a knowledge of the Welsh language is desirable.

**Ministry of Pensions and National Insurance.** (Regions and Blackpool Central Office.) Candidates must have had good clinical experience and preferably also experience in one or more of the following: public health; occupational health; medical boarding. Candidates for the post of neuro-psychiatrist should have specialist qualifications and experience.

**Treasury Medical Service.** Extensive clinical experience and an interest in people, both individually and in groups, is important; knowledge of the scientific approach and the conduct of epidemiological surveys in environmental medicine is desirable.

##### Group (c).

**Prison Commission.** Candidates must possess sound knowledge of medical and surgical practice. It is desirable that they should have had experience in psychological medicine, but the possession of the Diploma in Psychological Medicine, while a recommendation, is not essential.

##### Group (d).

**Ministry of Pensions and National Insurance** (*Pneumoconiosis posts*). Candidates must have a special interest and experience in chest work.

##### Group (e).

**Ministry of Labour and National Service.** Considerable post-graduate experience is desirable. Experience in industry or the possession of a diploma in Industrial Health is an advantage. For one post, knowledge and experience in haematological and pathological work is desirable, and in others a modern acquaintance with physics in relation to applied medicine would be helpful.

##### Group (f).

**General Board of Control (Scotland).** Candidates must have special qualifications in psychiatry and have had experience in mental health work.

**Ministry of Health and Welsh Board of Health.** Candidates should preferably have had experience in orthopaedic or general surgery. For the post in the Welsh Board of Health a knowledge of the Welsh language is desirable.

#### 5. Selection.

The candidates who appear from their applications to have the best qualifications and experience will be invited to interview before a Selection Board, which will recommend to the Civil Service Commissioners those considered most suitable for appointment. The Commissioners' decision will be final.

#### 6. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

#### 7. Assignment.

Where a successful candidate is suitable for appointment to more than one Department the Commissioners will decide to which Department he is to be assigned. Assignment will be made in accordance with the needs of the public service, but the candidate's preference as stated on his application form will be taken into account as far as possible.

#### 8. Candidates trained as teachers.

Persons who have been trained as teachers, elsewhere than in England and Wales, and upon whose training public money has been spent cannot be appointed until the consent of the appropriate education authority (e.g. the Scottish Education Department, the Ministry of Education for Northern Ireland), has been notified to the Commissioners.

#### 9. Refund of Marriage Gratuity.

Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid. Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

#### 10. Canvassing.

Any attempt on the part of candidates to enlist support for their application through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.

#### 11. Fee.

Every successful candidate will be required to pay a fee of £4 before the issue of a certificate of qualification for appointment.
