## CENTRAL CHANCERY OF THE ORDERS OF KNIGHTHOOD.

*St. James's Palace, S.W.1.*

*4th October, 1957.*

The QUEEN has been graciously pleased on the advice of Her Majesty's Australian Ministers, to approve the award of the George Medal to:—

2/731721 Lance Corporal Thomas Ronald James EGGINGTON, 9 Field Park Squadron, Royal Australian Engineers.

On the 17th March, 1957, in the Mount Royal area a Sapper was operating an hydraulic angle dozer clearing trees on a road deviation, when a large branch fell from one of the trees knocking him unconscious. The dozer, out of control, knocked the tree down, rode across the large upended stump and continued down a precipitous hill, still with the tree trunk between its tracks. Lance Corporal EGGINGTON saw the accident and without any hesitation and with complete disregard for his own personal safety, immediately attempted to climb aboard the dozer. As the dozer mounted the upended tree stump EGGINGTON was thrown off and injured his leg. Disregarding his injury he again attempted to mount the dozer. Despite the hazard of the power control unit with its spinning drums of cable, he succeeded in reaching the driver's seat, threw out the master clutch and thus stopped the machine. He then lifted the unconscious driver from the dozer and both men were taken to hospital. Lance Corporal EGGINGTON's courageous action, performed at such personal risk and pursued even after receiving severe injuries himself, undoubtedly saved the Sapper from death or disablement.
