(Alternatively, a candidate may be regarded as eligible under this sub-paragraph if, on the 31st December, 1954, the maximum of the salary scale of the grade in which he was serving on 1st March, 1958, was not more than the maximum, for men or women as the case may be, of the Clerical Officer salary scale on the 31st December, 1954) or

(c) if not qualified under sub-paragraph (a) or sub-paragraph (b) of this paragraph, he must satisfy the Commissioners that he is so closely connected with a country or territory within the Commonwealth either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in his favour.

(2) A candidate will not be eligible for appointment to a situation in the Foreign Service or to any other situation under the Secretary of State for Foreign Affairs unless at all times since his birth he has been either a British subject or a citizen of the Irish Republic and was born of parents each of whom is or was at death a British subject or a citizen of the Irish Republic and has or had been one or the other at all times since birth:

Provided that, notwithstanding that the aforesaid conditions are not satisfied, he may, by special permission of the Secretary of State, be admitted to appointment to—

To be eligible for consideration for a post in Branch B of the Foreign Service a candidate must also take either French or German.

Candidates will be arranged in order of merit according to their total mark in the examination as a whole. The mark for French or German awarded to candidates wishing to qualify for appointment to

the Foreign Service will not, however, count in determining the order of merit in the examination. Even if there are unfilled vacancies, no candidate will be appointed who does not reach a standard that satisfies the Civil Service Commissioners.

Not more than one-third of the vacancies to be filled from the examination will be available for persons serving as Postal and Telegraph Officers in the Post Office.

8. Candidates trained as Teachers.

Candidates who have been trained as teachers, elsewhere than in England and Wales, and upon whose training public money has been spent, cannot be appointed until the consent of the appropriate education authority (e.g., the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

9. Assignment.

The Commissioners will decide to which Department each successful candidate is to be assigned. A candidate who declines to accept the post offered will have no claim to be assigned to another, but will be regarded as having declined appointment. Assignments will be made in accordance with the needs of the public service, but the wishes of candidates will, where possible, be taken into account.

Before a successful candidate can be assigned to Branch B of the Foreign Service he must establish, in a Foreign Office interview, that he is in all respects suitable for appointment to the Foreign Service.

10. Fee.

An application fee of 7s. 6d. is payable by all candidates. This must be sent with the application form, and is not returnable in any circumstances. A further fee of 12s. 6d., being the balance of the fee of £1, must be paid by each candidate on admission to the examination.

11. The authorities of the Department in which the candidate is serving must certify, in the space provided on the application form, that the candidate satisfies the conditions laid down in Regulation 3.

12. The Commissioners' decision will be final in all matters concerning this competition.

The Civil Service Commissioners further give notice that a Limited Competition will be held under the above Regulations commencing on 4th March, 1958.

Applications on the prescribed form for admission to the Competition should be received by the Secretary of the Civil Service Commission on or before 19th December, 1957. Application forms may be obtained from the Secretary at once.
