The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

REGULATIONS FOR RECRUITMENT TO THE NATIONAL AGRICULTURAL ADVISORY SERVICE (SCIENCE SPECIALISTS) UNDER THE MINISTRY OF AGRICULTURE, FISHERIES AND FOOD.

1. Both men and women, including married women, may compete under these Regulations.

2. *Age.*

Candidates must on 1st August, 1958, be at least 20½ years of age for appointment to Grade IV (a) or Grade IV (b), at least 25 years of age for appointment to Grade III, and at least 31 years of age for appointment to Grade II. A candidate under 25 years of age on 1st August, 1958, may, however, be accepted for appointment to Grade III if he is exceptionally well qualified.

There is no upper age limit specified for this Competition, but in appointing persons in a permanent capacity Departments expect regular and effective service for a reasonable period, and the Commissioners will take this requirement into account.

3. *Nationality.*

To be eligible for appointment a candidate must be a British subject, a British protected person or a citizen of the Irish Republic and in addition satisfy one of the following conditions:—

(a) if he was a British subject, a British protected person or a citizen of the Irish Republic at birth—

(i) at least one of his parents must be, or have been at death, a British subject, a British protected person or a citizen of the Irish Republic, or

(ii) the candidate must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and partly been so employed for at least five years out of the last eight years preceding the date of his appointment:

(b) if he was not a British subject, a British protected person or a citizen of the Irish Republic at birth, he must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and partly been so employed for at least five years out of the last eight years preceding the date of his appointment:

(c) if not qualified under sub-paragraph (a) or sub-paragraph (b) of this paragraph, he must satisfy the Commissioners that he is so closely connected with a country or territory within the Commonwealth either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in his favour.

4. *Qualifications.*

(a) Candidates for Grades II, III or IV must have, or obtain in 1958, a University degree in agricultural science, or the appropriate natural sciences, or a qualification accepted by the Commissioners as of equivalent academic standard. For Grade IV (a) candidates must have obtained a first or second class honours degree in the appropriate scientific subject or an equivalent academic qualification.

(b) Candidates sitting for their examinations in the summer of 1958 may be admitted to this competition, but will not be appointed unless on the result of the examination they satisfy Regulation 4 (a) above.
