(b) a situation in the Office of the Commissioner of Police of the Metropolis, the Office of the Receiver for the Metropolitan Police District, the Office of the Crown Agents for Oversea Governments and Administrations, the Foreign Compensation Commission, the Forestry Commission, the Nature Conservancy, or Trinity House, after having been appointed to a post in one of those Offices as a result of a competition held by the Civil Service Commissioners.

Periods of service in the Armed Forces (other than periods covered by annual leave or by the grant of special leave with pay) may not be reckoned towards the two-year period. Civil servants who have been established under a scheme in which established conditions of service apply from a common date earlier than the date of issue of the certificate of qualification may reckon towards the two-year period any service actually rendered in a non-industrial capacity on or after the common date and before the issue of the certificate of qualification.

#### 5. METHOD I.

(i) The competition comprises:—

(A) A written examination in

(a) three compulsory subjects, Essay, English, and Present Day, each with a maximum of 100 marks;

(b) a selection from the optional subjects set out in the Appendix. Subject to the provisions in the Appendix, candidates may take optional subjects up to a total of 700 marks (making 1,000 marks in all for the written examination).

(B) Interview, for candidates whose marks in the written examination give them a chance of success, including:—

(a) a preliminary interview by a single interviewer, whose function is to make a report for the information of the Final Interview Board;

(b) an interview before the Final Interview Board, which will award a mark out of a maximum of 300 for the candidate's record, intelligence, and personal qualities. The Board will not be informed of marks given in the written examination.

(ii) The final order of merit will be determined by candidates' total marks in the whole competition.

#### 6. METHOD II.

(i) The competition comprises:—

(A) A written examination consisting of an Essay, English, Present Day, a General Paper, and an Intelligence Test, each with a maximum of 100 marks (making 500 marks in all).

(B) A series of tests and interviews at the Civil Service Selection Board.

(C) An interview before the Final Selection Board.

(ii) Candidates who reach a qualifying standard in the written examination under (i) (A) will be invited to the Civil Service Selection Board. Of those who fail narrowly to reach this standard, the Commissioners may select for the Civil Service Selection Board a number whose records and reports give evidence of strong claims to further consideration.

(iii) The Commissioners will subsequently select, in the light of the candidates' performances at the Civil Service Selection Board and of their records, those who will be admitted to interview by the Final Selection Board.

(iv) Each candidate's place in the final order of merit will be determined by the mark awarded by the Final Selection Board out of a maximum of 300. This mark will take into account his intelligence and personal qualities as shown both by his record and in his performance throughout the competition.

(v) The Commissioners may exempt from the written examination under (i) (A) a candidate who has previously obtained good marks for it, or for the compulsory papers in the Method I examination, and

in the same competition has also been awarded a mark of more than 200 by the Final Board. The previous competition must have been a recent open or limited competition for the Administrative Class or the Senior Branch of the Foreign Service.

#### 7. Health and Character.

Successful candidates must satisfy the Commissioners on their health and character.

#### 8. Canvassing.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.

#### 9. Fees.

The total fee payable by all candidates is £4 for either Method separately or £6 for both Methods. Of this, £2 must be paid on application and the balance on admission to the examination. (Candidates exempted from the Method II written examination must pay the balance of the total fee when called upon to do so.) Candidates who are eligible for the Open Competition for the Administrative Class may compete in that competition (by either or both methods) in the same year as they compete in the Limited Competition. But those who do so will be required to pay two separate fees in the manner prescribed for each competition, except that a candidate who competes by Method I in the Open Competition and pays the fee prescribed will not be required to pay any further fee for a concurrent candidature by Method I in the Limited Competition.

#### 10. Assignment.

The Commissioners will decide to which Department each successful candidate is to be assigned; this will normally be a different Department from that in which he has been serving. Assignments will be made in accordance with the needs of the public service, but the wishes of candidates will, where possible, be taken into account.

11. The Commissioners' decision will be final in all matters concerning this competition.

The Civil Service Commissioners further give notice that a Limited Competition will be held under the above Regulations, the written examination under Method I commencing on 1st July, 1958, and that under Method II on 4th July, 1958.

Applications on the prescribed form for admission to the Competition should be received by the Secretary of the Civil Service Commission on or before 28th February, 1958. Application forms may be obtained from the Secretary at once.
