DESTRUCTIVE INSECTS AND PESTS ACTS, 1877 TO 1927.

Notice is hereby given that the Minister of Agriculture, Fisheries and Food has made an Order under the Destructive Insects and Pests Acts, 1877 to 1927, entitled the Wart Disease of Potatoes Order, 1958, which supersedes the Wart Disease of Potatoes Order, of 1941.

The 1941 Order restricted the planting and sale for planting of potatoes in the traditional potato-growing areas in the Eastern Counties (known as the "Protected Area") to stocks granted a certificate under one of the Schemes for the inspection and certification of growing crops of potatoes administered by the Ministry of Agriculture, Fisheries and Food and the Agricultural Departments of Scotland, Northern Ireland, the Isle of Man and the Republic of Ireland. Because of the continued shortage of certified seed, this restriction was in practice modified by annual General Licence Orders which allowed the planting or sale for planting within the Protected Area of potatoes grown in that area and which are of the class "uncertified (English once-grown)". A General Licence Order also allowed the planting and sale for planting in the remainder of England and Wales of any potatoes (other than foreign-grown) although not certified.

The new Order makes these modifications permanent and also permits the planting in the Protected Area of potatoes certified by one of the Agricultural Departments to have been grown on land in which Wart Disease is not known to have occurred. It also enables the Minister to serve

notices declaring and defining land infected with Wart Disease and provides that the destruction of infected potatoes must be carried out in accordance with the terms of a notice served by an authorised officer.

The provisions in the earlier Order which required occupiers of land in England and Wales to give notice to the Minister of known or suspected outbreaks of the disease, prohibited the sale of infected potatoes and the planting on infected land of susceptible varieties of potatoes, and restricted the sale or planting of imported potatoes are repeated in the new Order.

Copies of the Order (S.I. 1958 No. 308) are obtainable from H.M. Stationery Office, York House, Kingsway, London, W.C.2, or from any bookseller, price 4d. net. (by post 6d. net.).
