Civil Service Commission.

21st March, 1958.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:-

REGULATIONS FOR THE RECRUITMENT OF GEOLOGISTS IN THE GEOLOGICAL SURVEY OF GREAT BRITAIN UNDER THE DEPARTMENT OF SCIENTIFIC AND INDUSTRIAL RESEARCH.

1. Both men and women may compete.

2. Age.

Candidates must be at least 21 and under 30 years of age on 1st July, 1958. But

(a) The maximum age limit of 30 is extended to 31 for candidates who hold a permanent appointment in the Experimental Officer Class.

(b) A candidate who has served or is serving in H.M. Overseas Civil Service or on a regular (including a regular short-service) engagement in H.M. Forces may deduct from his actual age the period of such service rendered before 1st July, 1958.

3. Nationality.

To be eligible for appointment a candidate must be a British subject, a British protected person or a citizen of the Irish Republic and in addition satisfy one of the following conditions:-

(a) if he was a British subject, a British protected person or a citizen of the Irish Republic at birth-

(i) at least one of his parents must be, or have been at death, a British subject, a British

protected person or a citizen of the Irish Republic, or

(ii) the candidate must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and partly been so employed for at least five years out of the last eight years preceding the date of his appointment:

(b) if he was not a British subject, a British protected person or a citizen of the Irish Republic at birth, he must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and partly been so employed for at least five years out of the last eight years preceding the date of his appointment:

(c) if not qualified under sub-paragraph (a) or sub-paragraph (b) of this paragraph, he must satisfy the Commissioners that he is so closely connected with a country or territory within the Commonwealth either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in his favour.

4. Qualifications.

(i) Every candidate must have obtained a university degree with first or second class honours in Geology or an equivalent qualification.

Exceptionally, a candidate without this qualification may be admitted if he is otherwise qualified by high professional attainments.

Special qualifications in mineralogy and petrology are essential for certain of the posts; one post calls for a good knowledge of physics or chemistry.

(ii) A candidate holding a permanent appointment in the Experimental Officer Class who is at least 28 and has not passed his or her 31st birthday on 1st July, 1958, and who does not fulfil the above requirements may be admitted on the recommendation of the Government Department in which he or she is serving.

NOTE.—CANDIDATES SITTING FOR THEIR FINAL DEGREE EXAMINATIONS IN THE SUMMER OF 1958 MAY APPLY, BUT REGULATION 4 (i) MUST BE SATISFIED BEFORE SUCH A CANDIDATE WOULD BE DECLARED SUCCESSFUL.

5. Competition.

(i) The Commissioners may at their discretion summon candidates to a preliminary informal interview.

(ii) Likely candidates will be chosen, on the basis of the information available, to appear before a Selection Board appointed by the Commissioners. The Selection Board in making their recommendations to the Commissioners, and the Commissioners in making their final decision, will give weight to the candidates' capacity or potentiality for original research or development work; and they will as a rule expect this quality to be demonstrated in a candidate's record.

6. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

7. Candidates trained as Teachers.

Candidates who have been trained as teachers in Northern Ireland or in the Irish Republic, and upon whose training public money has been spent, cannot be appointed until the consent of the appropriate education authority has been notified to the Commissioners.

8. Refund of marriage gratuity.

Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widowed or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid. Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

9. Canvassing.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as

referred to be named by them in their application forms, will disqualify them for appointment.

10. Fee.

A successful candidate will be required to pay a fee of £4 before the issue of a certificate of qualification for appointment.

11. The decision of the Commissioners will be final in all matters concerning this competition.
