The governing date is defined as follows:—

For competitions for which the closing date for the receipt of completed application forms is in the period from January to April of any year, the governing date is the 1st May of that year.

For competitions for which the closing date is in the period from May to August of any year, the governing date is the 1st September of that year.

For competitions for which the closing date is in the period from September to December of any year, the governing date is the 1st January of the following year.

3. Nationality.

To be eligible for appointment a candidate must be a British subject, a British protected person or a citizen of the Irish Republic and in addition satisfy one of the following conditions:—

(a) if he was a British subject, a British protected person or a citizen of the Irish Republic at birth—

(i) at least one of his parents must be, or have been at death, a British subject, a British protected person or a citizen of the Irish Republic, or

(ii) the candidate must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and partly been so employed for at least five years out of the last eight years preceding the date of his appointment;

The said John Petchell Bonney and Noel Adler appealed from the said Order, and the appeal was heard by the Divisional Court (Queen's Bench Division) on the 30th April, 1958, when the Court ordered that the appeal be dismissed with costs to be paid by the said John Petchell Bonney and Noel Adler to the said Registrar of Solicitors and to the Complainant or their respective Solicitors, such costs to be taxed by a Taxing Master.

The Findings and Order were filed with the Registrar of Solicitors on the 30th April, 1958.
