"Part I. AWARDS IN RESPECT OF DISABLEMENT

"1. *Pensions for disablement.*

"A member of the Naval or Marine Forces the degree of whose disablement is not less than 20 per cent. may be awarded at Admiralty discretion retired pay or a pension at whichever of the rates set out in the Tables in the Schedule is appropriate to his rank or status and the degree of his disablement.

"2. *Gratuities.*

"A Naval rating or Royal Marine other rank the degree of whose disablement is less than 20 per cent. may be awarded at Admiralty discretion a gratuity appropriate to the degree of disablement, but not exceeding a maximum of £100.

"3. *Allowances for eligible members of the family.*

"(A) Where a member of the Naval or Marine forces is awarded retired pay or a pension under Clause 1 allowances in respect of eligible members of the family may be awarded at such proportion of the rates set out in the following table as corresponds to the degree of the disablement on which the retired pay or pension is based:

"TABLE		
Eligible Member of the Family	Rate for 100 per cent disablement	
	Officers (Yearly rate)	Other Ranks (Weekly rate)
(a) Wife ... ..	£ 36	s. d. 10 0
(b) Children:		
(i) if an allowance under (a) is in issue—each child ...	30	7 6
(ii) if no allowance under (a) is in issue—first child ...	36	10 0
each other child	30	7 6

"(B) The special conditions governing the grant of these family allowances shall be as follows:

"(a) For a wife—

if she is living apart from her husband, family element shall not be allowable in respect of her, unless—

(i) she was being regularly maintained in whole or in part by her husband up to the date of any award or renewal of his disablement pension, and/or

(ii) she is entitled to support under a separation or maintenance order, or

(iii) the separation was caused by the husband's mental instability due to the disability in respect of which he is granted his disablement pension.

"(b) For a step-child or a legally adopted child—the child shall have been regularly maintained in whole or in part, by the member.

"(c) For an illegitimate child—

(i) the child shall have been born before or within nine months after the date on which the member sustained the wound or injury, or the date on which he was removed from duty on account of the disease in respect of which his disablement pension is granted, and

(ii) the child shall have been regularly maintained in whole or in part by the member up to the date of any award or renewal of his disablement pension, or shall be the subject of an affiliation order in force against the member.

"(d) For a foster child—

(i) the child shall have been brought up and wholly or mainly maintained by the member on the date on which he sustained the wound or injury, or was removed from duty on account of the disease, in respect of which his disablement pension is granted, and

(ii) the child shall have been brought up and wholly or mainly maintained by the member for not less than six months (or such lesser period as the Admiralty may determine in the exceptional circumstances of any case) during the member's service, and

(iii) the child shall have been so maintained by the member up to the date of any award or renewal of his disablement pension.

"(C) The expressions 'removed from duty' or 'removal from duty' shall be interpreted with reference to the date of the first removal from duty on account of the disease upon which the claim in respect of disablement is based, provided that if, as the result of service subsequent to the date of receipt of the wound or injury or of removal from duty, not being service after the 3rd September, 1939, the member suffered material aggravation of his disability, the date of removal from duty shall be that of the later removal on account of the disability: or, if there was no such removal, the date of termination of full pay service of the member.

"(D) Family addition to disablement pension in respect of a child shall normally terminate when the child attains the age of 18 years in the case of an officer or at the age of 16 years in any other case, but, subject to the production of satisfactory evidence the allowance may be made or continued in respect of a child who has attained the child's age limit when that child—

"(a) is a student, receiving full time instruction at a university, college, secondary school, or technical school or at any other establishment, which, in the opinion of the Admiralty, is a comparable educational establishment; or

"(b) is an apprentice receiving not more than nominal wages; or

"(c) is incapable of self-support by reason of an infirmity which arose before he or she attained the child's age limit.

"(E) Family additions to disablement pension in respect of an individual may be withheld if in the opinion of the Admiralty the circumstances are not such as to justify a grant.

"(F) Where an individual in respect of whom family addition to disablement pension is admissible is not residing with the member, the addition may, at the discretion of the Admiralty, be granted independently, for the benefit of that individual, to some person other than the member.

#### "4. Education Allowances.

"A member of the Naval or Marine forces who is in receipt of retired pay or a pension under Clause 1 may be awarded an allowance in respect of a child (including a child to whom Clause 7 (e) applies) for the purpose of the education of that child if—

(a) the child has attained the age of 5 years; and

(b) the circumstances of the family are such as to require it; and

(c) the Admiralty is satisfied that the type of education which the child is receiving, or is to receive, is suitable for the child.

"The amount of any allowance under this Clause shall be determined by the Admiralty but the total payments made in respect of any period of twelve months shall not exceed £80 in respect of any one child.

#### "5. Allowances for Constant Attendance

"Where a member of the Naval or Marine forces is in receipt of retired pay or a pension under Clause 1 in respect of disablement the degree of which is 100 per cent. and it is shown to the satisfaction of the Admiralty that constant attendance on the member is necessary on account of the disablement, he may be awarded an allowance at a rate not exceeding £100 a year in the case of an officer or 35s. a week in any other case.

"Provided that in an exceptional case of very severe disablement the allowance may, subject to such conditions as the Admiralty may determine, be increased to a rate not exceeding £182 a year in the case of an officer or 70s. a week in any other case.

#### "6. Allowances for Wear and Tear of Clothing.

"(A) Where a member of the Naval or Marine forces who is in receipt of retired pay or a pension under Clause 1 in respect of an amputation regularly wears an artificial limb, he may be awarded an allowance in respect of wear and tear of clothing at whichever of the following rates is applicable:—

(a) where he wears a single artificial limb (other than a tilting table limb), £6 a year; or

(b) where he wears a tilting table limb or more than one artificial limb, £10 a year.

"(B) In any other case in which the Admiralty is satisfied that as a result of the pensioned disablement there is exceptional wear and tear of the member's clothing, an allowance not exceeding £10 a year may be awarded.

#### "7. Allowances for Unemployable Pensioners.

"Where a member of the Naval or Marine forces is in receipt of retired pay or a pension under Clause 1 in respect of disablement so serious as to make him unemployable, he may be awarded allowances in accordance with such of the provisions of this Clause as may be appropriate in his case.

"Provided that

(i) due account is taken of any Sickness or Unemployment Benefit or Retirement Pension for which the member may be eligible under the National Insurance Acts;

(ii) any earnings of less than £52 a year may be disregarded.

"(a) an allowance by way of supplement to his retired pay or pension at the rate of £143 a year in the case of an officer or 55s. a week in any other case;

"(b) an increase, where necessary, in the rate of family allowance in respect of wife and children awarded under Clause 3 which would be appropriate under that Clause if the degree of disablement were 100 per cent.;

"(c) where an allowance has been awarded under Clause 3 in respect of a wife and the degree of the disablement of the member is 100 per cent., or where an allowance for such a person has been increased or awarded under subparagraph (b), of this Clause, the rate of the allowance may be increased or further increased by £42 a year in the case of an officer or 20s. a week in any other case, if the Admiralty thinks fit having regard to the financial circumstances of the person in respect of whom the allowance has been granted;

"(d) where the member is not in receipt of an allowance under Clause 3 in respect of a wife an allowance may be awarded in respect of an adult dependant at the rate of £78 a year in the case of an officer or 30s. a week in any other case, if the Admiralty thinks fit having regard to the

financial circumstances of the person in respect of whom the allowance is claimed, provided that the member of the naval forces shall not be awarded an allowance in respect of more than one adult dependant ;

"(e) an allowance may be awarded in respect of any child, not being an eligible member of the family, who should, in the opinion of the Admiralty be treated as such having regard to the child's relationship to, or connection with, the pensioner and other circumstances of the case. Provided that any such allowance shall be at the rate and subject to the conditions which would be appropriate under Clause 3 if the child were an eligible member of the family and the degree of the disablement of the member were 100 per cent. ;

"(f) the rate of the allowance in respect of the first child awarded under Clause 3 or under subparagraph (b) of this Clause may be increased to £39 a year in the case of an officer or to 15s. a week in any other case.

#### " 8. Allowances for Comforts.

"(A) A member of the Naval or Marine forces who is in receipt of retired pay or pension under Clause 1 may be awarded an allowance for the provision of comforts:—

"(a) at the rate of £52 a year in the case of an officer or 20s. a week in any other case, where the member, the degree of whose pensioned disablement is 100 per cent. is in receipt of an allowance under Clause 5 and is also in receipt of an allowance under Clause 7 ;

"(b) at the rate of £26 a year in the case of an officer or 10s. a week in any other case if he does not qualify for an award under subparagraph (a) of this Clause but is in receipt of an allowance under Clause 5 or under Clause 7.

"(B) For the purposes of this Clause, a member who would be in receipt of an allowance under Clause 5 if he were not in a hospital or other institution shall be deemed to be in receipt of an allowance under that Clause.

#### 9. " Allowances for Lowered Standard of Occupation.

"A member of the Naval or Marine forces who is in receipt of retired pay or pension under Clause 1 the degree of which is less than 100 per cent. who has been compelled after 1st July, 1945, by reason of his disability, to adopt an occupation not equivalent to that regularly followed by him for a reasonable period before that date may be granted at Admiralty discretion a special allowance at a rate not exceeding 34s. a week, so however that the aggregate rate of his retired pay or pension under Clause 1 together with the allowance under this Clause shall not exceed the rate of award which would have been appropriate in his case under Clause 1 if the degree of his disablement had been 100 per cent.

#### " 10. Age Allowances.

"Where a member of the Naval or Marine forces who is in receipt of retired pay or a pension under Clause 1, in respect of disablement the degree of which is 40 per cent. or over, has attained the age of 65 years he may be awarded an allowance in accordance with the following Table:

" TABLE

60 or 70 per cent	19 10	7 6
80 or 90 per cent	26 0	10 0
100 per cent	39 0	15 0

#### " PART II. TREATMENT.

#### " 11. Treatment Allowances.

"(A) A member of the Naval or Marine forces may be awarded in respect of any period during which he receives approved treatment, a treatment allowance consisting of a personal allowance in respect of himself and any additional allowance which may be appropriate in his case in accordance with the following provisions of this Clause:

" Provided that

"(a) a treatment allowance shall be subject to such deductions or adjustments as the Admiralty may think fit having regard to all the circumstances of the case ;

"(b) where a member is in receipt of a treatment allowance under this clause in respect of any period, no payment shall be made in respect of that period of any award under Part I except an award under Clauses 4, 6, 7 (a) or 8 or, in the case of treatment other than approved institutional treatment, under Clause 5.

"(B) The personal allowance in respect of the member shall be awarded at the rate of retired pay or pension which would be appropriate under this Order if the degree of that member's disablement were 100 per cent.

"(C) Where the member has attained the age of 65 years he may be awarded an increase of the allowance under paragraph (B) of this Clause:

"(a) at a rate equal to that of the allowance which he would be receiving under Clause 10 but for proviso (b) to paragraph (A) of this Clause or at such higher rate as the Admiralty may determine having regard to the circumstances of the case, or

"(b) at such rate as the Admiralty may determine if of opinion that an award should be made to a person who is not eligible for an award under the preceding sub-paragraph.

" Provided that the rate of any increase under this paragraph shall not exceed £39 a year in the case of an officer or 15s. a week in the case of a rating.

"(D) The allowance under paragraph (B) of this Clause may be increased by whichever of the following amounts is appropriate:—

"(a) if he is not eligible for any such benefit as is mentioned in paragraph (G) of this Clause, 50s. a week ;

"(b) if he is eligible for such benefit at a lower rate than 50s. a week, the amount of the difference between that lower rate and 50s. a week ;

" Provided that this paragraph shall not apply to:

"(i) a member who is in receipt of an allowance under Clause 7 (a) ; or

"(ii) a member who is receiving approved institutional treatment and is not entitled to an allowance under the following provisions of this Clause.

"(E) An additional allowance may be awarded in respect of an eligible dependant at the rate and subject to the conditions which would be appropriate under Clause 3 if that dependant were an eligible member of the family and the degree of the member's disablement were 100 per cent.:

" Provided that

"(a) where that eligible dependant is a wife (whether married to the member before or after the material date) the rate of the additional allowance in respect of that person may be increased to the rate of £78 a year in the case of an officer, or the rate of 30s. a week in any other case, as the Admiralty may think fit having regard to the financial circumstances of that person ;

"(b) where an increased allowance is granted under paragraph (D) of this Clause the rate of the allowance awarded under the foregoing provisions of this paragraph in respect of the first child may be increased to £39 a year in the case of the child of an officer or to 15s. a week in the case of a child of a rating.

"(F) Where a member of the Naval Forces is not in receipt of an allowance under paragraph (E) of this Clause in respect of a wife an additional allowance may be awarded in respect of an adult dependant at the rate of £78 a year in the case of an officer, or the rate of 30s. a week in any other case as the Admiralty may think fit having regard to the financial circumstances of that adult dependant. Provided that the member of the naval forces shall not be awarded an additional allowance in respect of more than one adult dependant.

"(G) The benefit referred to in paragraph (D) of this Clause is personal benefit under the National Insurance (Industrial Injuries) Act, 1946, sickness benefit, retirement pension or contributory old age pension under the National Insurance Act, 1946, or under any legislation in Northern Ireland corresponding to that legislation, or under the law of any place outside the United Kingdom which in the opinion of the Admiralty is analogous to that legislation.

**"12. Allowances where Prolonged Abstinence from Work is necessary following Approved Institutional Treatment.**

"(A) Where it is certified that a member of the naval forces should on completion of a course of approved institutional treatment abstain from work for a prolonged period in consequence of the condition which necessitated that treatment, he may be treated as if he were eligible for a treatment allowance under Clause 11.

"(B) This Clause shall not apply to a member of the naval forces who is in receipt of an allowance under Clause 7 (a).

**"13. Allowances for Part-time Treatment.**

"Where a member of the naval forces receives treatment which would be approved treatment but for the fact that it involves only occasional interruptions of the member's normal employment, a treatment allowance may be awarded to the member at such rate, not exceeding 40s. in respect of any one day (subject to a maximum payment of 65s. in

respect of any one week) as the Admiralty may think appropriate having regard to any loss of remunerative time by the member as a result of those interruptions. Provided that the rate of a treatment allowance awarded to a member under this Clause in respect of any period of a week or less shall not exceed the amount by which the weekly value of the member's existing award under Part I (excluding any award under Clauses 4, 5, 6, 7 (a), 8 or 10) falls short of the weekly value of the award which would have been appropriate in the case of that member under Clause 11 (excluding any award under paragraph (C) of that Clause) if he had been eligible for an award under that Clause.

**"14. Medical Expenses**

"Any necessary expenses in respect of the medical, surgical or rehabilitation treatment of a member of the Naval or Marine forces not otherwise provided for may be defrayed by the Admiralty under such conditions and up to such amount as the Admiralty may determine.
