**CENTRAL CHANCERY OF
 THE ORDERS OF KNIGHTHOOD**

St. James's Palace, London S.W.1.
 7th August 1959.

The QUEEN has been graciously pleased to approve the award of the George Medal to Major William Clare HARRISON, (M.B.E. (232045), Royal Army Ordnance Corps, seconded to the Cyprus Police Force, in recognition of gallant and distinguished services.

Major HARRISON was seconded to the Cyprus Police Force throughout the emergency as Government Explosives Expert. His duty was the examination and safe disposal of a wide variety of explosive devices, many of which were set with time-pencils or as "booby-traps". On occasions he personally entered buildings containing valuable equipment, and in which it was known that explosive time-devices had been set, and at great personal risk rendered the devices safe and prevented further damage to property of considerable value and importance. Whenever possible he personally attended to new devices to keep himself abreast of terrorist techniques and to pass on the knowledge gained to his small staff. Major HARRISON personally supervised the safe destruction of large quantities of explosives, much of them in a deteriorated and highly dangerous condition. His complete disregard for his own personal safety in the performance of his duty was of the highest order and an example of courage and devotion to duty to all who have worked with him.
