At the Court at Balmoral, the 14th day of September 1959

PRESENT,

The QUEEN's Most Excellent Majesty in Council

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 11th day of August 1959 (N.P. 2471/59) in the words following viz.:—

"Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, pensions or allowances in the nature thereof, payable in respect of services in Your Majesty's Naval or Marine Forces to a person being or having been an Officer, Seaman or Marine therein, or to the widow or relation of a deceased Officer, Seaman or Marine, shall be paid in such manner and subject to such restrictions, conditions and provisions, as are from time to time directed by Order in Council:

"And whereas by the Pensions (Increase) Acts, 1920, 1924, 1944, 1947, 1952 and 1956, provision is made subject to certain conditions and restrictions, for the increase of certain civil pensions payable in respect of public service:

"And whereas by Orders in Council dated the 13th August, 1920, 8th December, 1924, 25th June, 1925, 1st February, 1926, 28th September, 1944, 24th January, 1945, 20th March, 1946, 2nd April, 1947, 4th September, 1952, 3rd June, 1954, and 9th October, 1956, provision is made for the increase of certain Naval pensions and other awards including awards administered by the Ministry of Pensions and National Insurance, to correspond, as nearly as may be, with the benefits provided by the aforementioned Pensions (Increase) Acts:

"And whereas we now deem it expedient to make further provision for the increase of such awards to correspond, as nearly as may be, with the benefits provided, in the case of certain civil pensions, by the Pensions (Increase) Act, 1959.

"We beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction the provisions set out in the Schedules annexed hereto with effect from 1st August, 1959.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in these proposals.

" SCHEDULE I

" This Schedule relates to:—

- (a) Officers' service retired pay and the service portion of disability retired pay if assessed under regulations in force before 4th November, 1958.

- (g) Pensions payable under Order in Council of 23rd May, 1952, and previous Orders relating to certain Shipwrights if beginning before the relevant date.
- (h) Officers' and Men's widows 'ordinary' pensions and children's 'ordinary' pensions if assessed under regulations in force before 4th November, 1958.
- (i) Pensions for distinguished conduct.
- (j) Meritorious Service Annuities payable to Royal Marines when the recipient is also receiving another pension increasable under this Schedule.
- (k) Retired Officers' Naval Pensions and Good Service Pensions.

- (m) Pensions payable under Order in Council of 11th July, 1951, and previous Orders relating to Officers of the Royal Fleet Auxiliary Service if beginning before the relevant date.
- (n) Pensions payable under Order in Council of 30th August, 1954, relating to certain ratings of the Royal Fleet Auxiliary Service if beginning before the relevant date.
- (o) Service retired pay of Officers of the former Royal Indian Navy.

Note. Additions to pension in respect of gallantry awards shall for the purposes of this Schedule be regarded as forming a part of the pension to which they are attached.

"2. An award to which this Schedule relates may be increased provided that:—

- (a) the pensioner has attained the age of 60 years or, where the pension is a widow's pension, 40 years, or
- (b) the pensioner, if receiving a pension as the child of a deceased Officer, Rating or Other Rank, has not attained the age of 16 years, or, having attained that age, is receiving full time instruction in an educational establishment, or is undergoing training for a trade, profession or vocation in such circumstances that he is required to devote the whole of his time to that training for a period of not less than two years; or
- (c) the pensioner was invalided from the Naval service; or
- (d) the pensioner is a woman with at least one dependant as defined in Clause 6; or
- (e) the pensioner is permanently incapacitated by reason of mental or physical infirmity from engaging in any regular form of full time employment.

"3. The amount of the increase shall be the appropriate percentage, as set out in Clause 4, of the pension currently in payment to the pensioner, including any pensions increase awarded or admissible under former Pensions Increase Orders in Council. For the purpose of the calculation only, a fraction of a pound in an annual rate of pension will be treated as a whole pound, and a fraction of sixpence in a weekly rate of pension will be treated as a whole sixpence. The pension increase, however, will be added to the actual pension in payment.

Any part of the pension which has been commuted before the 1st August, 1959, shall be disregarded in assessing the increase permissible and where commutation is effected on or after 1st August, 1959, the amount so commuted may nevertheless be included as if it were still part of the pension in assessing the increase permissible.

"4. The appropriate percentage increase shall be as follows:—

- (a) For pensions (other than family pensions) assessed in accordance with regulations which were in force before 1st April, 1956, 12 per cent.
- (b) For pensions (other than family pensions) assessed in accordance with regulations introduced after 31st March, 1956, but excluding any awards made under regulations introduced on or after 4th November, 1958, 4 per cent.
- (c) For family pensions assessed in accordance with regulations which were in force before 4th November, 1958, 10 per cent.

"5. Where the service retired pay award to an officer retiring after 3rd November, 1958, is assessed under regulations in force prior to 4th November, 1958, but with an addition to that retired pay provided under regulations introduced on or after 4th November, 1958, pensions increase under this Order in Council shall not be admissible. The officer, however, may be granted instead his service retired pay award with, in lieu of the said addition, the appropriate pensions increase thereon.

"6. The expression 'dependant' for the purpose of Clause 2 (d) shall mean a person wholly or mainly supported by the pensioner and who either

- (a) has not attained the age of 16 years or, who having attained that age, is receiving full time instruction at an educational establishment or undergoing training for a trade, profession or vocation in such circumstances that he is required to devote the whole of his time to that

training for a period of not less than two years; or

- (b) immediately before the date of effect of this Order in Council qualified the pensioner for an increase of pension under former Pensions Increase Orders in Council which would otherwise have been inadmissible.

"SCHEDULE II

"Special provisions

"The retired pay and additional retired pay granted to officers in respect of service in certain salaried appointments made under the provisions of Orders in Council dated 13th December, 1921, 26th May, 1925, and 23rd July, 1931, and subsequent amending Orders in Council may be increased as follows:—

- (a) the retired pay earned by service on the active list shall be increased by the amount of pensions increases appropriate at the date of the officer's final retirement: the additional retired pay earned by service in the salaried appointment after being placed on the retired list shall then be added to the original retired pay, increased as above, and the whole amount treated as a civil pension dating from final retirement; but
- (b) where the total under (a) above is wholly or partially excluded from further increase by reason of the date of final retirement or the amount of retiring salary, the minimum increase will be the amount of increase which could be given on the rate of retired pay awarded for service on the active list.

"2. In the case of the pensions specified at (d) (e) (f) (g) (m) and (n) of Schedule I, the award may be increased only to the extent to which a corresponding award under the Superannuation Acts would have been increasable under the Pensions (Increase) Act, 1959.

"SCHEDULE III

"General Provisions

"Any general conditions attaching to the grant or continuance of a pension shall also apply to the grant or continuance of any increase to that pension.

The expression 'pension' in the Schedules to this Order in Council includes any award increasable under its provisions, or under the provisions of former Pensions Increase Orders in Council.

The expression 'the relevant date' in Schedule I means 2nd April, 1957."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

E. N. Landale.

At the Court at Balmoral, the 14th day of September 1959.

PRESENT,

The QUEEN's Most Excellent Majesty in Council

Whereas the Church Commissioners have duly prepared and laid before Her Majesty in Council a Scheme bearing date the 15th day of July 1959, in the words and figures following, that is to say:

"We, the Church Commissioners, acting in pursuance of the Pastoral Reorganisation Measure, 1949, the Union of Benefices Measures, 1923 to 1952, and the Diocesan Stipends Funds Measure, 1953, now humbly lay before Your Majesty in Council the following Scheme which we have prepared with the consent of the Right Reverend Percy, Bishop of Norwich (in witness whereof he has signed this Scheme), for effecting the union of the benefice of Lyng and the benefice of Sparham, both situate in the diocese of Norwich.

"SCHEME

"1. *Union of Benefices.* The benefice of Lyng and the benefice of Sparham shall be permanently united together and form one benefice with cure of souls under the style of 'The United Benefice of Lyng with Sparham' but the parishes of the said benefices shall continue in all respects distinct.

"2. *Taking effect of union.* Upon the day when any Order of Your Majesty in Council affirming this Scheme is published in the *London Gazette* the union shall forthwith take effect.

"3. *Parsonage House*. Without prejudice to the exercise before or after the date when the union takes effect of any of the powers conferred by the Parsonages Measures, 1938 and 1947, upon the union taking effect and pending the provision of a new house approved by us as suitable to be the house of residence for the incumbent of the united benefice, the parsonage house at present belonging to the benefice of Lyng shall, if at that date it so belongs to the said benefice, be the house of residence of the incumbent of the united benefice.

"4. *Diversion of Endowment Income*

"(1) Subject as hereinafter provided, any surplus, calculated by us for the twelve months ending on the 31st March in each year, of the endowment income (calculated in accordance with the Schedule hereto) of the united benefice over and above an annual sum of £750 shall, with effect from the date upon which the union shall take effect, be paid to and be held by us, for the benefit of the diocesan stipends fund of the said diocese; provided that if after the date upon which the union shall take effect any additional capital endowment shall accrue to or be acquired by the united benefice (not being capital endowment derived from the sale of any property of the united benefice) the income from such subsequently acquired capital endowment shall not be taken into account for the purpose of calculating such surplus as aforesaid.

"(2) The said endowment income and the said surplus and the said annual sum of £750 shall be deemed to accrue from day to day and shall when we deem that circumstances so require be apportioned accordingly.

"(3) Any moneys due to us from the incumbent of the united benefice, or, during any vacancy in the united benefice, from the sequestrators thereof, as the case may be (hereinafter called 'the incumbent or sequestrators') upon the calculation of the said surplus shall be paid by the incumbent or sequestrators to us not later than the 30th June in each year and shall be recoverable as a debt due to us.

"(4) For the purpose of ascertaining the amounts of the said endowment income and of the said surplus, we shall have power to require production by the incumbent or sequestrators of accounts and other documents in relation thereto, and the said accounts for the twelve months to 31st March in each year (or where applicable for a part of the year ending on that date) shall be rendered annually to us within six weeks of that date in such form as we shall prescribe; and in the event of failure by the incumbent or sequestrators to produce such accounts or documents we shall have all legal remedies for enforcing production thereof.

"SCHEDULE

"For the purpose of this Scheme and subject to the proviso contained in clause 4 thereof the endowment income of the united benefice shall, without prejudice to the power of decision vested in us by virtue of Section 18 of the Pastoral Reorganisation Measure, 1949, if any question shall arise, be computed in accordance with our Central Register of Benefice Income, that is to say, by including:

"(1) all gross secured income payable by us and any other person or body,

"and (2) all gross income received from ground rents, chief rents or other fixed charges, other glebe rents and any letting of the parsonage house or a formally divided portion thereof,

and by deducting therefrom:

"(1) the rates payable on the parsonage house if occupied by the incumbent,

"(2) the rent and rates payable on any house occupied by the incumbent other than the parsonage house,

"(3) the annual assessment charged upon the incumbent under the Ecclesiastical Dilapidations Measures, 1923 to 1951, in respect of the benefice,

"(4) the rates payable on the glebe,

"(5) the cost of collecting glebe rents,

"(6) any tithe annuity, rentcharge or fee farm rent charged upon the glebe,

"(7) any other outgoings in respect of the glebe,

"(8) any charge upon the benefice income in favour of another benefice or any lay person,

"(9) any payment to a curate or lay worker out of the benefice income,

"(10) the annual payments in respect of capital and interest in respect of any mortgage of the benefice income,

"(11) any part of the benefice income diverted to the diocesan stipends fund pursuant to an Order under Section 12 of the Pastoral Reorganisation Measure, 1949."

And whereas the provisions of the Union of Benefices Measures, 1923 to 1952, the Union of Benefices Rules, 1926 and 1930, and the Pastoral Reorganisation Measure, 1949, relating to the preparation and submission of this Scheme have been duly complied with:
