"We, the Church Commissioners, acting in pursuance of the Pastoral Reorganisation Measure, 1949, the Union of Benefices Measures, 1923 to 1952, and the Diocesan Stipends Funds Measure, 1953, now humbly lay before Your Majesty in Council the following Scheme which we have prepared with the consent of the Right Reverend Robert, Bishop of Peterborough (in witness whereof he has signed this Scheme), for effecting the union of the benefice of Long Buckby and the benefice of Brington, both situate in the diocese of Peterborough.

"SCHEME

"1. *Union of Benefices.* The benefice of Long Buckby and the benefice of Brington shall be permanently united together and form one benefice with cure of souls under the style of 'The United Benefice of Long Buckby with Brington' but the parishes of the said benefices shall continue in all respects distinct.

"2. *Taking effect of union.* Upon the day when any Order of Your Majesty in Council affirming this Scheme is published in the *London Gazette* the union shall forthwith take effect and the Reverend Henry Voller if he is then incumbent of the said benefice of Long Buckby shall, with his consent (testified by his signature hereto), be the first incumbent of the united benefice.

"3. *Parsonage House.* Without prejudice to the exercise before the date when the union takes effect of any of the powers conferred by the Parsonages Measures, 1938 and 1947, upon the union taking effect

the parsonage house at present belonging to the benefice of Long Buckby shall, if at that date it so belongs to the said benefice, be the house of residence of the incumbent of the united benefice.

"4. *Patronage.* After the union has taken effect the right of presentation to the united benefice shall be exercised by the patrons of the two benefices alternately, the patron of the benefice of Brington having the first presentation to the united benefice to be made after the union.

"5. *Diversion of Endowment Income.*

"(1) Subject as hereinafter provided, any surplus, calculated by us for the twelve months ending on the 31st March in each year, of the endowment income (calculated in accordance with the Schedule hereto) of the united benefice over and above an annual sum of £700 shall, with effect from the date upon which the union shall take effect, be paid to and be held by us, for the benefit of the diocesan stipends fund of the said diocese: provided that if after the date upon which the union shall take effect any additional capital endowment shall accrue to or be acquired by the united benefice (not being capital endowment derived from the sale of any property of the united benefice) the income from such subsequently acquired capital endowment shall not be taken into account for the purpose of calculating such surplus as aforesaid.

"(2) The said endowment income and the said surplus and the said annual sum of £700 shall be deemed to accrue from day to day and shall when we deem that circumstances so require be apportionable accordingly.

"(3) Any moneys due to us from the incumbent of the united benefice, or, during any vacancy in the united benefice, from the sequestrators thereof, as the case may be (hereinafter called 'the incumbent or sequestrators') upon the calculation of the said surplus shall be paid by the incumbent or sequestrators to us not later than the 30th June in each year and shall be recoverable as a debt due to us.

"(4) For the purpose of ascertaining the amounts of the said endowment income and of the said surplus, we shall have power to require production by the incumbent or sequestrators of accounts and other documents in relation thereto, and the said accounts for the twelve months to 31st March in each year (or where applicable for a part of the year ending on that date) shall be rendered annually to us within six weeks of that date in such form as we shall prescribe; and in the event of failure by the incumbent or sequestrators to produce such accounts or documents we shall have all legal remedies for enforcing production thereof.

"SCHEDULE

"For the purpose of this Scheme and subject to the proviso contained in clause 5 (1) thereof the endowment income of the united benefice shall, without prejudice to the power of decision vested in us by virtue of Section 18 of the Pastoral Reorganisation Measure, 1949, if any question shall arise, be computed in accordance with our Central Register of Benefice Income, that is to say, by including:

- "(1) all gross secured income payable by us and any other person or body,

- "(4) the rates payable on the glebe,
- "(5) the cost of collecting glebe rents,
- "(6) any tithe annuity, rentcharge or fee farm rent charged upon the glebe,
- "(7) any other outgoings in respect of the glebe,
- "(8) any charge upon the benefice income in favour of another benefice or any lay person,
- "(9) any payment to a curate or lay worker out of the benefice income,
- "(10) the annual payments in respect of capital and interest in respect of any mortgage of the benefice income,

"(11) any part of the benefice income diverted to the diocesan stipends fund pursuant to an Order under Section 12 of the Pastoral Reorganisation Measure, 1949."

PERFORMING RIGHT TRIBUNAL

Somerles House,
Regent's Park, London N.W.1.

THE APPLICATION OF SOUTHERN TELEVISION LIMITED

Short Particulars of the Decision

Southern Television Limited is a programme contractor, and as such is concerned to obtain a licence for musical works in the repertoire of the Performing Right Society to be broadcast by the Independent Television Authority. Its case was not covered by a licence scheme.

The Performing Right Society was prepared to grant such a licence, but only on the condition that a clause should be inserted in effect prohibiting the reproduction on records or cinematograph films either by the programme contractor or by the Independent Television Authority without terms having first been agreed with the owner of the recording right.

It was the contention of Southern Television Limited that that clause imposed terms or conditions which were unreasonable; and it applied accordingly to the Tribunal to have it so determined.

The case for Southern Television Limited was supported by the British Broadcasting Corporation, and that for the Performing Right Society by three bodies (which combined to form one interested party), all being owners of copyright in the making of mechanical recordings.

The Performing Right Society maintained that if and so far as a licence to broadcast carried with it any right to make a mechanical reproduction, this would constitute an infringement of the last-mentioned copyright, and frankly admitted that the clause which the application sought to impeach was deliberately designed to defeat whatever statutory provisions might have that effect.

The Tribunal did not find it necessary to determine the question of law as to whether or not there were

statutory provisions which did have that effect. If there were no such provisions, then the insertion of the proposed clause was pointless. If, on the other hand, the legislature had thought fit so to provide, then it was unreasonable to compel Southern Television Limited against its will to contract out of any statutory rights which it might have. In either event, therefore, it was held to be unreasonable to include the proposed clause as a term or condition subject to which the Performing Right Society would grant the required licence to Southern Television Limited.

The Tribunal accordingly ordered that Southern Television Limited was entitled to be granted a licence in the form proffered by the Performing Right Society, but without the inclusion in its terms of the proposed clause or any clause to the same or a like effect.

The Performing Right Society was ordered to pay the costs of Southern Television Limited.

A copy of the Decision may be inspected at the offices of the Tribunal during office hours.

Notice is hereby given that the Stevenage Development Corporation in pursuance of their powers under section 4 (1) of the New Towns Act, 1946, on the 13th day of October 1959 made an Order, which has been submitted for confirmation by the Minister of Housing and Local Government authorising them to purchase compulsorily for the purposes of the new town at Stevenage in the county of Hertford the lands described in the Schedule hereto and directing that the provisions of the Town and Country Planning Act, 1944, as applied by the New Towns Act, 1946, relating to expedited completion of purchase shall apply thereto.

A copy of the Order, and of the map referred to therein, have been deposited at Aston House near Stevenage aforesaid and will be open for inspection without payment of fee between the hours of 10 a.m. and 4.30 p.m. on weekdays (excluding Saturdays).

Where the Minister confirms the Order he may, if he is satisfied that it is requisite to do so, confirm the Order with a Direction that the provisions of the Town and Country Planning Act, 1944, as applied by the New Towns Act, 1946, relating to expedited completion of purchase shall apply to the said land.

Where the confirmed Order contains such a Direction the following provisions will operate:

- (a) The Lands Clauses Acts and the Acquisition of Land (Assessment of Compensation) Act, 1919, as amended and applied by the Town and Country Planning Act, 1944, will have effect as if a notice to treat such as is mentioned in

section 18 of the Lands Clauses Consolidation Act, 1845, had been served on every person on whom the Corporation could, under the terms of that section, have served such a notice, namely, all persons interested in the said lands; all persons enabled by the Land Clauses Acts to sell and convey or release any of the said lands, or such of the above persons as would after diligent enquiry be known to the Corporation, and the date on which such notice to treat will be deemed to have been served will be the date on which the Order is registered in the Register of Local Land Charges kept in respect of the area in which the lands are situated. Such notice to treat will not be deemed to have been served on any person in respect of an interest which is a tenancy for a year, or from year to year, or a less interest.

- (b) The Stevenage Development Corporation, may, at any time after the expiration of one week from the date of first publication of the notice of confirmation of the Order and subject to the said tenancies, execute a Declaration:

(i) of their intention to enter on the whole or part of the lands to which the Order relates and take possession thereof at the expiration of a period specified in such declaration, not being less than fourteen days from the completion of the service of a notice to that effect on occupiers, and on persons entitled to claim compensation who have given information to the Corporation of the nature of the land in respect of which they are entitled to claim compensation, and of their interest therein, and

(ii) that the lands will vest in the Corporation at the expiration of the period specified in such declaration.

Any objection to the Order must be made in writing stating the grounds of the objection, and addressed to the Minister of Housing and Local Government, Whitehall, London S.W.1, before the 16th day of November 1959.

The Minister is not, in all cases, required to arrange for objections to be heard by a person appointed by him for that purpose. It is important, therefore, that an objection should include a full statement in writing of the grounds on which the objection is made as the objector may have no further opportunity to make such a statement.

Any owner or occupier of any land to which the Order relates may send to the Stevenage Development Corporation at the address below, a request in writing to serve him with a notice that the Order has been confirmed, and naming a place where a copy of the Order and of the map and of any descriptive matter annexed thereto, may be seen.
