## WATER ACTS

## COUNTY BOROUGH OF BARROW-IN-FURNESS

Notice is hereby given that the Barrow-in-Furness County Borough Council are about to apply to the Minister of Housing and Local Government for an Order under section 1 of the Water Act of 1958 for the modification of the restriction imposed by the Barrow-in-Furness Water (Thorncliffe Road) Order, 1957, on the quantity of water which may be taken in any year from the Thorncliffe Road borehole.

Under the said Order of 1957, the Council are prohibited from taking more than 182,500,000 gallons from the borehole in any year. The Council began to take water from the borehole on 12th January 1959, and have already taken nearly that quantity, so unless the prohibition referred to above is modified they will have to cease taking water from the borehole for a period of several weeks. In view of the deficiency in water supplies arising from the drought, this would be a serious matter.

The Council are therefore applying to the Minister for an Order under the Water Act of 1958, authorising them to take from the borehole before 11th January next 38 million gallons of water in addition to what they would otherwise be entitled to take before that date, and providing that such additional abstraction shall be disregarded for the purposes of the prohibition referred to above.

Objections to the application should be made to the Minister within seven days from the date hereof and addressed to the Secretary, Ministry of Housing and Local Government, Whitehall, London S.W.1.

Dated the 13th day of November 1959.
