ROAD TRAFFIC ACT, 1960

ROAD TRAFFIC AND ROADS IMPROVEMENT ACT, 1960

ST. MARYLEBONE METROPOLITAN BOROUGH COUNCIL

AMENDMENTS TO EXISTING ZONE

Provision of Parking Places (Controlled by Meters) with Ancillary Waiting Restrictions

Notice is hereby given that the St. Marylebone Council (hereinafter referred to as "the Council") are applying to the Minister of Transport for amending Orders under section 85 of the Road Traffic Act, 1960, to designate parking places on certain highways (controlled by meters) and, in conjunction with these proposals, are asking the Minister to make Regulations under section 34 of the Act (as amended).

The general effect of the proposed Orders and Regulations would be to increase the number of parking places in the existing Zone; and amend, revoke or extend certain parking places in the existing Zone.

The proposed Orders would:

- (i) designate parking places in the highways named in the First Schedule hereto;
- (ii) fix the maximum number of parking bays (i.e., spaces on the carriageway where vehicles may be left) in each parking place; provide that the number and situation of such parking bays in each parking place may be determined by the Council and provide that parts of certain parking places shall not be occupied by parking bays;
- (iii) provide that the parking bays may be used for the leaving of vehicles of any class or description specified in the Second Schedule hereto, between the hours of 8.30 a.m. and 6.30 p.m. on Mondays to Fridays inclusive, and between the hours of 8.30 a.m. and 1.30 p.m. on Saturdays, any such day not being Christmas Day, Good Friday or a Bank Holiday;
- (iv) provide that the initial charge for leaving a vehicle in a parking place shall be 1s. for two hours or 6d. for one hour and that such charge shall be payable on the leaving of the vehicle in a parking place by the insertion of a coin or coins in a parking meter;
- (v) provide that an excess charge of 10s. shall be incurred in respect of any vehicle left in a parking place for longer than the period for which payment was made by the initial charge and that payment of any excess charge incurred shall be made to the Council by the seventh day following the day on which the excess charge was incurred;
- (vi) prescribe the manner in which vehicles shall stand in parking places and in particular that every part of a vehicle shall be within the limits of a parking bay;
- (vii) provide that a parking attendant may remove from a parking place any vehicle in respect of which certain provisions of the Orders have been contravened or not complied with;
- (viii) empower the Council to install parking meters at parking places; and
- (ix) make other incidental provision.

The Regulations would restrict waiting by vehicles between the hours of 8.30 a.m. and 6.30 p.m. on Mondays to Fridays inclusive and between 8.30 a.m. and 1.30 p.m. on Saturdays in the lengths of street specified in the Third Schedule hereto excluding any parts of those streets designated as parking places by the before-mentioned proposed Parking Places Orders

(these proposals include certain streets at present subject to waiting restrictions). The Council propose that exemptions should be provided in the Regulations:

- (i) to permit bicycles propelled by mechanical power and not having a sidecar attached thereto to wait in cycle parking areas within the streets named in the Fourth Schedule hereto;
- (ii) to permit vehicles to wait—to pick up and set down passengers and their baggage, to carry out essential services, or while in use by local authorities in any emergency;
- (iii) to permit vehicles to wait for the purpose of loading or unloading goods in all the above-mentioned lengths of restricted street.

Copies of the proposed Orders and relevant plans may be inspected between the hours of 9 a.m. and 4.30 p.m. on weekdays (9 a.m. to 12 noon on Saturdays) during a period of twenty-eight days from the date of this notice, at the office of the undersigned at the Town Hall, St. Marylebone, London W.1 (Room No. 20).

The plans show in detail what parts of the carriage-way of the highways named in the First Schedule hereto are comprised in the parking places to be designated.
