WEST SUSSEX COUNTY COUNCIL

Town and Country Planning General Development Order 1950

Notice is hereby given that the West Sussex County Council have made, and the Minister of Housing and Local Government has approved, a Direction under Articles 4 and 13 of the above Order revoking certain earlier Directions made under Article 4 of that Order relating to parts of the following districts:

Chichester Rural.
Crawley Urban (all land in this district).
Horsham Rural.
Bognor Urban.

The effect of the original Directions which this Direction revokes was that the permission formerly granted by Article 3 of the Said Order for the use of land for the purpose of the erection and placing thereon of moveable structures which are or are capable of being used for human habitation on not more than 28 days in total in any calendar year should not apply to the relevant parts of the districts concerned, except in the case of moveable structures or caravans by travelling showmen in the course of their business.

This revocation is a necessary formal step. It does not mean that the relevant areas may now be used on 28 days in total in each calendar year for such purposes since the permission granted by Article 3 of the above Order was taken away as respects use of land as a caravan site by the Town and Country Planning General Development (Amendment No. 2) Order 1960.

Copies of the original Directions and the maps defining the areas to which they relate can be seen during office hours at the relevant district Council offices.

Dated this 23rd day of August 1962.
