Officers, Petty Officers. Non-commissioned Officers

Commissioners of Your Majesty's Treasury, payments

pensions and allowances from the Admiralty at the  
same rates and subject to the same conditions as

TABLE

- (i) she was being regularly maintained in whole or in part by her husband up to the date of any award or renewal of his disablement pension, and/or
- (ii) she is entitled to support under a separation or maintenance order, or
- (iii) the separation was caused by the husband's mental instability due to the disability in respect of which he is granted his disablement pension.

- (ii) a legitimated child of the member;

injury, or the date on which he was removed from duty on account of the disease in respect of which his disablement pension is granted, and who has been regularly maintained in whole or in part by the member up to the date of any award or renewal of his disablement pension, or is subject to an affiliation order in force against the member;

(bb) had been brought up and wholly or mainly maintained by the member for not less than six months (or such less period as the Admiralty may determine in the exceptional circumstances of any case) during his service, and

(cc) has been so maintained by the member up to the date of any award or renewal of his disablement pension.

(C) The expressions 'removed from duty' or 'removal from duty' shall be interpreted with reference to the date of the first removal from duty on account of the disease upon which the claim in respect of disablement is based, provided that if, as the result of service subsequent to the date of receipt of the wound or injury or of removal from duty, not being service after the 2nd September 1939, the member suffered material aggravation of his disability, the date of removal from duty shall be that of the later removal on account of the disability: or, if there was no such removal, the date of termination of full pay service of the member.

(D) Family addition to disablement pension in respect of a child shall normally terminate when the child attains the age of 18 years in the case of an officer or at the age of 16 years in any other case, but, subject to the production of satisfactory evidence the allowance may be made or continued in respect of a child who has attained the child's age limit when that child—

(a) is a student, receiving full time instruction at a university, college, secondary school, technical school or any other establishment, which, in the opinion of the Admiralty, is a comparable educational establishment; or

(b) is an apprentice receiving not more than nominal wages; or

(c) is incapable of self-support by reason of an infirmity which arose before he or she attained the child's age limit.

(E) Family additions to disablement pension in respect of an individual may be withheld if in the opinion of the Admiralty the circumstances are not such as to justify a grant.

(F) Where an individual in respect of whom family addition to disablement pension is admissible is not residing with the member, the addition may, at the discretion of the Admiralty, be granted independently, for the benefit of that individual, to some person other than the member.

##### "4. EDUCATION ALLOWANCES

(b) the circumstances of the family are such as to require it; and

(c) the Admiralty is satisfied that the type of education which the child is receiving, or is to receive, is suitable for the child.

The amount of any allowance under this Clause shall be determined by the Admiralty but the total payments made in respect of any period of twelve months shall not exceed £120 in respect of any one child.

**" 5. ALLOWANCES FOR CONSTANT ATTENDANCE**

Where a member of the Naval or Marine Forces is in receipt of retired pay or a pension under Clause 1 in respect of disablement the degree of which is not less than 80 per cent., and it is shown to the satisfaction of the Admiralty that constant attendance on the member is necessary on account of the disablement, he may be awarded an allowance at a rate not exceeding £130 a year in the case of an officer or 50s. a week in any other case.

Provided that in an exceptional case of very severe disablement the allowance may, subject to such conditions as the Admiralty may determine, be increased to a rate not exceeding £260 a year in the case of an officer or 100s. a week in any other case.

**" 6. SEVERE DISABLEMENT OCCUPATIONAL ALLOWANCE**

Where a member of the Naval or Marine Forces is in receipt of an allowance for constant attendance at a rate increased under the proviso to Clause 5 or would be in receipt of such an allowance if he were not in a hospital or other institution, he may for any period during which he is, in the opinion of the Admiralty, ordinarily employed in a gainful occupation, be awarded an allowance at the rate of £52 a year in the case of an officer, or 20s. a week in any other case.

Provided that no allowance shall be payable under this Clause to a member for any period in respect of which he is:

- (a) eligible for an award under Clause 8 (a)
- (b) in receipt of any such benefit as is mentioned in Clause 12 (g) or a treatment allowance increased under (d) of that Clause.

**" 7. ALLOWANCES FOR WEAR AND TEAR OF CLOTHING**

- (a) where he wears a single artificial limb (other than a tilting table limb), £7 10s. a year; or
- (b) where he wears a tilting table limb or more than an artificial limb, £12 10s. a year.

(B) In any other case in which the Admiralty is satisfied that as a result of the pensioned disablement there is exceptional wear and tear of the members clothing, an allowance not exceeding £12 10s. a year may be awarded.

**" 8. ALLOWANCES FOR UNEMPLOYABLE PENSIONERS****(A) Eligibility**

Where a member of the Naval or Marine Forces is in receipt of retired pay or a pension under Clause 1 in respect of disablement so serious as to make him unemployable, he may be awarded allowances in accordance with such of the provisions of this Clause as may be appropriate in his case:

Provided that—

- (i) such a member may be deemed to be unemployable although in receipt of earnings which are, in the opinion of the Admiralty, unlikely to exceed £104 a year;
- (ii) such a member shall not be eligible for any award under this Clause if he is in receipt of a retirement pension (not being contributory old age pension) under the National Insurance Act, 1946, or under any legislation in Northern Ireland corresponding to that Act.

**(B) Supplementation of retired pay or pension**

A member coming within paragraph A of this Clause may be awarded an allowance, by way of supplement to his retired pay or pension, at the rate of £193 a year in the case of an officer, or 74s. a week in any other case:

Provided that, in computing the said rates, account shall be taken, to such extent as the Admiralty may think fit, of a contributory old age pension under the National Insurance Act, 1946, or under any legislation in Northern Ireland corresponding to that Act for which the member may be eligible.

**(C) Additional allowance for dependents**

Where a member is awarded an allowance in accordance with paragraph B of this Clause, there may also be awarded to that member additional

A 2

allowances in accordance with the following provisions of this paragraph—

(a) Where an allowance has been awarded under Clause 3 in respect of a wife and the degree of the disablement of the member is less than 100 per cent., that allowance may be increased to the rate which would be appropriate under that Clause if the degree of the disablement of the member were 100 per cent.

(b) Where an allowance has been awarded under Clause 3 in respect of a wife and the degree of the disablement of the member is 100 per cent., or where an allowance for such person has been increased or awarded under subparagraph (a) of this paragraph, the rate of the allowance may be increased, or further increased, as the case may be, by £72 a year in the case of an officer, or 31s. 6d. a week in any other case, if the Admiralty thinks fit having regard to the financial circumstances of the person in respect of whom the allowance has been granted.

(c) Where the member is not in receipt of an allowance under Clause 3 in respect of a wife, an allowance may be awarded in respect of an adult dependant at the rate of £108 a year in the case of an officer, or 41s. 6d. a week in any other case, if the Admiralty thinks fit having regard to the financial circumstances of the person in respect of whom the allowance is claimed: provided that the member shall not be awarded an allowance in respect of more than one adult dependant.

(d) (i) Where an allowance has been awarded under Clause 3 in respect of a child and the degree of disablement of the member is less than 100 per cent., that allowance may be increased to the rate which would be appropriate under that Clause if the degree of the disablement of the member were 100 per cent.

(ii) An allowance may be awarded in respect of any child, not being an eligible member of the family, who should, in the opinion of the Admiralty, be treated as such having regard to the child's relationship to or connection with the member and the other circumstances of the case: Provided that any such allowance shall be at the rate and subject to the conditions which would be appropriate under Clause 3 if the child were an eligible member of the family and the degree of disablement of the member were 100 per cent.

(e) Where an allowance has been awarded under Clause 3 or subparagraph (d) of this paragraph in respect of the child or children of an officer, the rate thereof in respect of that child or the elder or eldest of those children may be increased to £52 a year, and in respect of each other of those children to £31 6s. a year, and where an allowance has been so awarded in respect of the child or children of a member not being an officer the rate thereof in respect of that child or the elder or eldest of those children may be increased to 20s. a week and in respect of each other of those children to 12s. a week.

**(D) Adjustment of allowances in respect of benefit payable out of public funds abroad.**

Where a person to or in respect of whom an allowance or increase may be or has been awarded under the foregoing provisions of this Clause is eligible for benefit payable out of public funds under the law of any place outside the United Kingdom being benefit which, in the opinion of the Admiralty, is analogous to a benefit under the National Insurance Act, 1946, the Admiralty may take the benefit into account against the allowance or increase in such manner and to such extent as may be thought appropriate having regard to any adjustment which would be made if the person were eligible for the analogous benefit under the said Act.

**" 9. ALLOWANCES FOR COMFORTS**

(A) A member of the Naval or Marine Forces who is in receipt of retired pay or pension under Clause 1 may be awarded an allowance for the provision of comforts:—

(a) At the rate of £52 a year in the case of an officer or 20s. a week in any other case where the member is in receipt of an allowance under Clause 5 and is

- (i) in receipt of an allowance under Clause 8; or

(ii) in receipt of retired pay or pension in respect of disablement the degree of which is 100 per cent and which has been awarded in respect of multiple injuries which, in the opinion of the Admiralty, render his disablement so severe as to justify the award of an allowance at the aforementioned rate;

(b) at the rate of £26 a year in the case of an officer or 10s. a week in any other case if he does not qualify for an award under sub paragraph (a) of this Clause but is in receipt of an allowance under Clause 5 or under Clause 8.

(B) For the purposes of this Clause, a member who would be in receipt of an allowance under Clause 5 if he were not in a hospital or other institution shall be deemed to be in receipt of an allowance under that Clause.

This Clause shall not apply to a member who is eligible for an allowance under Clause 8.

#### " 11. AGE ALLOWANCES

Where a member of the Naval or Marine Forces who is in receipt of retired pay or pension under Clause 1, in respect of disablement the degree of which is 40 per cent or over, has attained the age of 65 years he may be awarded an allowance in accordance with the following Table:—

Provided that

(a) a treatment allowance shall be subject to such deductions or adjustments as the Admiralty may think fit having regard to all the circumstances of the case;

(b) where a member is in receipt of a treatment allowance under this clause in respect of any period, no payment shall be made in respect of that period of any award under Part I except an award under Clauses 4, 7, 8 (B) or 9 or, in the case of treatment other than approved institutional treatment under Clause 5, or, subject to the provisions of sub-clause (b) of the proviso to Clause 6.

(B) The personal allowance in respect of the member shall be awarded at the rate of retired pay or pension which would be appropriate under this Order if the degree of that member's disablement were 100 per cent.

(C) Where the member has attained the age of 65 years he may be awarded an increase of the allowance under paragraph (B) of this Clause:

(a) at a rate equal to that of the allowance which he would be receiving under Clause 11 but for proviso (b) to paragraph (A) of this Clause or at such higher rate as the Admiralty may determine having regard to the circumstances of the case, or

(b) at such rate as the Admiralty may determine if of opinion that an award should be made to a person who is not eligible for an award under the preceding sub-paragraph.

Provided that the rate of any increase under this paragraph shall not exceed £39 a year in the case of an officer or 15s. a week in the case of a rating.

(D) The allowance under paragraph (B) of this Clause may be increased by whichever of the following amounts is appropriate:

(a) if he is not eligible for any such benefit as is mentioned in paragraph (G) of this Clause 67s. 6d. a week;

(ii) a member who is receiving approved institutional treatment and is not entitled to an allowance under the following provisions of this Clause.

(E) An additional allowance may be awarded in respect of an eligible dependant at the rate and subject to the conditions which would be appropriate under Clause 3 if that dependant were an eligible member of the family and the degree of the member's disablement were 100 per cent:

Provided that

(a) where that eligible dependant is a wife (whether married to the member before or after the material date) the rate of the additional allowance in respect of that person may be increased to the rate of £108 a year in the case of an officer, or the rate of 41s. 6d. a week in any other case, as the Admiralty may think fit having regard to the financial circumstances of that person;

(b) the rate of the allowance awarded under the foregoing provisions of this sub-clause in respect of the child or children of an officer may, in respect of that child or the elder or eldest of those children be increased to £52 a year and in respect of each other of these children to £31 6s. 0d. a year, and where an allowance has been so awarded in respect of the child or children of a member not being an officer, the rate thereof in respect of that child or the elder or eldest of those children may be increased to 20s. a week and in respect of each other of those children to 12s. a week.

Provided that the member of the naval forces shall not be awarded an additional allowance in respect of more than one adult dependant.

(G) The benefit referred to in paragraph (D) of this Clause is personal benefit under the National Insurance (Industrial Injuries) Act, 1946, sickness benefit, retirement pension or contributory old age pension under the National Insurance Act, 1946, or under any legislation in Northern Ireland corresponding to that legislation, or under the law of any place outside the United Kingdom which in the opinion of the Admiralty is analogous to that legislation.

##### " 13. ALLOWANCES WHERE PROLONGED ABSTENTION FROM WORK IS NECESSARY FOLLOWING APPROVED INSTITUTIONAL TREATMENT

(A) Where it is certified that a member of the Naval Forces should on completion of a course of approved institutional treatment abstain from work for a prolonged period in consequence of the condition which necessitated that treatment, he may be treated as if he were eligible for a treatment allowance under Clause 12.

(B) This Clause shall not apply to a member of the Naval Forces who is in receipt of an allowance under Clause 8 (B).

**"14. ALLOWANCES FOR PART-TIME TREATMENT"**

Where a member of the Naval Forces receives treatment which would be approved treatment but for the fact that it involves only occasional interruptions of the member's normal employment, a treatment allowance may be awarded to the member at such rate, not exceeding 50s. in respect of any one day as the Admiralty may think appropriate having regard to any loss of remunerative time by the member as a result of those interruptions. Provided that the rate of a treatment allowance awarded to a member under this Clause in respect of any period of a week or less shall not exceed the amount by which the weekly value of the member's existing award under Part 1 (excluding any award under Clauses 4, 5, 6, 7, 8 (B), 9 or 11) falls short of the weekly value of the award which would have been appropriate in the case of that member under Clause 12 (excluding any award under paragraph (C) of that Clause) if he had been eligible for an award under that Clause.

**"15. MEDICAL EXPENSES"**

Any necessary expenses in respect of the medical, surgical or rehabilitation treatment of a member of the Naval or Marine Forces not otherwise provided for may be defrayed by the Admiralty under such conditions and up to such amount as the Admiralty may determine.

**"16. ARREARS"**

Except in so far as the Admiralty may otherwise direct with respect to any particular case or class of case, payment of a pension shall not be made in respect of any period preceding the date of application or appeal as a result of which the claim to the award of the pension, or as the case may be to the continuance or resumption of the payment of the pension, is accepted.
