MINISTRY OF TRANSPORT

London—South Wales Motorway (M4)

The Minister of Transport invites applications from firms of good standing who are prepared to invest not less than £350,000 for the exclusive rights to provide and operate a petrol filling station and catering premises on a 50-year ground lease at a Service Area to be established at Aust (Glos.) on the London—South Wales Motorway adjacent to the eastern end of the Severn Bridge. The Bridge and adjacent lengths of the motorway are expected to be opened to traffic early in 1966.

The Service Area site will be of about 25 acres and is all on the northern side of the Motorway near the top of cliffs overlooking the River Severn and the Severn Bridge, which is now under construction. Access to and from the motorway will be by way of a side road leading from a nearby two-level roundabout. The Minister will provide hard standings for vehicle parking areas, internal roads and exterior lighting within the Service Area.

In order to ensure that the design and layout of the Service Area will be in harmony with the Severn Bridge and its associated buildings the Minister will require applicants' architects to prepare their schemes within a broad zoning and design specification laid down by the Consulting Architect for the Severn Bridge, Sir Percy Thomas, O.B.E., P.P.R.I.B.A.

Further particulars and Forms of Application may be obtained from:

The Secretary, Ministry of Transport, H.S. Division (Room 2/33), St. Christopher House, Southwark Street, London S.E.1.

The closing date for the return of completed applications is Monday 13th January 1964.
