HONOURS AND AWARDS

CENTRAL CHANCERY OF THE ORDERS OF KNIGHTHOOD

St. James's Palace, London S.W.1.
3rd January 1964.

The QUEEN has been graciously pleased to give orders for the undermentioned award.

Awarded a Bar to the George Medal
(dated 25th December 1963)

George Henderson, G.M. (since deceased), Senior Assistant Adviser, High Commission for Aden and the Protectorate of South Arabia.

The British High Commissioner for Aden and the Federation of South Arabia, and a party of Government Ministers and Officials, were assembled at Aden Airport when a bomb was thrown from a balcony. It landed near the official party. Just as the bomb exploded Henderson hurled himself forward and took the full blast in his chest. By doing so he saved the life of the High Commissioner who escaped with a slight hand injury. One woman was killed and thirty-nine people were injured. Henderson showed complete disregard for his own safety.

PRIVY COUNCIL OFFICE

At the Court at *Buckingham Palace* the 20th day of December 1963.

PRESENT,

The QUEEN's Most Excellent Majesty in Council
Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th day of December 1963 (MAN 735/1/63) in the words following, viz.:

"Whereas by section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, inter alia, that all pay and pensions or other allowances in the nature thereof, payable in respect of Your Majesty's Naval or Marine Forces to a person being or having been an Officer, Seaman or Marine therein, shall be paid in such manner and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council;

"And whereas we are of the opinion that the more sophisticated messing procedures now being increasingly applied throughout Your Majesty's Fleet necessitate the institution of a Caterer Branch; and that consequent on the introduction of such a Branch we are of the opinion that a re-organisation of the Stores Branch procedures will lead to economies;

"We humbly beg leave to recommend that Your Majesty may be graciously pleased by your Order in Council to sanction the introduction of the following ratings to be paid the normal rates of pay and allowances applicable to naval ratings, namely

"Caterer Branch

Chief Petty Officer Caterer
Petty Officer Caterer

"and

"Stores Accountant Branch

Chief Petty Officer Stores Accountant
Petty Officer Stores Accountant
Leading Stores Accountant
Stores Accountant
Probationary Stores Accountant
Junior Stores Accountant.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

W. G. Agnew.

Parking Meter Schemes—Proposed Amendments

Notice is hereby given that the Mayor, Aldermen and Councillors of the City of Westminster (hereinafter called "the Council") are applying to the Minister of Transport for Orders under section 85 of the Road Traffic Act, 1960, to amend the Parking Places (Westminster) (No. 1) Order, 1960, and the Parking Places (Westminster) (No. 1) Order, 1962, designating parking places on certain highways (controlled by meters) and for regulations under section 34 of the Act (as amended) to amend regulations which are ancillary to the existing Orders.

The proposed Order and Regulations would apply to streets within an area generally bounded by Coventry Street, New Coventry Street, Charing Cross Road, West Street, Upper St. Martin's Lane, parts of Long Acre and Garrick Street, St. Martin's Lane, part of William IV Street, Adelaide Street, part of Strand, the north side of Trafalgar Square, Pall Mall East, part of Pall Mall, Regent Street and parts of Piccadilly including Piccadilly Circus. The streets within the area are at present, between the hours of 8.30 a.m. and 6.30 p.m. Monday to Friday, and 8.30 a.m. and 1.30 p.m. on Saturday, subject to restrictions prohibiting waiting by vehicles except at a parking place and in some parts of the streets the loading and unloading of goods is also prohibited during the hours of restriction.

The general effect of the proposed amendments is to extend the lengths of streets and the hours of control where a restriction on waiting, loading and unloading applies and to vary the limits of certain of the parking places and cycle parking areas.

The proposed Order would:

(i) revoke the designation of the parking places in the streets contained within the area described in the preceding paragraph;

(ii) designate new parking places in those streets which are named in the First Schedule hereto;

(iii) fix the maximum number of parking bays (i.e. spaces on the carriageway where vehicles may be left) in each parking place; provide that the number and situation of such parking bays in each parking place may be determined by the Council; and provide that parts of certain parking places shall not be occupied by parking bays;

(iv) provide that the parking bays may be used for the leaving of vehicles of any class or description specified in the Second Schedule hereto, between the hours of 8.30 a.m. and 6.30 p.m. on Mondays to Fridays inclusive and between the hours of 8.30 a.m. and 1.30 p.m. on Saturdays, any such day not being Christmas Day, Good Friday or a Bank Holiday;

(v) provide that the initial charge for leaving a vehicle in a parking place shall be one shilling for two hours or sixpence for one hour and that such charge shall be payable on the leaving of the vehicle in a parking place by the insertion of a coin or coins in a parking meter;

(vi) provide that an excess charge of ten shillings shall be incurred in respect of any vehicle left in a parking place for longer than the period for which payment was made by the initial charge and that payment of any excess charge incurred shall be made to the Council by the seventh day following the day on which the excess charge was incurred;

(vii) prescribe the manner in which vehicles shall stand in parking places and in particular that every part of a vehicle shall be within the limits of a parking bay;

(viii) provide that a traffic warden may remove from a parking place any vehicle in respect of which certain provisions of the Order have been contravened or not complied with;

(ix) empower the Council to install parking meters at parking places; and

(x) make other incidental provision.

The proposed Regulations would:

(i) prohibit waiting by vehicles for the purpose of loading or unloading goods between the hours of 8.30 a.m. and midnight and prohibit waiting by vehicles for any other purpose at all times in certain parts of the streets named in the Third Schedule hereto (these proposals amend existing regulations which apply generally in the area

described above restricting waiting by vehicles, other than licensed street traders' vehicles, between the hours of 8.30 a.m. and 6.30 p.m. on Mondays to Fridays inclusive and between the hours of 8.30 a.m. and 1.30 p.m. on Saturdays);

(ii) alter the description of the cycle parking areas in the streets named in the Fourth Schedule hereto.

A copy of the proposed Order, and a plan relating thereto, may be inspected between the hours of 9 a.m. and 4.30 p.m. on Mondays to Fridays, during a period of twenty-eight days from the date of this notice, at the office of the undersigned at the Westminster City Hall, Charing Cross Road, London W.C.2.

The plans show in detail:

(a) what parts of the carriageway of highways named in the First Schedule hereto, are comprised in the parking places proposed to be designated;

(b) the parts of the streets named in the Third Schedule hereto, which will be subject to a prohibition on waiting at any time for the purpose of loading and unloading goods; and

(c) the areas in streets named in the Fourth Schedule hereto where solo bicycles propelled by mechanical power will be permitted to wait.
